CAMPBELL'S STATION.

Six Weddings, a Runaway Horse, and a Negro Fight.

CAMPBELL'S STATION, Sept. 20.—Though somewhat tardy, we send our editor our heartfelt thanks and appreciation for his favor on the 4th inst., in so kindly remembering us at his annual outing. I had previously visited the Centennial site, but must admit that this day was enjoyed more than others. Since your correspondent's last letter, Miss Emma Hobbs was united in marriage to Mr. John Ashton, Esq., Ballantyne officiating.

On Thursday, Sept. 3, Mr. Lee Stipes was married to Miss Ella Fox at the home of the bride, Rev. Rome officiating.

On Sunday, Sept. 12, Mr. George Williams and Miss Carrie Ward were quietly married at the home of the bride, Elder Anderson performing the ceremony.

On Wednesday, Sept. 4, Prof. Tom Peoples, of the famous drove to Farmington, Tenn., and was there united in wedlock to Miss—Harris. Returning here, they were tendered a reception at the home of the groom, Rev. W. R. Peoples, prior to leaving for Texas, where the Professor has an excellent position in a school.

On Sunday, Sept. 5, Mr. L. Adams was married to Miss Swiney, at the home of Mr. A. Grigg, Esq., Cochran performing the ceremony.

Last Saturday evening Mr. Benard McDonald arrived with his bride, and Miss Richardson, from Gracy, Fla., where they were married at the home of the bride on the Wednesday previous. They were tendered an elegant reception at the home of Mr. A. W. McDonald. These twelve young people have our best wishes for lives of perpetual sunshine.

Rev. Gray, of Andrews, closed a series of meetings at Evergreen the second Sunday. He is a vigorous proponent of the Word. Although no conversions were had, the church was built up materially.

Rev. Anderson, of Carter's Creek, closed a meeting at the Christian church last Monday, with four additions to the church.

Misses Ella West and Nattie Fleming, while returning from church last Tuesday night, were thrown from their horses and seriously hurt. Miss Fleming's arm was broken and she was otherwise bruised up. Miss West's hand was mashed, and the physician amputated one of her fingers. They are both doing nicely at present.

Last Saturday night the negro element held a free-for-all "knock out" at Campbell's. Eight or ten participated, using knives, revolvers, rocks and sticks freely. One negro was mortally wounded by being shot, the bullet entering above his left eye and penetrating the skin to the skull for 3 or 4 inches. This was the result of a "German" and infernal liquor.

Mr. Jim Caskey and wife, of Texas, have been the guests of Mr. A. W. McDonald and family.

Mr. Luther Gracy and wife, of Gracy, Fla., have returned home after a few weeks visit here.

Miss Ethel Kennedy is recovering from a seige of jaundice. With best regards to all, we remain your friend, JIM DANBY.

MC'AIN'S.

MC'AIN'S, Sept. 20.—Once again we find a few leisure moments to write up our items from this place. Just at the close of this autumn-like day the grand old sun seems loath to set, for so long it will cast its rays over these old hills and valleys when they will look dreary and gloomy, all their beautiful robes of green having been changed to deadlier hues, for already the atmosphere causes chilly sensations to creep over us.

Mr. Editor, our mind naturally wanders back to our pleasant outing, which will ever fill a conspicuous place of good times in our memory. We can only express our appreciation by faithfulness to your paper.

An eight days' meeting closed at this place last Tuesday night. Rev. Gabard was assisted in the meeting by Rev. Baird, of Waynesburg, Pa., who did some good Gospel preaching, greatly reviving the church members, with several conversions and four accessions to the church.

Professors Harris and Scott, accompanied by twenty-five of their pupils, attended the Centennial last Saturday.

Mr. Andrew Maxwell, of Vicksburg, Miss., is now gladdening the hearts of his home folks by his presence of two weeks stay.

Misses Sallie and Sue Ramsey, of Waco, Texas, visited in our midst last week.

Mrs. M. E. Gabard left last week for Fayetteville to attend the bedside of her father, who is in feeble health.

Rev. J. H. Peoples sold his farm last week to Mr. Hindman, of Styversville, for \$3,000.

We are sorry to report Mrs. Dave Trousdale and Mr. Dan Wolford on the sick list this week. We hope for them a speedy recovery.

Rev. M. E. Gabard and Mr. C. B. Trousdale leave this week for Presbytery, which will meet at Oliver Hill, Hardin County.

The Death Angel has again visited our community and claimed for its victim Mr. Boyd Moore, who quietly passed away last Tuesday night near the mid-night hour, in his forty-sixth year. The funeral services were conducted at this place by Rev. M. E. Gabard; interment also at this place. A large concourse of friends and relatives were present to pay their last respects to one who, it is said, had not an enemy. We extend to the bereaved sisters our heartfelt sympathy, and may our heavenly Father sustain them in their lonely, sad hours.

