MT. PLEASANT.

An Interesting Batch of News From the Phosphate City.

MT. PLEASANT, Adl. 19.—The general topic of conversation here is war! war, although our enterprising citizens continue to build, and our phosphate mines are actively worked; heavy shipments of rock are leaving here daily.

A large audience assembled in the Methodist church Sunday morning and listened to an able discourse by the pastor, Rev. A. C. Couey. Services were not held in the Presbyterian church, owing to the absence of the pastor, Rev. J. N. Lyle at Presbytery in Pulaski. Judge Leon Frierson also attended as a representative from this church.

Messrs. Chas. and Rufus Jackson have commenced work on the old hotel lot here for the building of a two-story brick. The lower floor will be two business houses, while the upper floor will be fitted out for a newspaper office; and Rufus C. Jackson, our able and brilliant editor of the "Maury Courier," will begin the publication of a weekly newspaper as soon as his office can be completed.

Oznl Benderman is building a handsome two-story residence on North Depot street.

Robert Goodloe's two pretty and artistic dwellings on North Main street are nearing completion. Mr. Goodloe is building these houses for the purpose of renting. They are both convenient and desirable homes.

The 75th anniversary of the L. O. O. F. will be celebrated here the 26th inst. Several distinguished speakers are expected to be here.

Rev. L. A. Morgan, pastor of the Cumberland organization, and Rev. W. C. Radcliffe will attend the meeting of Richland Presbytery at Mt. Moriah, in Giles county, on the 22nd. Mrs. J. W. Jones and Miss Lante Benderman will also attend as delegates from the Missionary Society of this organization.

Mr. Nick Orr and Mrs. Lula McCuddy were united in marriage Wednesday afternoon at the home of the bride's brother, Mr. Geo. Killebrew. Among those here from a distance to attend the wedding were Mrs. J. B. Killebrew and Mrs. Jones, mother and sister of the bride.

future of this town, and he is dealing extensively in the phosphate industry.

Stewart & Irwin, contractors and builders, have recently built a spacious warehouse near the new depot; they now carry a full stock of sash, doors, blinds, mouldings, etc.

Quite an excitement prevailed on our streets a few minutes Sunday morning, caused by the running away of Mrs. John O. Hill's horse with her buggy, and her little 9-year old granddaughter in the buggy. Mrs. Hill had gotten out to open a gate at Mrs. Hildreth's, her sister, when the horse became suddenly frightened and dashed across the square, turning several corners and finally running against a stump near the hotel, turning the child out. She was picked up at once by Dr. Clark and carried to his office, and on examination, it was found she had received only a few bruises. The horse ran on some distance and became entangled in the harness and was caught; the buggy was completely demolished.

Capt. W. S. Jennings and sister, Mrs. Will Brooks, received a telegram Sunday announcing the death of their brother, Mr. James Jennings, at his home in Dallas county, Tex. Mr. Jennings formerly lived near here and has many friends throughout the county who will be grieved to hear of his death.

Sheriff Webb, accompanied by several of his deputies, was here Saturday night and captured twelve sons of Ham while they were busily engaged in a game of "craps." They were all carried to jail, leaving here Sunday morning at 1 o'clock.

Mr. John Fuller is very low with dropsy.

The farmers are planting over their corn that was killed by the recent cold spell. A great many of the early gardeners are wearing long faces, as all their early corn was laid low by frost. Wheat and clover are looking fine.

Thirty-five years make a generation. That is how long Adolph Fisher, of Zanesville, Ohio, suffered from piles. He was cured by using three boxes of DeWitt's Witch Hazel Salve. A. B. Rains.

CAMP BRANCH.

CAMP BRANCH, April 20.—After a few weeks absence from the HERALD, we will jot down what few items we have gathered.

The health of our community is very good, with the exception of Miss Parie Noles, who, we are sorry to say, is ill.

Owing to so much rain, the farmers of this place are not all through planting corn yet.

Mrs. Bettie Potts spent several days with Miss Alabutha Rail recently. Mr. R. J. Rail and family returned home with her and spent several days with relatives on Liepers and Lick Creeks.

