PAY UP.

We have outstanding on our books a large amount which we need and which we ought to have without the asking.

LEWIS & LYON.

East Saginaw, Dec. 6, 1894.

"STILL HARPING."

It is one of the peculiarities of our peculiar neighbor of the Enterprise—and he has several, more or less unique and interesting—that he never "lets up" on a party whom he knows or imagines has done him an injustice.

The advent of Milo Blair into the Valley of the Saginaw was by no means considered a pleasing circumstance by neighbor Joslin.

No kindred welcome from him greeted the "pirate" journal, as he facetiously characterized the new organ of the interests of "God and humanity."

No magnanimous intimation of a desire to cultivate a spirit of generous rivalry, or rather emulation as to who could work most efficiently in promulgating the odorous doctrines of abolitionism which have brought our country to its present enviable state; only an ominous growl, a half muttered curse, and a deep seated hate which rankled and rankled in the benevolent bosom of its distinguished proprietor, and followed the luckless Milo in season and out of season, through evil and through good report, until that "galled slave laid down his broken chain," chosen a distinguished successor, imported for the occasion, and he, too, "played out," and finally the establishment fell into the hands of our staunch Democratic friend P. C. ANDER, Esq.—who, by the way, we cordially welcome to the green fields and golden harvests of newspaperdom—when he seemed for a time oblivious to the jarring incidents which for the past four years had so wrong his kind and generous heart.

But he "never can forget." He has an instinctive aversion even to the waters of Lethe; the occasion of a recent communication on the subject of Street Railways has afforded him an opportunity to renew his assaults on the ghost of the dear departed, its aiders and abettors in the flesh, and thus he relieves himself in his sprightly diurnal of Wednesday:

"It has been made to understand in a practical manner, within the past four years, that this is a free country, and that 'opposition' in any business is proper and legitimate! And we call the attention of the writer of the above to the fact that some of our citizens gave no heed to our complaints of unfairness when an opposition Republican paper was started in this county."

There is an ominous significance to that "some," which indicates to a certainty the line of suspicion on whom will fall the unspent phials of wrath, and that greater bore, the unmitigated, unamused harping of him "who never tires."

East Saginaw Railway.—The street cars have arrived, and will be running regularly in this city, on Washington street, from the F. & P. M. Railway Depot to Mason street, by Christmas day, or sooner. Fare, 5 cents.—Considering the late commencement and the unusually bad weather, the work on the line has been put through thus far with remarkable alacrity. Those of our citizens who are disposed to find fault with the more extensive than agreeable line of earth-works at present in existence, must bear in mind the fact that they will be altogether demolished as soon as a milder state of the weather permits the company to operate on them advantageously.

LIVELY OPPOSITION.—Gates & Co. are now running a line of first class omnibus sleighs between here and Saginaw City, in opposition to the Street Railway, carrying at reduced fare and making better time. This arrangement, we understand, they propose to continue during the sleighing season, and to run the route on wheels when the sleighing is gone.

SWINE MACHINES.—We call attention of persons wishing employment, to the advertisement of D. B. Herpington & Co., in our to-day's paper.

MASONIC.—At the regular communication of Saginaw Lodge No. 77, F. & A. M., held at Masonic Hall, in this city, Tuesday evening last, the following officers were elected for the ensuing year:

W. J. BARROW, W. M. MARK HOBSON, S. W. GEO. C. SANBORN, J. W. JOHN J. WHEELER, Treasurer. L. C. STUBBS, Secretary. GEO. C. WARREN, S. D. S. M. KEELER, J. D. E. HERPINGTON, Tyler. J. W. TOSI, I. M. SMITH, Stewards. W. L. WEBBER, Representative to Grand Lodge.

STAGE TO MIDLAND CITY.—A. W. Gates & Co. have put on a tri-weekly line of four horses coaches between here and Midland City, which route they propose to run regularly hereafter, changing it into a daily line as soon as the business will warrant.—Stages leave East Saginaw every Monday, Wednesday and Friday, at 9 A. M. and Midland City every Tuesday, Thursday and Saturday at 8 A. M. Geo. F. Ball, Midland City Hotel, is the Agent at Midland City.

NEW BOARDING HOUSE DODGE.—The latest invention for boarding houses is a style of plate having the nauseating phiz of Old Abe on the bottom, inside. The effect is so inexpressively sickening that an immense saving is effected to those who have the cheek to take this mean advantage of their victims.

CHOICE MEATS.—John N. Tholl, Genesee Street, a few doors East of Everett House, keeps on hand at all times, as heretofore, a full supply of the very best of meats, Poultry, Game &c., which he serves out in tempting cuts and at as low figures as any man in the business.

