## BOB BLAKE, GREAT FOOT BALL PLAYER IN ROLE OF POLITICS

COMES TO COLUMBIA BOOM TOM TYNE FOR OFFICE OF GOVERNOR.

## SCENTS VICTORY IN THE AIR

Is as Optimistic About the Chances of His Candidate as William J. Bryan Used to Be About His Own Election—Many Friends Here.

Bob Blake, known in two continents as one of the greatest football players in America, winner of the Rhodes scholarship at Oxford, newspaper writer, lawyer and now a full fledged politician, was a visitor to Columbia today. He came in the interest of the candidacy of his friend, Hon. Thomas J. Tyne, of Nashville, who is a candidate for the gubernatorial nomination in the "harmony" primary.

Mr. Blake, as a politician, bids fair to be as great a success as Bob Blake as a football player. He can extract sunshine from moonbeams, and when it comes to discussing the chances of his choice he is as optimistic as William J. Bryan.

Asked about the chances of Mr. Tyne, Mr. Blake promptly replied, with real Roosevelt emphasis: "Fine. Could not be better. About the reception of his candidacy here. Why, I cannot complain. He is a winner; his boom is growing all the time. His candidacy is bound to appeal to the judgment of the average citizen who is not a blind follower of party and factional leaders but who thinks for himself. He is a candidate who wants to do some thing for the state. The people are tired of the time serving politician and they are looking for a leader of real ideas. Mr. Tyne is the ideal candidate. He can restore peace and amity in Tennessee and his election would do more for the development of the resources of the state than anything of which I can conceive. He will appeal to the patriotic citizenship of the state and he will be a winner. You can put that in your pipe and smoke it."

Mr. Blake has many friends and admirers here. He is a capital good fellow and while many of his friends think he is chasing a rainbow in this political campaign all give him a cordial greeting and agreed to take the candidacy of his candidate "under advisement."

## RIGSBY MAKES A GOOD CATCH

## ARRESTS A NEGRO ON FREIGHT TRAIN FROM THE BRENTWOOD SHOOTING.

Wednesday night Special Officer Rigby made a catch in connection with the shooting at Brentwood that may prove important, when he arrested Charlie Jackson, colored, on board of a freight train at the depot. Jackson was making his way South, and was arrested for making his way on a freight train. He claims that he knows the negro Johnson, who did the shooting, and says he helped to carry the wounded man to his home after the shooting.

Jackson is being held for the Davidson county officers and they have stated that they wanted him for a witness.

## A NEW MEMBER BOARD OF HEALTH

## GOV. HOOPER APPOINTED DR. GAMBLE TO THE VACANCY WEDNESDAY.

NASHVILLE, Feb. 22.—Gov. Hooper announced Wednesday night that he had appointed Dr. A. M. Gamble, of Maryville, Blount county, to succeed Dr. J. R. Rathmell, of Chattanooga, as a member of the state board of health. The Gov. received Dr. Rathmell's resignation Wednesday morning and filled the vacancy within twelve hours.

Dr. Gamble is a prominent physician of Maryville. He is a republican in politics. His commission will be forwarded to him today, which makes him a full fledged member of the board. Dr. Rathmell was appointed on the board only a few months ago by Gov. Hooper, and in resigning he pleads inability to attend the duties of the office on account of personal business relations in Chattanooga.

## CHAS. P. HATCHER CHOSEN PRESIDENT BY BERKSHIRE MEN

MEETING AT NASHVILLE A WELL ATTENDED AND ENTHUSIASTIC ONE.

## MAY ORGANIZE A COUNTY CLUB

Some Interest Being Manifested in a Local Organization—The Commissioner of Agriculture Pledges Hearthy Co-Operation.

At a meeting of the Tennessee Berkshire Breeders Association at the Tullane Hotel, Charles P. Hatcher, of Columbia, the well known attorney and Berkshire fancier was chosen president of the State organization. As this was Mr. Hatcher's first attendance it was quite a feather in his cap to run away with the chief honor of the occasion, and shows that he has been properly estimated.

