Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by FREEMAN BROS.

Pill Pleasure.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what pill pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effect. They do not grip, sicken or weaken, but pleasantly give tone and strength to the tissues and organs of the stomach, liver and bowels. Sold by FREEMAN BROS.

Deafness Cannot be Cured

by local applications, as then cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
