### Eighteenth Annual Re-union.

The eighteenth annual re-union of Company E 3d Vermont Veteran association was held in the form of a picnic party at Camp Bacon, Lake Elmwood, last Wednesday, June 17. About one hundred were present, including invited guests. Ten of the old company boys were present. At 12 o'clock the ladies of the association furnished a bountiful spread for the comrades and their families, about 50 partaking of the dinner. Everything was done to make the day a pleasant one and after the business meeting the remainder of the time was taken up with boat riding, fishing, etc. After the business meeting was called to order the secretary's report of the last re-union held in Wokcott, June 19, 1902, with comrade Whitney and the W. R. C. was listened to and the report accepted. The following officers were elected for the year ensuing:—President, L. L. Camp, re-elected for the fifth year; Senior Vice Pres., C. Davis; Junior Vice Pres., A. L. Champeau; Sec. and Treas., Mrs. A. L. Champeau, re-elected for the fifth year, Chaplain, W. S. Downey; executive committee, C. Bugbee, A. L. Champeau, Mrs. C. ### Base Ball.

Baseball in Morrisville is assured for the season and a team was organized last Wednesday night, with "Billy" Tillotson Captain and Dr. George T. Stevenson Manager.

It is proposed to put a first class team into the field, one which base ball enthusiasts will feel like giving good support and it is up to the Morrisville people to do their part in attending the games and giving every encouragement to the project. It is the opinion of business men in other towns that a baseball team properly managed is a good advertisement to their towns. There is no better town in Northern Vermont of its size than Morrisville to support a first-class ball team. With proper patronage the boys should pay expenses this year and have money in the treasury at the end of the season. Many of the old players will be in the game again and it is expected that Parker and Miner will be the battery.

The degree work was very creditably done and the moving tableaux were fine. On the whole it was a very enjoyable time and every one was glad that they were Stars. To our visitors we say come again and more of you. Mrs. Lillian C. Chase of East Fletcher Associate Grand Conductress was with us and lent much to the enjoyment of all by her pleasant ways. She was received with grand honor. Dr. J. A. Robinson, who has again received the appointment of District Deputy Grand Patron, being so bashful, declined to be received in due form. The spread given by the ladies of the Chapter was of the usual high order they are noted for.

The lightning entered the large barn of J. T. Jewett last Friday p. m. silencing two ratters to kindling, splitting two more, two posts, one beam, taking a corner board clean from the outside, silencing little places all about, both outside and inside, and then passed into the stable and tore off and splintered the casing from a door, hurling silvers and iron some distance. The hired man and little Willard Jewett both stood within four feet of the door, waiting for the rain to cease pouring and were entirely uninjured.