TRAINS TO AND FROM DETROIT, DIRECT.—We are informed that it is the design of the F. & P. M., Flint & Holly, and D. & M. Railways, to complete arrangements soon whereby trains will run directly through, without change of cars between Detroit and Saginaw, trains leaving each point morning and afternoon.

DRESS GOODS.—Livingston & Toms, are now receiving an elegant assortment of Ladies' Dress Goods of the very latest styles, as also an endless variety of Trimmings, Furnishing Goods, Hosiery, etc.

FIRST LECTURE OF THE COURSE.—REV. A. G. LATHROP of Newark, N. J., delivers the first Lecture of the Winter Course in this City, on Thursday evening next, Dec. 22, at Irving Hall. Subject—"The Land of Scott, the Scottish Border, its History and Song."

REMEMBER THAT THIS BITTERS IS NOT ALCOHOLIC. CONTAINS NO RUM OR WHISKY, AND CAN'T MAKE DRUNKARDS, BUT IS THE BEST TONIC in the World. READ WHO SAYS SO: From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pennington, N. J., formerly of the North Baptist Church, Philadelphia. I have known Hoffland's German Bitters for nearly a number of years. I have used them in my own family and have been pleased with their effects. I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in recommending them to all who are afflicted with the diseases for which they are recommended, and call the attention of those afflicted with these diseases to the fact that Hoffland's German Bitters is intended to be used as a preventive of "run-down." Yours truly, LEVI G. BECK. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Biography. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation in the best he can contribute to the benefit of others. I do this more readily in reference to Hoffland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were merely an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, under the guidance of the physician, has brought me to the beginning of the present year, as was followed by a most refreshing and restorative to a degree of bodily vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use them. J. NEWTON BROWN, Phila. From the Rev. J. H. Turner, Pastor of the 10th Baptist Church. Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as not of my province, I have in all cases declined; but with a clear proof in various instances, and particularly in my own, of the usefulness of Hoffland's German Bitters, I feel for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and reliable preparation. I once came off my feet, and, I think, I should not have been so severely afflicted as I was by any other sufferer from the above cause. Yours, very respectfully, J. H. TURNER. Dr. C. M. Jackson—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as an excellent medicine. It cures all cases of general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others. Yours truly, WARREN RANDOLPH, Germantown Pa. From Rev. J. H. Turner, Pastor of the 10th Baptist Church, Phila. Dr. Jackson—Dear Sir:—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. REMEMBER THAT THIS BITTERS IS NOT ALCOHOLIC. CONTAINS NO RUM OR WHISKY, AND CAN'T MAKE DRUNKARDS, BUT IS THE BEST TONIC in the World. READ WHO SAYS SO: From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pennington, N. J., formerly of the North Baptist Church, Philadelphia. I have known Hoffland's German Bitters for nearly a number of years. I have used them in my own family and have been pleased with their effects. I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in recommending them to all who are afflicted with the diseases for which they are recommended, and call the attention of those afflicted with these diseases to the fact that Hoffland's German Bitters is intended to be used as a preventive of "run-down." Yours truly, LEVI G. BECK. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Biography. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation in the best he can contribute to the benefit of others. I do this more readily in reference to Hoffland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were merely an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, under the guidance of the physician, has brought me to the beginning of the present year, as was followed by a most refreshing and restorative to a degree of bodily vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use them. J. NEWTON BROWN, Phila. From the Rev. J. H. Turner, Pastor of the 10th Baptist Church. Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as not of my province, I have in all cases declined; but with a clear proof in various instances, and particularly in my own, of the usefulness of Hoffland's German Bitters, I feel for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and reliable preparation. I once came off my feet, and, I think, I should not have been so severely afflicted as I was by any other sufferer from the above cause. Yours, very respectfully, J. H. TURNER. Dr. C. M. Jackson—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as an excellent medicine. It cures all cases of general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others. Yours truly, WARREN RANDOLPH, Germantown Pa. From Rev. J. H. Turner, Pastor of the 10th Baptist Church, Phila. Dr. Jackson—Dear Sir:—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in no case of general debility of the system is there a safer and more valuable remedy of which I have any knowledge. Yours, respectfully, J. H. TURNER. No. 72 N. 10th street. From the Rev. J. M. Lyons, formerly Pastor of the Columbus, (N. J.) and Killbuck, (Pa.) Baptist Churches, Germantown Pa. Dear Sir:—I feel it a pleasure to say of your own account to bear testimony to the excellence of the German Bitters. Some few years since, being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons afflicted by that tormenting disease, and have heard from them the most flattering testimonies as to their great value. In case of general debility, I believe it to be a tonic that cannot be surpassed. Respectfully yours, W. LYONS, Roxborough, Pa. From Rev. J. S.