Mrs. R. R. Kelsey, of Lynville, is visiting relatives at this place.

Mr. R. J. Rail had the misfortune to lose a fine colt last week.

Misses Dora Cooper, Jessie Roth, Alice Bond, Ida Hildreth, Irene Irwin and Jesse Bostick, left Monday afternoon for Culleoka to attend the Epworth League Convention. Mr. Anderson, of Howard Institute, will go Wednesday afternoon as another representative from this League.

Mrs. Joe Wintrich is recovering from a severe attack of la grippe.

Mrs. John Hildreth left Tuesday for an extended visit to her son, Will, who resides in Farmersville, Tex. She will also visit her son, Sid, in Marietta, Indian Territory, before returning home.

Mrs. Ada Nesbitt, of Nashville, is with her parents on Seminary avenue.

LEFTWICH.

LEFTWICH, April 17.—On the evening of April 10, after several days of pain and suffering, Mrs. Martha Jane Jackson closed her earthly pilgrimage of fifty years, and her spirit went back to God who gave it. Another tender, loving mother has gone to her promised reward in heaven. A home is bereft of its brightest light. Truly we can say, a fond and loving mother, a good and kind neighbor and an earnest and zealous christian is gone. She will be missed, not only by her children, but by the whole community. Yet she is not dead, but sleeps, and on the morning of the resurrection she will greet us all again. To the sorrowing children that are left so lonely, we would say, look upward, for the spirit of your dear mother will always be with you, though her body sleeps in the silent tomb.

Mr. and Mrs. W. T. Ardison, of Andrews, with their little children, Lela and Lily, spent Saturday and Sunday in our neighborhood.

Miss Ellen Jones, of Lasea, is visiting her sister, Mrs. Davidson Jones.

Mr. and Mrs. Joe Lamb visited Mrs. Lamb's mother at Verona last week, and was accompanied home by her sister, Miss Laura Reynolds.

Aunt Nanzie Gullet is dangerously ill at this writing.

Miss Lizzie Jackson is also on the sick list. MAUD and BLANCHE.

Garwood's Sarsaparilla—for the blood—guaranteed to cure. A. B. RAINS

WEST POINT.

WEST POINT, April 19.—Rev. W. T. Waynick of Columbia, preached for this people last Sabbath afternoon.

Rev. F. J. Tyler delivered an interesting lecture at this place since our last to quite a large audience. Subject, "God in History."

The heavy rain Monday night seems to have hindered the farmer more and most.

Glad to find that the fruit is not all killed by the recent cold wave.

Little chickens, mule colts and war talk, are the very latest subjects here now.

G. H. Fitzgerald sold to Mr. J. Thomas 45 fine hogs last week, to be delivered next Friday.

Messrs. King and Vaughn, two of Murfreesboro's gallant beaux, spent a part of last week in our midst.

Edd Fitzgerald has gone to Alabama to stay indefinitely, and we miss him most.

Mr. J. W. Busham is building a new yard fence, which will add considerably to the looks of his place when completed.

Miss Marie Good, who has been quite sick, we are glad to say is improving.

Mr. J. W. Busham is building a new yard fence, which will add considerably to the looks of his place when completed.

Seems to have been some time since we heard the HERALD's "Robin" warbling.

MR. JOY AND MACEDONIA.

Mr. Joy, April 20.—The white winged Angel of Death has again visited us, and claimed for its victims the sweet spirit of Emmett, the 4-month-old son of Mr. and Mrs. James Stinson, Jr., and his grateful mother, Mrs. Martha J. Stinson, wife of Mr. James Stinson, Sr.

Little Emmett breathed his last on the 11th, at 9 o'clock, and Mrs. Martha Stinson passed quietly away Sunday morning at 10 o'clock, her death being due to the dreaded disease, consumption.

The former was laid to rest at the Bailey burial-ground, and the remains of the latter were laid beneath the sod at the Hunter grave yard at Mt. Pleasant. We deeply sympathize with the bereaved family. Weep not, for your loved ones are away from pain and death, and are at home with their God and Saviour.

