

THE MAURY COUNTY FAIR.

Old-Time Scenes at South Side Park.

AN INTERESTING BABY SHOW.

A Grand Display of Fireworks and Concert At Night—Premiums Awarded.

[From Wednesday's DAILY HERALD.] South Side Park bore something of an old-time aspect this morning at the opening of the Maury County Fair.

There are a number of attractions at the Fair this year, and one could not help having a good time.

The morning programme consisted of a ball-game between the Culleoka and Mt. Pleasant teams, the stock show, baby show, etc.

The Baby Show.

Nothing created more interest than the baby show. A lovely scene indeed was presented as the fond mothers, with their pretty, smiling babies, bedecked with frills and ribbons and laces, and looking as sweet and fresh as flowers, gathered at the east end of the grand stand to undergo the inspection of the judges.

The prizes were announced as follows: Best girl baby under two years old, fancy baby carriage, valued at \$10—Annie D. Richards, daughter Mr. and Mrs. Charles Richards of Columbia.

For the best baby boy under two years old, special premium by R. G. Irvine, \$10 in gold—Alvin Heimick of Lewisburg.

For the best sweetest baby under three years old, special premium by P. A. Hucksby, cash \$10—Lebbie Lovell, son of Mr. and Mrs. Albert Lovell, of Columbia. Mr. Lovell lives in South Columbia and works at the creamery.

For the best pair of twins under two years old, special premium by Lynch Perry, cash \$10—Theodore and Isabelle Vaughan, children of Mr. and Mrs. Lee Vaughan, of Columbia. Mr. Vaughan clerks for J. P. Street & Co.

Col. Brown's Speech.

After the prizes had been announced, Col. H. A. Brown, the Director, made the following appropriate speech:

"Ladies and Gentlemen—On the part of the Fair Association we would thank you for your presence here today, and say that we do not expect to make a penny out of the Fair. Our motive is entirely patriotic, and it is our purpose to re-establish the old social relations that used to exist among the people in this county, and to set up the old land marks; and to these children that have been awarded the prizes today, in the language of another we would say:

"God make thee better every day, children of dear hopes. For thee we crave what riches never bought, nor fame to mortal longing gave. We pray the sage's thought of old: God make thee beautiful within, and let thine eye the good in everything behold, save sin."

Premiums Awarded.

The following premiums were awarded this morning: Best Jack, any age, silver water set, valued at \$15—A. B. Harlan.

Best mule, any age or sex, silver tea set, valued at \$15—J. W. Harlan, of Hickman county.

Best pair mules, any age, handsome clock, valued at \$10—Same.

Best pony, any age or sex, premium, fine bridle by A. Samuels, valued at \$4—Master Henry McLemore.

Best surrey horse or mare, (appointments to be considered); special premium by Phillips & Buttorff Manufacturing Co. of Nashville, one new enterprise stove trimmed complete with full list of vessels; valued at \$25—A. F. Brown.

For the best brood mare with colts, special premium by Geo. Campbell Brown, season to McEwen, 2:18 1/4—Chaffin Bros.

[From Thursday's DAILY HERALD.]

A large crowd of delighted spectators witnessed the display of fireworks at the Fair Grounds last night. The management had spared no pains or expense on this feature of the Fair, and it was pronounced a brilliant success by everyone who saw it.

The display was even better than the fireworks at the Centennial, which charmed so many thousands. Many charming effects in light and color were introduced, consisting of rockets that ascended high into the air and burst into gorgeous displays of vari-colored stars; large beautiful eagle and U. S. shield; wheels, bombs, serpents, floral fountains, piccolo batteries, bouquet shells, rainbow and volcanic effects, flying doves, and wonderful and beautiful devices and magnesium effects, ending in a grand display that filled the spectators with wonder and admiration, and turned the darkness of night into dazzling brilliance.

Another display of fireworks and concert by the orchestra will take place tomorrow evening, beginning at 8 o'clock, when a new programme will be given. Another big crowd is expected on this occasion, as special trains will be run on the N. F., and S. and N. C. & St. L. roads, returning after the fireworks.

The crowd in attendance to-day was not so large as that of yesterday. One of

the most interesting features was the ball-game between Mt. Pleasant and Culleoka, the Mt. Pleasant men winning by a score of 5 to 4. Crews and Robertson were the battery for Culleoka, and Matthews and Marzema for Mt. Pleasant.

Culleoka Wins. The base ball game yesterday between the teams from Culleoka and Mt. Pleasant resulted in the defeat of the Mt. Pleasant team by a score of 10 to 6. The game was quite an interesting one.

The Tournament.