It was this people's good fortune again to listen to a splendid lecture on last Thursday night by Rev. J. M. Hubbert, Dean of Cumberland University, Lebanon, Tenn., on "The Model Woman." A considerable audience greeted him, considering the unfavorable night. The young people of this community surely ought to appreciate such inspiring addresses, and profit thereby.

Mr. and Mrs. W. F. Woody, of Santa Fe, have visited in our midst since our last.

After three weeks of painful suffering with the dreaded disease typhoid fever, Mrs. Hellen Courtney's gentle spirit took its flight back to the God that gave

it, on last Saturday evening at sunset hour. In her death this community loses one of its truest and noblest christian ladies. She has been a faithful member of Hopewell church a number of years, ever discharging her every duty in church work. Her pastor, Rev. W. J. White, conducted the funeral services at the residence Sunday afternoon at 2 o'clock; interment at the Neelley burying ground. To the bereaved husband we extend our sympathy in this sad time, and, dear Papa, a host of friends join in sympathy to you. In your loneliness may the gentle Spirit that guided your beloved aunt guide you, and throw His protecting arms about you ever, causing heaven's sunlight to shine upon you.

Quite a number from this community are anticipating a trip to Summertown Saturday.

With best wishes to the HERALD, I remain, OREGON.

SOMETHING TO DEPEND ON.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, said that last winter his wife was attacked with influenza, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having seen Dr. King's New Discovery in store, and seeing lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it! Free trial bottles at Woldridge & Irvine's Drug Store, June 17.

WEST POINT.

WEST POINT, Sept. 18. It is better late than never, so we desire to express our sincere thanks to our kind editor for a most pleasant day at the Centennial.

Rev. D. T. Waynick, of your city, has been preaching some splendid sermons during the last week. The meeting closed Thursday night with five additions to the church and quite a revival of religion among the christians. He also organized a Christian Endeavor society.

Visitors at the home of "Zula" last week were: Rev. S. M. Gupton and wife; Mr. A. T. Vestal and wife; Mr. Timmons; Mrs. Linda Galloway; Mr. Matt Hight and wife; Mr. Santa Fe; Miss Cora Dawson, of Godwin, and Miss Lettie Martin, of West Nashville.

Miss Loren Harmon, of Theta, spent part of last week with Miss Hilda Walters.

Preparing ground for wheat and sowing turnip seed is the order of the day since the good rain Thursday night.

Rev. John Walters is on the sick list. Sorry "Marguerite," of Godwin, was unable to attend the reunion. Hope she will soon be her own bright self again.

Wonder why "Jim Dandy" doesn't wear a monocle? They say he enjoyed the reunion greatly.

We had the pleasure of attending the association at Santa Fe last week, and must say that the good people of that village deserve a great deal of praise for their hospitality on that occasion.

Rev. S. M. Gupton will begin a tent meeting near Carter's Creek Sunday, the 19th.

They say we will have a wedding to report when the leaves have ceased to fall.

We are enjoying the nice beef furnished by our club weekly.

We were sorry to hear of the death of Mr. Boyd Moore, of Bigbyville, and truly sympathize with the bereaved ones.

People of this community will begin making arrangements next week, and will have a "sweet time," of course.

With many good wishes for all, I am as ever the same, ZULA.

OLD PEOPLE.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whisky nor other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price 50c, and \$1.00 per bottle at Woldridge & Irvine's drug store. [5] June 17.

MT. PLEASANT.

MT. PLEASANT, Sept. 20.—The dry weather has been very favorable to the clover hulling business and the phosphate industry at this place. Messrs. Hunter & Ingram are given an opportunity to display their kindness to the people in our vicinity while the water is so scarce. This firm ships several hundred barrels of flour every day. They have afforded a market for wheat, as they have bought and stored ten or twelve thousand bushels in their elevator.

Our schools are well attended, and, although there are some cases of fever in the country, the pupils are remarkably healthy.

Prof. Buchanan is also up and well enough to be with his faculty teaching. Hay Long Seminary has received a handsome stone color of paint on the window and door frames, and a substantial flight of steps on the West side will be a great convenience on concert occasions.

Our town has three new brick store houses and an Odd Fellow Hall, completed in the last few days.

Hoping to hear oftener from Mt. Pleasant, I remain, most truly, SENEX.