Miss Anna Lindsay is sick with chills.

We wish her a speedy recovery.

Our merchant, Mr. Newton McClain, has sold his store and dwelling house to Robert Bullock, but will continue to live here until July.

Our Sunday-school is progressing nicely. We have preaching every first and third Sunday by Brother Morgan, of Mt. Pleasant. He is a young preacher, but he handles the scripture with the knowledge of one with full understanding.

Mr. John Fuller is very low with dropsy.

The farmers are planting over their corn that was killed by the recent cold spell. A great many of the early gardeners are wearing long faces, as all their early corn was laid low by frost. Wheat and clover are looking fine.

SIMPLE MARY.

Thirty-five years make a generation. That is how long Adolph Fisher, of Zanesville, Ohio, suffered from piles. He was cured by using three boxes of DeWitt's Witch Hazel Salve. A. B. Rains.

Bro. E. S. B. Waldron will preach for the Beech Hill congregation the first Lord's Day in May. Bro. Murphy will also preach there the second Lord's Day in May. The people will meet there every Lord's Day this summer at 9 o'clock a. m. and Mrs. S. D. Morton will teach singing until 10 o'clock, when Sunday-school will be held. Bro. Nat Jones preached a very interesting discourse to a large and attentive audience here Sunday. Bro. A. Y. Derryberry, of Columbia, will preach for us the second Sunday in May.

Little Miss Lula Derryberry, who has been having chills, we are glad to note is better.

Bro. Jim Harris will preach at Sharp's Corner Sunday, the 24th.

Mrs. Ida Brown, of Old Berlin, was visiting relatives here recently.

Miss Mary Price was visiting her aunt, Mrs. J. D. Derryberry, recently.

With access to the HERALD and its family, we are, ROSE and NELL.

KETTLE MILLS.

KETTLE MILLS, Apr. 18.—Ernest Love, of the Nashville Bible School, preached at this place on the 2nd Sunday in the evening.

Otev Delk, son of Wm. Delk, Sr., died last Wednesday, after many months suffering with consumption, in the 19th year of his age. Funeral services were conducted by Revs. Brooks and Hull, and he was laid to rest by the side of his mother and brother in the family burying ground.

Ernest Lovell has moved to Hurricane Mills, Humphreys county. Wish him success in his new home.

Several fishermen from the Ashwood vicinity were camping and fishing at the dam last week.

Mrs. A. B. Cathy, of Isom, visited her daughter last week.

Mr. J. M. Delk, who has been on the sick list for some time, is improving.

Our neighbors in the Hickman hills, back of here, have been fighting fire for the past few days. We don't hear of anyone that is very anxious for sure enough fighting, however.

The frost king touched us lightly when he passed over, and spared our fruit and clover, but bit the early corn a good deal. HOPE.

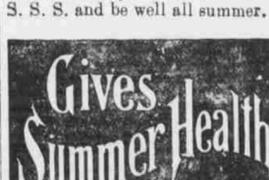

Spring Medicine

It is true wisdom for everybody to take a thorough course of Swift's Specific just at this season of the year. The blood is sluggish and impoverished, and the system is full of impurities which should be eliminated. In addition to thoroughly cleansing the blood, and toning up the system so as to avoid loss of appetite and a general run-down feeling in the spring, S. S. S. so strengthens and builds up as to fortify against the many forms of dangerous illness that abound during the hot summer season. It is a very small matter to take this precaution but it insures health and strength all summer. Swift's Specific

S.S.S. For the Blood

is far ahead of all other remedies for this purpose. It is a real blood remedy which promptly purifies the blood and thoroughly renovates the entire system, tones and strengthens the stomach, and renews the appetite. It is the only safe tonic, being purely vegetable, and the only blood remedy guaranteed to contain no arsenic, sulphur, mercury, potash or other mineral substance, which is of so much importance to all who know the injurious effects of these drugs. Nature should be assisted by nature's remedy, S. S. S. Take S. S. S. and be well all summer.