The tournament yesterday proved quite an interesting and enjoyable feature of the day. The first premium, a \$15 saddle, offered by Corbett & Henderson, was won by Frank Porter, "Knight of the Goldenrod," who made 18 rings out of 20. Matthews Gordon, "Knight of the Land we Love," made 17 rings and secured second prize, a handsome saddle blanket offered by A. Samuels. The other scores were—Jake Harlan, "Knight of Dixie," 15; Nimrod Porter, "Knight of Maury," 10; Frank Vaughan, "Knight of the Crescent," 10; Z. R. Roquemore, "Knight of the Lost Cause," 16.

Premiums Awarded.

Best jack and herd of five or more ponies with colts by side, premium \$10—J. L. Hutton.

Best stallion, 4 years old and over, \$10—J. E. Harrison, of Marshall county.

Best stallion, 1 year old and under 2, \$5—John Trotwood Moore.

Best stallion colt, \$5—J. E. Harrison.

Best mare, 4 years old and over, \$7.50—J. E. Harrison.

Best mare 3 years old and under 4, \$5—W. P. Moore.

Best mare, 2 years old and under 3, \$3—J. E. Harrison.

Yesterday's Races.

The first race was won by John C. Lane; second race, John Frierson; third race, Nick Hardy; fourth race, W. V. Wilson.

FAIR NOTES.

The man with the toy balloons and rubber "squealers" is in evidence on the grounds.

Mr. W. P. Woldridge was manager of the baby show. Which means that everybody received fair and courteous treatment.

The only reason why every baby didn't get a prize was because there were not enough prizes to go around. All were as sweet and pretty as could be, and each one deserved a premium.

The gentlemen who officiated as judges in the baby show were, Messrs. W. W. Ogilvie and Thomas Bowen, of Marshall county, and Bob Jackson, of Giles.

Prof. De Pierri, of Nashville, is here with the orchestra of the Conservatory of Music, which is furnishing music at the fair.

Deputy Sheriff Latta put a stop to several slot machines and other gambling devices yesterday at the Fair and made four arrests. Two of the men were fined \$5 and two \$2.50 before Esq. G. W. Hayes. The "houchee-couchee" dancers and other female performers have also proven objectionable to many, and the officers will make an attempt to stop them, also.

To-Day's Programme.

10:00 a. m., Base Ball. Horse Show Continued. 1:00 p. m., 2:25 Pace. 2:25 Trot. Running Pony Race. 8:00 p. m., Fireworks. Band Concert.

To-Day's Races.

Free-for-all pace. Entries—Lucy Hal, B. S. Thomas; Sam Golden. Jack Gohlston; Brookside, J. P. Abernathy; Wilkes Bell, S. P. Johnson. 2:25 Trot. Entries—Gallant Boy, B. W. Johnson; Kate, J. P. Abernathy; Obediah, S. P. Johnson; La-sie, L. B. Grady.

YOU KNOW WHAT YOU'RE TAKING When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No cure, no pay. 50c. oct-15

MOBBED IN LAKE COUNTY.

Negro Had Robbed and Assassinated a Peddler.

Special to the HERALD: TITTOVILLE, Oct. 4.—A negro named Williams was taken from the jail at this place at an early hour this morning by a mob and hanged. He had robbed and assassinated a peddler.

Dick's

Feed and Ensilage cutters, Shredders and Pneumatic Elevators if J. P. STREET & CO.

Wanted for Orders.

Dr. Patton, president of Princeton university, is more noted for the logic of his sermons than the wit of his speeches. But he can be humorous on occasion. In an after-dinner speech, discussing the advisability of advocating local prohibition in Princeton, he said: "Local prohibition would only create a market for corkscrews." Last summer he decided to shave off his side whiskers, which he had worn for many years. After shaving off the left side he went to his bedroom, where his wife was sitting, and said: "My dear, I have shaved one side. If you like it I'll shave the other."—Philadelphia Post.

Odd Chinese Policemen.

The policemen of Peking are armed chiefly with small drums, which they beat loudly in order, it is presumed, to let burglars know that they are coming. All night long the watchmen beat their way around the streets, and as a natural consequence are said to make few arrests.

Electric Traction in Mountains.

In Italy, eighty-three miles of steam railroad track are now being changed over to electric traction. On small lines running into the mountains electric traction is being even more used, and proposals for the construction of several hundred miles of such lines are under consideration.

OSTEOPATHIC DEPARTMENT.

BROWN GODWIN, Editor.

Godwin Osteopathic Infirmary. West Seventh street, opposite Methodist Church. In charge of Drs. Brown and Emma Godwin, Graduates of American School of Osteopathy, Kirksville, Mo.

