ENON CREEK.

ENON CREEK, May 9.—Several months have elapsed since we have sent in any items to the HERALD from this community; here there is at our post again, hoping we have not been forgotten in your sanctum.

Rev. T. A. Hardin still occupies the pulpit at Port Royal every Sunday in the afternoon, giving to his hearers some of his good, practical sermons.

Wheat in this community is damaged to a considerable extent by the fly. Mr. E. P. Chapman, one of our most energetic farmers, has plowed up a portion of his crop, which was damaged badly.

The health of the community is very good, with the exception of bad colds and sore throats.

The school at Greenwood, taught by Mrs. Carrie Jameson, closed last Friday, May 6.

The young folks of this neighborhood had a moonlight fishing party at the beautiful pond of Mrs. Mattie Holland a few nights ago. We don't think there were many of the funny tribe pulled ashore, inasmuch as a number of the lads and lassies were fishing without baited hooks.

Mrs. M. J. Glenn, one of the oldest ladies in this community, while out in her yard a few days ago, fell and was badly injured, although not seriously hurt. Her bruises were very painful for several days.

Messrs. R. C. and J. B. Wells have sold their farms in this neighborhood to Mr. A. Forbs, of Mallard, for \$2,500.50. We learn that the Messrs. Wells have bought the Cowsett place at Neapolis for \$25. They will not move before September.

Mr. B. C. Wells was very sick several days last week, but is better at this writing.

Mr. John Overton and sister, Miss Beulah, after a pleasant visit to their sister, Mrs. R. P. Phelps, at Southport, have returned to their home here.

Miss Dora Lee, of Spring Hill, has been the guest of friends on Enon Creek for the past week.

Mr. E. P. Chapman, of this place, visited his sister, Mrs. E. B. Anderson, at Cole's Chapel, last week.

Miss Eula Epps has returned to her home at Harpeth, after a week's visit to her uncle and aunt, Mr. and Mrs. J. B. Wells, of this vicinity.

Mr. Bob Fleming, from near West Harpeth, was a visitor at the home of Mr. C. W. Wade, in this neighborhood, last week.

GYPSY BLAIR.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface of the system. It is used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surface of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

WATER VALLEY, May 8.—This beautiful Sunday afternoon we will jot down a few items for the HERALD.

Mr. Allen, of Santa Fe, gave the congregation at the Methodist church a fine Sunday-school address this morning, after which Rev. Keshman, of Timmons, preached a very fine sermon on "Unity." A large crowd listened to his scholarly discourse. We trust he will preach for us again soon.

MT. JOY AND MACEDONIA.

MT. JOY, May 9.—This beautiful Monday morning finds us again trying to write what few items we have gathered.

Brother Hight, of Lipscomb, favored this people with an excellent sermon Saturday night, and sacramental services were held Sunday evening at 3 o'clock. Our pastor, Bro. Morgan, was assisted by Rev. Ratcliff, of Mt. Pleasant. Bro. Hight also preached Sunday morning at Macedonia. We should all feel much better after hearing these such sermons as Bro. Hight and Bro. Morgan delivered, and may we all be able to live up to their teachings.

Our Sunday-school is getting along nicely, and why not? The older ones take the same interest that they seem to think the younger should. We think it would be so nice to have the fathers and mothers take the greater interest in our Sunday-school.

We are sorry to report Mr. John Fuller still very low with drowsy. His friends hope for him a speedy recovery.

Mrs. Florence Stinson is able to be up

after a severe spell of la grippe.

Miss Bettie Ledbetter has been suffering from an attack of the grip.

Mrs. Ann Williams, we are glad to report, was able to attend church Sunday. Three weeks ago she was visiting in Perry county and had the misfortune to fall from a porch and break her left arm and sprained her right hand.

Since our last communication Mr. J. M. Foster (the HERALD's "Joe") has been in our midst, working for the interest of the HERALD. We hope he secured the desired number of subscriptions for the "only" county paper.

