Talbot on the south. Conditioned for the payment of thirteen hundred dollars bearing date Dec. 30, 1878, signed by said Willard H. Emnis and payable to said Ambler or bearer at Stowe aforesaid with interest annually from and after March 1st, 1879. Five of said notes were for the sum of one hundred dollars each, payable on or before March 1st of the years 1881, '82, '83, '84, '85, respectively; eight of said notes are for the sum of two hundred dollars each payable on or before March 1st of the years 1886, '87, '88, '89, '90, '91 and '92 respectively. Your petitioner further shows that a part of said notes and a large amount of interest is justly due and owing. Your petitioner further shows that on the 15th day of April, A. D. 1879, said O. M. Ambler transferred to said George Wilkins said notes and mortgage hereon described and that said Wilkins was at the time of his decease the legal owner and holder of said notes and mortgage. And further setting forth that Frank B. Westgate of Somerville, Mass., John A. Emnis of Marshfield, Vt., and Will J. Camley of Stowe, Vt., claim some interest in the mortgaged premises as your grantor is informed and are made parties defendant. And further setting forth that the premises are inadequate security for the debt and that a short day of redemption will be asked and that notice is hereby given that testimony will be taken at the office of the County Clerk in Hyde Park, Vt., on the 28th day of November, A. D. 1903, at 10 o'clock A. M., before S. B. Waite, Master in Chancery, to be used in connection with and in support of said motion. Wherefore the Petitioner prays that the equity of redemption of the said F. B. Westgate, John A. Emnis and Will J. Camley be foreclosed and a short day of redemption be granted in the premises agreeably to law. And it being made to appear that the said F. B. Westgate is without this State, so that a citation cannot be served upon him. Therefore, it is ordered that notice of the pendency of said Petition for Foreclosure be given him by publication of the substance thereof, together with this order, in the News and Citizen, a newspaper published at Morrisville and Hyde Park, in the County of Lamoille, three weeks successively, the last of which publications to be at least twenty days prior to the first day of the next term of Lamoille County Court, to be held at Hyde Park, in the County of Lamoille, on the 1st day of December, A. D. 1903, at which time the said F. B. Westgate is ordered to appear, and show cause, if any he has, why the prayer of said petition should not be granted. Given under my hand at Hyde Park, in the County of Lamoille, this 12th day of October, A. D. 1903. S. B. WAITE, Deputy Clerk. R. W. HULBURD, Solicitor.

AT THE EARLE DRY GOODS STORE. THE FUR OUTLOOK. It is positively conceded by prominent buyers, fashion experts and the trade in general, that furs are to take the lead in department sales. With such a prospect, our liberal purchasing is fully justified. Our unusually heavy stock of furs is absolutely in the lead, but we advise early buying to secure the present low prices, as none of this stock can be duplicated at the prices for which they were bought. LADIES UNDERWEAR. A whole truck-load of the warm, fleecy underwear, for which this store is famous, arrived last Monday. This stock was bought in June before the marked advance in cotton, so we are well protected with the best in the market at regular prices. All sizes. GEORGE F. EARLE, MORRISVILLE.