TERMS OF TREATMENT: One treatment at office.....\$ 2.00 Office treatment per month..... 25.00 Home treatment per month..... 30.00 Payable when treatment commences.

To whom it may concern:—This certifies that Dr. Brown Godwin and wife, who lived for one year in Lebanon, Tenn., had a large and lucrative practice; that they gave hope to many despairing persons. They restored two invalids in my own family to perfect health. They didn't cure all, but I know of no invalid not borne down with age, that they did not relieve. They made some enemies; so did the Saviour.

Respectfully, B. M. MACR.

Just in Time.

Last spring my little girl, Willie Mai, was in a very low state of health, suffering with constant and severe headache. We called in one of the best M. D.'s, who treated her during spring and summer, but the treatment was not successful. The child grew worse daily, suffering with constipation and all of its attendant evils, having only three evacuations in as many weeks, and having hot flashes every hour with rush of blood to the heart. Her heart was so much involved as to cause fainting spells. I knew that if not speedily relieved she had not many days to live.

In the early days of September, with an aching heart I took her to Dr. Brown Godwin's Lebanon Infirmary for treatment. Although I feared I was too late I placed her under his care and carried her to the infirmary almost every day for two weeks before I saw any improvement. She was under treatment six weeks. Now she is as fair as a rose, bright as a May morning, blithe as a song bird and declares she will be, when older, an Osteopath.

We are indebted to Drs. Godwin for many courtesies while taking treatment under them.

MRS. T. M. EDWARDS.

Hip Trouble.

My boy, Clarence, returned to-day from your town, where he had spent six weeks under the treatment of Drs. Godwin. He has improved so much, I could hardly realize it in such a short time. I had consulted specialists at Cincinnati and Dayton, O. They agreed in only one, viz: circumcision. I followed medical instruction till January, 1899, I then carried him to one of the best physicians in North Alabama, who lives in Birmingham. He said he had curve of the spine and other complications and stated that he was incurable. However, he prescribed for him, which treatment he followed for a few months, but grew worse. Later I went to another specialist of Birmingham, who wanted to put him in a plaster of paris jacket (a bell on earth), and perhaps take out a portion of the spine. This I declined to do. Through an M. D. of Nashville, Tenn., I learned of Drs. Godwin. He and Dr. Godwin agreed that his trouble was a dislocated hip, curved spine and tilted pelvis. The M. D. said it would require six months to relieve his trouble. I had him brought home, only because I am to enter school in February to study Osteopathy. Results are entirely satisfactory to myself and friends.

ANDREW A. SPEEGLE, Cullman, Ala., Oct. 14, 1899.

Conclusion.

For a number of weeks I have been "running" an Osteopathic Department in the HERALD. Present arrangements end with this issue. I hope to have time to write something more for publication, but I will not be able to appear weekly. The material which has appeared in this department will be immediately put into book form and distributed, and thus continue the Osteopathic education. I have not tried to display literary ability. I have endeavored to show what Osteopathy is, what it is not, what representative people have to say about it, and a few testimonials of the many which might be adduced of those who have gladly testified as to benefits derived from Osteopathic treatment. If you wish one of these booklets, or wish any of your friends to have your friends to read it, we will cheerfully mail it if you will give me name and address.

Information desired not contained in this book will be cheerfully given, either orally or in writing. Come to see us. A hearty welcome awaits you. Respectfully, BROWN GODWIN, Columbia, Tenn.

DEATH'S HARVEST.

Mr. James Smiser.

The removal by death of Mr. James Smiser, from Culleoka, calls to his long home one heavy weighted with years, who had served his time and generation well, and who was now ripe in the sheaf and ready for the harvest.

Mr. Smiser was one of our old time gentlemen; courteous in manner, punctilious in the discharge of every honorable obligation, hospitable, open-hearted, generous and kind. He was a close observer, a great reader and deep thinker, and his well stored mind, even to extreme old age, furnished food for thought and delight to his hearers. In early life he was a farmer; later on a druggist, and in more recent years retired by age from the active duties of life.

But for half a century or more his name in the community where he lived and died has been the synonym for honesty, integrity, and cultured Christian manhood. The departure of such a man is a loss to his family and his friends, come when it may; but there is consolation in the thought that his stay was so long, and that his going was his gain, for he was weak and feeble, and age wore oppressively upon him for months before he died.

In religion he was a Presbyterian, and for years a ruling elder in his church. He leaves surviving him a wife and three children; namely, Dr. M. B. Smiser, Miss Sallie Smiser and Mr. James A. Smiser.

