HOLT:—We are authorized to announce Virgil G. Holt, as a candidate for Circuit Court, Clerk of Lawrence County, Election in August.

McNEELY:—We are authorized to announce E. E. McNeely as a candidate for Register of Lawrence County, Election in August.

SMALLWOOD:—We are authorized to announce John T. Smallwood, as a candidate for Sheriff of Lawrence County, Election in August.

We are in receipt of the first issue of the Spring Hill Hustler published by T. Watson Batts formerly of the Adams Enterprise. The Hustler is a live, clean little newspaper, especially well edited and reflects credit on the town, which we hope give it the ample support it so richly merits.

It is being resorted in the State papers that Hon. E. E. Eslick, of Giles, is a probable candidate for Congress, against Congressman Padgett. If Mr. Eslick enters this race he will set a warm pace, it goes without saying, and man who beats him will know he has been in a race.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & Co., Toledo, Ohio. Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

Notice

All persons indebted to the Racket will please come in and settle by the 10th of this month. We need the money and must have it.

Fall River.

Dear Editor

Like Rip Van Winkle, I've been asleep not as long as you say, but I will recognize my friends and a few old-time folks I met the other day called me Cap'n so you see I've been recognized too. As I'm a stranger to some of your readers will give a description of myself so that they may know me.

I'm long and lean, good and kind, freckled face, a comb on my foot, and mother says I was as full pretty when I was a baby. Well, for another trip up Crowson now trying to get fat.

Wheat looks fine and will do to harvest this week.

The farmers are cutting clover, sowing peas and millet, setting out sweet potato plants, and buying cantaloupes, cultivating corn, feeding the pigs, and watching things grow. Their wives are kept busy cooking the meals, washing the kids, milking the cows, whipping the kids, cleaning house and looking sweet.

Fleetwing is not lazy, but like my self was born tired and never got rested.

Sly Coon I find a good many others of the same opinion concerning the Editor's trouble as you Sugar Creek folks, and I want to assure you Mr. Editor that you have not lost any friend but by your charitable toward your enemies you have gained many. I am a friend to all parties, but am for the right in all things and would be glad to see the matter amicably adjusted. Have we trials and temptations, is there trouble any where? We should never be discouraged. Take it to the Lord in prayer.

Mrs. J. C. Kitchen, Mr. and Mrs. Ludwig, Mrs. Harper and Mr. Penna has been on the sick list, but are all improving.

Mr and Mrs Earl Calton of Kansas are visiting friends and relatives on the head of the creek.

Our friend Harper lost one of his mules recently. A friend told me that Archie had quit the Stave and lumber business and had gone to Philizozo.

E. W. Crews Esq. has just returned from a business trip to Ohio.

Gus Ludwig's cows have all turned to smiles since he married our friend, Miss Elijah Swain of Bowling Green Ky. I see they are remodeling Crowson school house and they will reseat with modern goods.

There is to be a strawberry and ice cream supper at Will Gaunt's to-night. Children's day service at Deerfield tomorrow, so I think I shall stay a few day long. So Mr Editor you must watch Charley Finkle, Lewis Lawrence, Will Bippy and the rest of the little boy and keep them out of trouble until I get back. Your Friend, Capt. Bill

DON'T!!!

Don't let your child suffer with that cough when you can cure it with Ballard's Horehound Syrup, a sure cure for Coughs, Bronchitis, Influenza, Croup and Pulmonary Diseases. Buy a bottle and try it. Sold by Crowder Bros.

B. B. Laughter, Blythe, Miss writes: "I have two children who had croup. I tried many different remedies but I must say your Horehound Syrup is the best Croup and Cough medicine I ever used."

Mt Nebo

The health of our community is fairly good just now.

There are some few having chills, Mrs. Mable Sue Springer has been find enough to have chills in stead of Bad her husband, she was quite sick last week but is much better.

Mrs. Ella Gabel is in poor health, and Rufus is not much better.

Mrs. N. L. Hale is in better health now.

Mrs. E. E. McLaren is visiting relatives near and also in St. Joseph this week.

The wheat and oat crops are the best we have had in this district for a number of years.

Mr. Rob. Belew and Dan Liles cut their wheat Saturday.

W. T. Hale and the Springer boys cut Hale's wheat Saturday, but the other crops which belong to the Springer's boys is hardly ripe.

Mr. Fate Adkinson and Mr. Will Brewer are cutting their wheat to day and the wheat is real good.

Mr. W. S. Bryan has a nice little farm near Mr. Bill Willis and Jackson, those men out there in the barren are not to be laughed at, if you could see the old corn that they have in their crib, how sound it is and how large, you would want you a barren farm too their wheat and oats are not surpassed in the whole Country.

Mr. J. R. Pullen is not a step behind.

Sour Stomach

No appetite, loss of strength, nervousness, headaches, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membrane lining the stomach.

Mr. S. S. Hall, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

he has been cutting his wheat and was almost sick Sunday. Possibly from getting too hot.

The apple and peach crop are as fine as can be.

Mt Nebo Sunday School is just as progressive as it people, things are really promising out there now, nothing is more helpful in a community than a good wide-wake Sunday School, some of the old folks stay at home on Sunday and send their children to the Sunday School, but it is much better parents, to come and bring your children, you should lead your children and not drive them. Most of the old folks at Mt Nebo I am glad to say come and bring their children.

There are three things that speak well of any neighborhood. First a Church and a good Sunday School. Second a good day school. Third good roads.

There was preaching at Mt Nebo Sunday, Bro. Cherry preached a most interesting sermon at Wayland Springs last Sunday evening, he used as a text or topic the parable of the tares. No man is to be pited as much as the man with out any thing to do. When a man or woman gets out of a job they are in a bad fix, evil is always the result of such. Satan comes up behind you at first when you are at work but as soon as you are out of a job he meet you face to face and smile to see you yield.

No mining spring is stagnant only standing ponds, the 20th century needs laboring men, men who will do as honest days work, men who are as true as steel, men who have convictions and are not afraid to make them known, men who will not slip around and do things on the sly, men in whom there is no deceit, men of character, men of God.

A HAPPY MOTHER

Will see that her baby is properly cared for—to do this a good purgative is necessary. Many babies suffer from worms and their mothers don't know it, if your baby is feverish and doesn't sleep at night it is troubled with worms. White's Cream Vermifuge will clean out these worms in a mild pleasant way. Once tried always used.

HOW TO BREAK UP A COLD.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. is a common and distressing complaint. It is Nature's way of protesting against improper food hastily devoured, or too heavy meals, and if the warning is unheeded serious results will follow.

When your stomach rebels at this abuse, it becomes inactive, your food ferments, gases form, and there is trouble ahead. The quickest, safest and surest way to conquer this condition and prevent its return is to immediately commence the use of

Dr. Caldwell's Syrup Pepsin

This great remedy will instantly put things in order. It is just what your stomach needs. One trial of this wonderful preparation will convince you that our claims are founded on truth and upheld by experience. Dr. Caldwell's Syrup Pepsin can be obtained in both dollar and half-dollar sizes from all druggists. Your money will be refunded if it does not benefit you.
