## ETHRIDGE

Metropolis of the Flatwoods---A  
Hustling, bustling Stirring City

Her Enterprising Merchants,  
all Combine to make a  
Thriving Little Town

Ethridge has a fine new depot in the place of the one burned down a few months ago. Ethridge is a thriving little town surrounded by the finest farming lands in the county hence it is enjoying prosperity. It has nice residence enterprising business men and its school and churches rival almost any in the county.

Much interest has been felt in a fine school building for Ethridge and it should be built. The community has a large number of children and they have always supported a fine school. Ethridge is one of the largest lumber shipping stations in the County.

Among the prominent merchants are Tom George, Locke and Henry, Blair & Wasson, and W. B. Kerr.

She has her attorney in the person of Hon. J. D. Burch, her doctors and preachers all. The town is well located and certainly will grow in keeping with the development of the County.

Her real estate men are enterprising hustlers and have done much to advertise to the world the resources of the County.

The farmers in the surrounding country are the most prosperous in the county and are progressive in their ideas of their pursuit.

The lands are occasionally selling but always at a fair price.

### King of all Cough Cures.

Mr. E. G. Case, a mail carrier of Canton Center, Conn., who has been in the U. S. Service for about sixteen years, says: "We have tried many cough medicines for croup, but Chamberlain's Cough Remedy is king of all and one to be relied upon every time. We also find it the best remedy for coughs and colds, giving certain results and leaving no bad after effects." For sale by Freemon Bros.

### Coughing spell Caused Death.

"Harry Duckwell, aged 25 years choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, Dec. 1st, 1901."

Ballard's Horehound Syrup would have saved him. 25c, 50c and \$1.00. Sold by Freemon Bros.

### To Teachers of Public schools

I hereby appoint Dec. 15 as Arbor day for the public schools of Lawrence county. I urge teachers to observe the day by planting trees and carrying out such programmes as may be practicable under the circumstances.

School grounds should be beautiful and in no way can this be done more efficiently than by planting trees.

L. B. White, County Supt.

### Remarkable Cure.

"I was much afflicted with sciatica," writes Ed C. Nud, Iowaville, Sedgwick Co., Kan., going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me.

I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm. 25c, 50c, and \$1.00. Sold by Freemon Bros.