Mr. Smiser's death was the result of a stroke of paralysis which he sustained Tuesday of last week. He was in the eighty-first year of his age, and had been in feeble health for sometime.

The remains were laid to rest Saturday morning at 10 o'clock at the old Wilkes' camp ground, services being conducted by Revs. Morse and Walker. A large number of friends followed the remains to their burial place, attesting their love and esteem for the departed, their sympathy for the bereaved.

Capt. Geo. W. Smithson.

FRANKLIN, Tenn., Oct. 1.—Capt. Geo. W. Smithson died at his residence in Franklin, this morning, aged 65 years. He was the senior member of the firm of Smithson & Kennedy, merchants of Franklin. He was a gallant Confederate soldier, a successful business man and an affectionate father and husband and a good citizen and neighbor. His wife, who was a Miss Henderson, daughter of the late Dr. Samuel Henderson, died about one year ago. He leaves one son, Geo. W. Smithson, Jr., and three daughters, Misses Janie and Sallie Smithson and Mrs. N.-C. Perkins.

The sad funeral services of young Will Taylor, whose accidental death was reported Tuesday, were held at the residence of his mother, Mrs. Sam Taylor, on the Mt. Pleasant pike, Wednesday, being conducted by Rev. A. P. McFerrin, whose comforting words were tenderly spoken. A large procession of loving hearts and sympathizing friends followed the remains to their last resting place in Rose Hill Cemetery, and covered the mound with floral tokens of their esteem and affection, and the entire community sympathized profoundly and deeply with the heart broken mother. The following friends acted a pall-bearers: Matt Murray, Towler McClellan, Garrett Wells, Will Matthews, Swaney Campbell, Harlan Trantham, Otey Dockery and Ran Graves.

Ewell Cook.

Ewell, the one-year-old son of Mr. and Mrs. Frazier Cook, died Tuesday at noon, at the home of his parents south of the city on the Campbellville pike. The hearts of many friends go out in sympathy to the sorrowing parents in their bereavement. Prayer services were held at the residence Wednesday morning by Rev. J. F. Bosler, and the remains were taken to Prospect, in Giles county, for interment.

Mrs. W. J. Collier.

Mrs. W. J. Collier, wife of Rev. W. J. Collier, pastor of the Methodist Church in Franklin, died Saturday at that place. The bereaved husband and son, Mr. Will Collier, who is one of the bookkeepers in the Farmers' and Merchants' Bank of this city, have the sympathy of many friends in their bereavement.

Hamie Eakin.

Hamie Eakin, the fifteen-months-old son of Mr. and Mrs. W. J. Eakin, died Sunday night at the home of his parents in the Cross Bridges neighborhood. The interment took place Monday in the cemetery at that place.

How Are Your Kidneys?

Dr. Hobbs' Sarsaparilla cures all kidney ills. Sample free. Add. Sterling Remedy Co., Chicago or N. Y.

Ruskin's Grave.

According to the London Graphic, John Ruskin's grave at Conisota, at present bears but a single wreath of flowers, but it has been arranged to erect a fine rustic cross to his memory, and the work of designing this has been intrusted to his biographer, W. Collingwood. Mr. Collingwood has prepared a design which will allegorically illustrate the author's works. The cross, which is to be intrusted to a local sculptor, will be of stone indigenous to the district, this being Mr. Ruskin's wish.

Eclectic Schools.

Educational statistics state that there were six eclectic schools in the United States last year, with 147 instructors and 538 students. The schools are principally situated in Massachusetts. The Eclectics were ancient philosophers, who, without attaching themselves to any sect, chose what they judged good from each. The name was also applied to a Christian sect, who considered the doctrine of Plato conformable to the spirit of Christianity.

Ninety Per Cent Killed by Rife.

The rife is responsible for nearly 90 per cent of the killed and wounded in modern warfare. In the Franco-German war it was estimated that 6,969 Germans were killed by rife bullets, and only 965 by military fire.

THE LITTLE THINGS

in the materials and manufacture of any vehicle—be it for business or pleasure—decide its merit and value. Details—often a bolt, a screw or a brushful of paint or varnish—mark the difference between the good and the inferior. We look after the little as well as the greater things; hence the high quality of our output.

SATTERFIELD & DODSON.

THE DEMOCRATIC CLUBS.

The Two Days' Convention of the National Association of Democratic Clubs Begun.

The Attendance Hardly as Large as Anticipated—A Rumor Current that Senator Clark, of Montana, is to be Retired as Treasurer for Marcus Daly.