The "Bicyclist's Best Friend" is a familiar name for DeWitt's Witch Hazel Ointment, always ready for emergency. While a specific for piles, it also instantly relieves and cures cuts, bruises, salt rheum, eczema and all affections of the skin. It never fails. A. B. Rains. 17

concourse of sorrowing relatives and friends to the Mt. Carmel Cemetery, where they were laid to rest to wait the resurrection. He leaves an aged father and mother and one brother to mourn his untimely death. We extend our sympathies to the bereaved ones in their hours of sadness, and bid them look to a higher life than this for comfort. The pall bearers were Messrs. Joe Lee, Jim Harris, E. E. Williams, J. S. Brown, E. P. Chapman, and J. B. Glenn. Little Miss Maud Jamison, who has been very sick for the past two weeks, we are glad to say is improving slowly.

Misses Hendley and Carpenter, of Columbia, after a very pleasant visit with Mr. and Mrs. S. J. Caperton, of this neighborhood, have returned to their home.

Sorghum making is going on in this vicinity now. The cane is turning out remarkably well, for it to be as dry as it has been, making about 75 or 80 gallons per acre. Mr. J. J. Overton is making as fine a sample as we ever saw; as clear as strained honey.

Joe Jones, an industrious, hard-working colored man of this community, had the misfortune of getting his house burned last Tuesday. Everything he had was destroyed. All the grown people were away from home, and the small children were playing with some matches and struck one and stuck it too near the straw-bed.

Etta Jenkins, a respectable colored woman of this vicinity, died last Saturday, the 18th, of consumption. Her funeral was attended by a large crowd of colored people, and a good number of white people. Etta had many friends among her color, and was well thought of by all the white people. She was buried at Spring Hill.

That suffer at their monthly periods they are a perfect delight. They correct all trouble of this character and overcome all weakness and debility peculiar to women. Women passing through the change of life find this just the remedy they need.

For irregular, suppressed or painful menstruation they are a perfect success and vastly superior to all of the so-called "regulators" and "female remedies" for all uterine and ovarian troubles.

MT. ZION AND THETA.

MT. ZION, Sept. 20.—Mrs. R. W. Oakley is very sick with malarial fever. Mrs. Nannie Dalton is very sick at this writing. Hope to be able to note her recovery soon.

It was with a sad and aching heart that we read the death of Elijah Parson. He was a noble young man. We truly sympathize with his father, mother and sisters in their sad bereavement. His death will be keenly felt, but "blessed are the pure in heart, for they shall see God." So let us try to meet Elijah in heaven.

Mrs. Mallinda Kinzer, our dear old great-grandmother, spent part of last week with us, much to the delight of your humble scribe and her family. We certainly enjoyed her visit. She is 81 years old and still enjoys horse-back rides.

Little Miss Bessie Goad is spending quite a while with her grandparents, Mr. and Mrs. M. T. White.

Messrs. D. L. Goad and M. T. White killed a large rattlesnake last Thursday near Theta.

Several from here attended the quarterly meeting at Pope's Chapel yesterday.

Mr. Bevelly Dodson and wife, of Kentucky, have returned home after a short visit to relatives here. SCHOOL GIRL.

Healthy, happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mother's health and strength depend the life and the future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well-being of both mother and child. Send 21 cents in 1-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 100 page "Common Sense Medical Adviser," profusely illustrated.

BROADVIEW.

BROADVIEW, Sept. 20.—Mr. Allen Harris, of this place, and Miss Belle Smith, of Stiversville, were married last Thursday evening at the home of the bride's father, Mr. Erwin Smith. Immediately after the ceremony they returned to the home of the groom's father, Mr. I. T. Harris, where a sumptuous supper awaited them. Mr. and Mrs. Harris have the best wishes of a large number of friends.

Prof. T. M. Hogan visited home-folks at Water Valley from Saturday until Monday.

Mr. Egbert Clark returned last week to the deaf and dumb school at Knoxville.

Mrs. Jim Hickman is spending several days with her mother, Mrs. Angeline London.

Superior Disc Press Drill

Is the only perfect seeding machine, from the fact that it has the only feed that cannot be clogged by strings, straw, or other foreign substance, consequently an even distribution of the seed is driven from both sides; has disc openers for making furrow for seed, insuring an even depth and proof against freezing. The rolling discs lessen the draft one-third; will sow in trashy ground where a drag drill will fail. It is the only machine with two separate and distinct feeds for wheat and oats, and is the only grain drill ever offered that will sow a stand of Burt oats; and has other points of superiority too numerous to mention.

John Deere Red Cross Steel Plows.

With Chilled Points, Steel Frog, and Double Shin. This is our second year handling this plow. We have tested it thoroughly and find it superior to anything ever sold in the Columbia market as to draft, quality of work, and will stand where others fail.

Dick's Famous Ensilage and Straw Cutter.

We carry in stock all the leading sizes of this well-known cutter, and will shortly add to our line the improved Dick cutter, with pneumatic elevator, something entirely new, novel and convenient.