There is not a more enthusiastic Berkshire breeder in the county or in the State as matters that, than Mr. Hatcher, and he is much interested in the organization of a Maury county Berkshire club. He feels assured that a dozen or more members could be secured among those who are directly interested in the advancement of registered stock in the county.

At the Nashville meeting Dr. Geo. R. White made a brief address on the diseases of swine, and urged the free use of cholera serum as a means of increasing the business of raising pure bred hogs.

Commissioner Peck was present and pledged the hearty support of the state agricultural department along all lines of live stock breeding.

The election of officers for 1912 resulted as follows:

C. P. Hatcher, Columbia, president; L. H. Gwathney, vice president and E. B. Tucker secretary and treasurer.

The following executive committee was elected: S. N. Warren, W. H. Carpenter, Dr. Bailey Bell and J. F. Hobbs.

The association adjourned until February, 1913.

## PRESENT OFFICERS OF CENTURY CLUB ARE AGAIN ELECTED

NO CHANGES IN THE OFFICIAL ROSTER FOR ANOTHER YEAR.

## EVERY MAN HIS OWN SUCCESSOR

Nominating Speeches Were Short But Espoke the Congeniality That Has Existed Throughout the Membership of the Organization.

W. M. Chaffin, president.  
R. G. Sparrow, first vice president.  
R. J. Harlan, second vice president.  
B. E. Regen, secretary-treasurer.  
U. H. Foster, E. E. McLemore, R. L. McKinney, W. A. Dale and W. M. Chaffin, directors.

The above is the list of officers chosen at the meeting of the Century Club Wednesday night, and each is his own successor.

This is the third time some of them have been chosen to serve in their present capacity, and is a tribute to their ability and painstaking care in the performance of the duties imposed upon them.

There was but little spirit in the elections, although there was considerable interest in who should be chosen. It being the settled opinion of a majority of those present that there should be no change if the incumbents could be prevailed upon to continue in charge. There was a fairly good attendance considering conditions, and there was much pleasure in the intercourse of the evening and the discussions that followed the elections.

The nominating speeches were short but manifested the congenial spirit that has prevailed throughout the membership since the organization of the institution of the club.

The membership of the club has grown to such an extent that it was thought best to raise the limit on the membership from one hundred and twenty-five to one hundred and fifty.

## MANY SIGN CALL FOR MASS MEETING ON NEXT MONDAY

INDICATIONS ARE THAT THERE WILL BE A LARGE ATTENDANCE.

## SEEK CHANGE IN PRIMARY RULES

Other Counties of the District Are Expected to Take Similar Action as the Protest Against the Present Plan is Widespread.

If the number who have signed the petitions for the meeting next Monday is an indication of the interest and attendance, the assembly of democrats of Maury county to protest against the action of the congressional committee will be a complete success. While very little effort to obtain signatures has been made, the petitions of calls have been signed by about 200 of the leading democrats of the county and people from all sections have expressed sympathy with the movement and have expressed an intention of being present.

No plans, so far as known, have been made for the meeting. It is a sort of spontaneous, people's affair and nothing will be cut and dried. It is easy, however, to forecast the tenor of the resolutions that will be adopted. They will be a protest against the unprecedented and undemocratic conduct of the committee in fixing an early date for the primary and in prescribing qualifications that are revolutionary.

It is the general impression that the committee will be slow to change its rules even if there is a manifest majority sentiment in the district for a modification of the plans. However, there are many who think otherwise and who express the idea that if the committee can be shown that the people are in revolt the change asked for will be made.

The protest against the action of the committee is by no means confined to Maury county. The same feeling exists in all of the counties of the district and meetings similar to that to be held Monday will doubtless be held in other counties. And it is also true that opposition to the primary plan is not confined to the ranks of the so-called independents, a large number of Patterson men being open in their condemnation of the action of the committee.

The meeting Monday will be called to order at 11 o'clock.

Hardy, Sims Ashley and Horace Rainey.