A few words, please, to Amanda. Why don't you write often, for your letters are read with pleasure by one whose childhood's happy hours were spent at that dear old place, Caney Spring. How that name recalls to mind the faces of my dear school-mates, of whom, no doubt, have moved to distant haunts, and some are sleeping in the village burying ground.

The farmers are all busy getting their corn planted and replanted.

Will close by wishing all the HERALD's family health and prosperity.

I am as ever, SIMPLE MARY.

Garwood's Sarsaparilla—for the blood—guaranteed to cure. A. B. RAINS.

SOUTHPORT.

DARK'S MILL.

DARK'S MILL, May 8.—Death has again placed its icy hand upon the brow of one of our fairest and noblest christian women, Mrs. Maude Gooch, wife of Mr. Tom Gooch, of Knob Creek.

She was the daughter of Mr. and Mrs. George McKee; was born March 22, 1872, and died May 7, 1898. Maude has gone; her young life, so full of joy and hope, has been brought to a close. She was the idol of a fond mother and an affectionate husband, besides two sisters and one brother. She also leaves a sweet little babe just nine months old. May God comfort the sorely bereaved family in this, the greatest sorrow of their lives. We lose our friends, but heaven gains them; we mourn while they rejoice. Bro. W. Anderson preached the funeral services in Beech Grove Church, and, as she requested before her death, she was laid to rest in the garden at her father's home near Burwood, beneath a cedar tree, in the evening at 3 o'clock. Kind relatives, look to our Heavenly Father for his love and guidance, and all at last will be well.

Mrs. Lula Gordon and children, of Frierson, visited her mother, Mr. W. O. Gordon, last week.

Mrs. Charlie Irvine has been quite sick.

Bro. W. Anderson will preach here in the school-house the fourth Sunday in this month.

Anyway, they tried them all at one time in one skillet.

Children's Day will be observed at Lasting Hope the first Sunday in June.

Mr. Ernest Kittrell and his aunt, Mrs. Ross Jones, of Isom's Store, were in our midst last Sunday to pay the last tribute of respect to our beloved friend and neighbor, Mrs. Tom Gooch, who died at her home on Knob Creek last Saturday at 1 o'clock p. m. Deceased had pneumonia and had been sick only ten days, and her death was quite unexpected to those who so deeply mourn her loss. She leaves a mother, sisters and brothers, a husband and one little babe, to whom we extend our warmest sympathy. May God comfort the sorrowing ones in their sore affliction, is the prayer of SYLVIA.

Many were shocked and made sad when the news reached them of the deplorable death of Miss Pauline Dorset. Many hearts go out in sympathy for the bereaved ones, and were it in our power, we would lift the veil of sorrow, but God knows best, so we can only offer our sympathy and point them to Him who alone can heal the broken-hearted. May He bless them and lead them gently through this trying ordeal.

GODWIN.

GODWIN, May 10.—The unexpected and deplorable death of Mr. Henry Notgrass, which occurred at his home in Nashville on last Saturday night, caused from acute pneumonia, was a sad shock to this community. But "blessed are the dead which die in the Lord." This good christian gentleman formerly resided in this community, and possessed many near and dear ties here, and it is with sad hearts that the "parting farewell" is said. Mr. Notgrass, a brother of his, attended the burial on yesterday Monday.

WOMAN'S WORK.

An apt old adage declares that a woman's work is never done. This is true of the household duties and approximately true of the thousands who work all day in factories and stores and half the night in making and mending their own clothes or sewing for others to patch out a meagre income. Women who are too much on their feet, or who are unable to stand the strain of over-work and worry, are peculiarly susceptible to the weaknesses and irregularities that are the bane of womankind. The symptoms of such derangements are insufficient or excessive menstruation, headache, backache, neuralgia, leucorrhoea, displacements and extreme nervousness amounting in many cases to hysteria. The use of morphine is dangerous and examinations by male physicians are painful and unpleasant.

Bradfield's Female Regulator, the standard remedy for a quarter of a century, will speedily and permanently correct the worst disorders of women. Bradfield's Regulator is sold by druggists at one dollar a bottle. Interesting and valuable books for women mailed free on application.