THE SESSIONS HELD AT INDIANAPOLIS.

Indianapolis, Ind., Oct. 4.—Delegates to the National Association of Democratic Clubs, which holds a two days' convention here, have not arrived in as large numbers as was anticipated. Up to noon less than a thousand delegates had registered. Among the most notable of those now here are Gov. Benton McMillin of Tennessee, Representative James Wesley Gaines, of Tennessee; Representatives James L. Slayden, of Texas, who is a member of the executive committee of the association; Judge G. W. Lambert, of Newark, N. J.; Thomas Gilloran, recording secretary of the New York association of democratic clubs; Augustus Thomas, of New York; Coroner Anthony Zucca, of New York; M. L. Lockwood, of Pennsylvania; James Hamilton Lewis, of Washington, and Attorney-General Smith of Nebraska.

Cockran Didn't Appear.

W. Bourke Cockran was expected, but did not come in.

The convention was called to order at two o'clock, and addresses of welcome were delivered by Mayor Taggart and President W. R. Hearst, of the association. Democratic National Committee Chairman James K. Jones delivered an extended address, followed by Mayor S. L. Jones of Toledo; James Hamilton Lewis, of Washington, and Gov. McMillin of Tennessee.

A Convention Rumor.

It is rumored that when the convention reaches the order of business calling for the election of officers, Senator W. A. Clark, of Montana, the present treasurer, and also a member of the executive committee, is to be retired as treasurer, and Marcus Daly elected to fill the vacancy.

Adlai E. Stevenson and his party are expected.

Night Parade and Addresses.

The day was mainly devoted to the reception of delegates, followed by a parade at night, after which addresses were made in Tomlinson hall. It is estimated the majority of the delegates will have arrived by midnight and Thursday, when Wm. J. Bryan will be here, will be the big day of the convention.

OUR CORRESPONDENTS.

(Continued from Third Page.)

WATER VALLEY.

WATER VALLEY, Sept. 30.—This calm and beautiful sabbath day, we will try to let down what few news items we have gathered for the HERALD.

Bro. Hatcher held a series of meetings at the Methodist church last week. He preached some very fine sermons and the church was greatly revived.

The farmers are very busy now, breaking their ground for wheat. There will be a large acreage sown.

Miss Lizzie Fleming of Bethel, spent last week with her sister, Mrs. J. P. Johnson, and attended the meeting at the Methodist church.

Mr. A. R. Roach has been indisposed for several days; we trust he may soon be well again.

Mr. Felix Jones is quite feeble at this writing.

Mrs. Bob Plig visited her daughter, Mrs. W. T. Harris, of Williamsport, one day last week.

Miss Sallie Hutcherson was the guest of relatives near Bethel, part of last week.

Mrs. Belle Johnson visited friends near Williamsport recently.

Mrs. J. P. Johnson and little Bertha May Johnson, have returned in mail on a pleasant visit with friends at Franklin.

Mrs. Mattie Moore of Williamsport, was visiting in our village last week. ORESTRA.

BEST FOR THE BOWELS.

No matter what ails you, headache to a cancer, you will never get well until your bowels are put right. Cascarets' nature, cure you without a gripe or pain, produce easy natural movements, costs you just 10 cents to start getting your health back. Cascarets Candy Cathartic, the genuine, put up in metal boxes, every tablet has C. C. C. stamped on it. Beware of imitations. 428

GOSHEN.

GOSHEN, Oct. 1.—As we have been absent from the columns of the HERALD for some time, we will again try and send in what few items we have gathered.

Sowing rye and making sorghum is the order of the day.

We are sorry to state that Mrs. R. R. Jarratt fell this morning and sprained her ankle very badly.

Mr. Frank Jarratt of Bakerville, Humphrey county, is visiting his father at this writing.

Miss Belle Gidcomb and Rebecca Waters have returned home after several weeks visit to the families of Mr. Sam and C. L. Gidcomb, of Bigbyville.

Mr. Hogan of Bigbyville, visited his daughter, Mrs. J. H. Blackburn last week. ELEANOR.

A Page of Castilian.

The Australian papers to hand give account of an unprecedented plague of cuttlefish that has been ravaging the fisheries and for a time entirely upsetting the fishing industry in North Australian waters. It is said that the creatures are swarming in such numbers that hundreds are brought up in a single haul of the nets. As the haul is drawn up they cling with their tentacles to the under side of the boat, and have to be disengaged with axes, so that large quantities of tackle have been destroyed and many boats injured.

Fairmount Park.

This vast and noble pleasure ground in Philadelphia, Pa., includes nearly 3,000 acres, and is generally conceded
