

TENNESSEE NEWS.

A paper has been started in Chattanooga called the Daily Lookout.

Mr. James M. Sturges, a prominent citizen of Kingston, Roane county, died last week.

"BUCHUPAIBA."—Quick, complete cure, all annoying Kidney, Bladder and Urinary Diseases.

Mr. D. M. Coffman has retired from the editorial chair of the Roane County Republican.

The new corn being sold in the Chattanooga market, dealers say is the finest ever offered for sale. The price is about 45 cents.

Nashville has a real Duke in the person of Piere Du Pont, a Frenchman, whose papers of nobility were destroyed during the late Franco-Prussian war.

SKINNY MEN.—"Wells' Health Renewer" restores health and vigor, cures Dyspepsia, Impotence, Sexual Debility.

There is no certain trace yet of the Taylor's but there are many rumours of their being seen in different districts. The general idea points to Fentress and Overton counties.

During next May at Nashville there is to be a grand competitive military drill. The sum of \$8,250 will be paid in prizes for the best drilled military companies of the United States.

"ROUGH ON RATS"—Clears out rats, mice, roaches, flies, ants, bed-bugs, skunks, chipmunks, gophers. 15c. Druggists.

Two freight trains on the Memphis and Charleston line collided on the 20th inst., ditching twenty cars. One brakeman had nearly every bone in his body broken, and another man was seriously injured.

The Rev. G. S. W. Crawford, the state Supt. Public Instruction says "there is no reason for revoking Dr. Deak's injunction that all children must be vaccinated before admission to the public schools."

A great deal of tanbark is now being hauled from Lone Mountain and Walden's Ridge to points on the Cincinnati Southern. Its shipment is putting a great deal of money in circulation among country laborers.—Chattanooga Tradesman.

"Too late to whet the sword when the trumpet sounds to draw it." But never too late to whet your appetite by taking Kidney-Wort, restoring health, and making yourself a well, strong, hearty man. It is unequalled as a remedy for all liver, bowels and kidney diseases. All druggists keep and recommend it.

Nashville is growing faster than any city in the country. It looks like a place developed by magic. The streets are lumbered with materials, and on every block new buildings are in all stages of erection. Manufacturing enterprises of all kinds are on foot and mechanics are moving on to the city by scores. It is a great boom, and one that the Rocky City seems to appreciate.—Chattanooga Tradesman.

"The woman who seeks relief from pain by the free use of alcoholic stimulants and narcotic drugs, finds what she seeks only so far as sensibility is destroyed or temporarily suspended. No cure was ever wrought by such means and the longer they are employed the more helpless the case becomes. Leave chloral, morphia and belladonna alone and use Mrs. Pinkham's Vegetable Compound.

General Manager John Scott, of the Cincinnati Southern, confirms the following. The excerpt is from the Chattanooga Times: "Geo. Maloney, a former hostler on the Cincinnati Southern railway, at present in jail for shooting Connally, wrote a letter to an engineer on the Cincinnati Southern Railway, in which he stated in substance that he was in John Taylor's confidence. While the latter was in jail he told him that when he regained his liberty he intended to rob the Cincinnati Southern express train. In his letter Maloney advised his friend to be on his guard. The officials of the road were immediately informed of the plot, and will doubtless take the proper steps to prevent its consummation.

THE TABLE LANDS OF THE CUMBERLAND MOUNTAINS.

Cheap Lands, Magnificent Climate, Good Soil, Good Water, Good Markets.

We are now sub-dividing 10,000 acres in Fentress County, into 100-acre lots. This land is situated on either side of the road leading from Sedgemoor station (on the Cincinnati Southern R.R.) to Jamestown, and commences about 4 miles west of Rugby. It is beautifully located, and its capabilities for farming purposes, stock raising, and fruit and vegetable raising, are undoubted. In order to give the first settlers a fair chance, we offer these lands, for the present, at the extremely low price of \$3 per acre; quarter down, and the balance on time, with 6 per cent. annual interest. We also give to parties purchasing the option for two years for as much land as they may purchase, at the same price, by paying taxes and interest. As the value of land increases with settlement, it is safe to say that at the end of the two years the reserved land, if sold by the purchaser, will net enough profit to pay for the original purchase.

Mr. WILLIAM ROBINSON, whose farm makes connection with the 5:35 p.m. train from Cincinnati at Sedgemoor station, will take parties to the land at reasonable rates, and who will also be able to give all information regarding the same. Mr. J. N. CLARKE, of Rugby, and Mr. CYRUS CLARKE, of Jamestown, will be pleased to give all information regarding larger tracts for lumbering, mining, or for obtaining bark.

A circular descriptive of the above lands, containing a map of the United States, a map of Tennessee, and a plot of the land can be had on application to
