ITAWAMBA AND PONTOTOC

DEAR EDITOR AND READERS:—As I very seldom see any news from Mississippi in the dear old Democrat I will try to send in a few more items.

Health is very good here with the exception of chills. There are a good many chills in this section of the county.

Mr. Allen Littrell has been having chills but is reported much better this week.

Crops are looking fine since we had a nice rain, all the farmers are looking all right now over this rain.

There has been meeting going on here two weeks but will close Tuesday. We added ten more to our Methodist church.

Pontotoc visited Mantachie Sunday. Itawamba attended both church services Sunday morning and afternoon.

Mr. John Littrell will leave Guntown Saturday night to make his home in Tennessee again. We regret his departure very much.

There was a baptizing at the Howerton pond Sunday at 2 P. M. all present reported a nice time.

Baptist meeting will begin here Sunday at 11 A. M. It was postponed on account of the Methodist meeting at this place.

The Tennessee people are all going to visit home folks in Tennessee in August.

Bro. Landers will conduct the meeting at the Baptist Church.

There are a good many people who say Mississippi is not healthy but it seems to me there is not as much sickness here as we hear of in other states.

Itawamba joined the Baptist Sunday School Sunday and certainly is pleased with it.

Blue Bells of St. Joseph, I like your pieces fine.

I will close wishing success to the Democrat and its many readers.

GRIP-IT. The cold-cure that does the work in 8 hours, and will not make you sick. Try it.

Tenth District Democratic Convention

Pursuant to call of the Democratic Executive Committeeman of the 10th District, the Democrats of said district met at J. E. Cunningham's Hall Monday at 7:30 P. M. The Convention was called to order by Committeeman A. M. Oehman, who briefly stated that the purpose of this meeting of Democrats was to consider the advisability of nominating candidates for the various offices of the district such as school directors, constable, assessor and magistrates. He announced further that the first thing in order was the selection of a permanent chairman. The name of A. M. Oehman was presented by Jno. W. Howard and the name of F. W. Gospiil was presented by J. D. Burch who said that he thought a tilt for permanent chairmanship would be interesting. Mr. Howard was called to the chair by Oehman and presided temporarily. A vote was taken and results in the selection of F. W. Gospiil by one vote. Oehman expressed his satisfaction at the selection of Gospiil as chairman and said he was delighted to be free to take part in the discussions. After a quite lengthy discussion which was proved very interesting it was decided to nominate a full ticket and the result was as follows:

For Justice of Peace—S. T. Hays and Jno. W. Howard.

For School Directors—James Chapman, S. A. Massey and D. Chamberlain.

For Constable—T. T. Williamson.

For Assessor—J. E. Cunningham.

Encouraging talks were made by Oehman, Burch and Will Chambers. The attendance was large and enthusiastic and absolute harmony prevailed. There has been much satisfaction expressed by both Democrats and Republicans, of the selection of the Democratic ticket. All are clean, lighted gentlemen and both Democrats and Republicans can vote for them with much grace and satisfaction.

Fishing at Quercus

One of the jolliest fishing crews that ever crossed the pike spent several days at Quercus, near the Lewis County line, the past week, fishing and jollifying. Those who took part in this feast, the feast of all fish feasts, were the following: S. H. Massey, A. M. Oehman, John T. Buchanan, Goleman West, Joe Massey, Sam Buchanan, Frank Smith, Ernest Hickman, Oscar and Cleave Massey, Ed Smith and Tom Locke. They were joined by several of the local fishermen of Quercus, and succeeded in landing quite a number of fine fish weighing nearly, if not quite, 150 lbs. The fish fries were conducted by Mrs. Gay and Mrs. Vorhus and from the way fried fish were slaughtered they were fried exactly to suit everybody's taste. It was a great fish feast and all enjoyed themselves immensely. The doors of Quercus were thrown wide open and the town belonged to the fishermen nearly three days. All went away with a smile, and with the hope that it would soon be repeated. The great hospitality and generosity of the Quercus people can't be questioned and the fishing crowd were extremely grateful to their many friends for the kindness and hospitality with which they were treated.

His Philosophy

"I yeah tell, fum the specifications of the Cuhnels and Majues and-Jedges, dissembles down at the postoffice," was ruminatingly remarked square-headed old Brother Quackenbuss, "dal de hon'able gen'lemen in the Senate and de House or de County Court streeny-ny objects to bein' stigmatized as 'grafters.' Umph-yas! Is noticed dat de blacker a nigger is de mo' volcanically he disrupts at bein' called a nigger; but it's also took note dat it don't exculpate him fum bein' a nigger dess de same!"—**WATSON'S MAGAZINE.**

APPEAL TO THE DEMOCRATS OF LAWRENCE COUNTY.

I am not asking for office, but I am asking the Democrats of this County to remember that the success of our party depends solely upon our attendance at the election next Thursday, and this is no time to listen at electioneering yarns, go to the polls and vote the straight ticket. I see a circular in this District published and put out denouncing Democratic Ring Rule. Now, there is nothing in this to frighten us, they only wish to remove one ring to put in another, and reform matters in this County. Just stop right here. I think the Republicans have had the power in this County almost continuously ever since the civil war. Have they reformed matters in this Government? Not but very little until during the last session of congress they attempted to adopt some of the most important measures that have always been indorsed by the Democratic party of this Government, and since they are not looking for any large donations from the Standard Oil Company or Equitable Life Insurance Company. They have called on every Republican in the whole country to donate the sum of one dollar to the campaign fund. We are progressive enough in this State and County under Democratic rules. So let's roll up our sleeves Thursday and do our duty and we will be crowned with success.

Respectfully,
DEMOCRAT.

Non-Resident Notice.
