### Penny Savings Bank Opened

The People's Penny Savings Bank, organized under the direction of Rev. C. C. St. Clare of the Congregational church, the object and working principles of which were given in our last issue, started business Monday morning and is now well under way, with prospects of a patronage on the start, much larger than was anticipated by the promoters. The headquarters of the new institution are at the H. P. Munson store and L. M. Munson is the cashier. There have already been nineteen names entered as depositors, the amounts ranging from one cent to one dollar.

As has been stated the work is under the wise direction of our local bankers and business men, the object of the organization of the scheme being to excite thrift and industry among the young people.

Interest upon the deposits will be paid at the same rate as that paid by the other banks in this vicinity. Anyone wishing more information concerning the plans, should consult either Mr. Munson or Mr. St. Clare.

### Woman's Club

Dr. Clevenger has a fine figure, a commanding presence, and his optimism is healthful and contagious. He is an artist in the analysis of character and motives of conduct, and is an orator of great power."

The management of the Course urge that those who attend the entertainments, make an effort to arrive at the hall at 8 o'clock or as soon after as possible.

### Where Was Romeo?

The household of Henry Muckler on Morristoryn Plains, wherein also resides his son-in-law, Fred King and family, was filled with anxiety the first of the week over the disappearance of Romeo, the nine-year-old son of Mr. and Mrs. King. The boy was sent to Cady's Falls on an errand Saturday morning and was not seen again until Monday afternoon, when he was overtaken near his home, by his mother and grandfather, who were returning from a trip to West Hill, where they had been searching for him. Meantime the family had imagined him in all sorts of conditions, the fear having even been entertained that he had got through the ice into the new lake. When questioned regarding his whereabouts he would tell nothing further than that he stayed at the home of Charles Brigham Sunday night. It has later developed that he stayed Saturday night and Sunday in Waleott, but of the particulars of the excursion or the reason thereof, Romeo is silent.

W. H. Ellis of St. Albans arrived this morning for a short visit with his brother, T. B. Ellis.

### Will Repeat "Down in Maine"

The students of Peoples Academy will repeat the drama, "Down in Maine," at town hall next Tuesday evening, the presentation being given for the benefit of P. A. Base Ball Team. New songs will be given as specialties. In consideration of the great hit the two previous productions made and the fact that proceeds are going to help make the base ball season of '08, a record breaker, the house should be crowded next Tuesday night. P. A. will have one of the strongest school teams in the state this spring and it is expected that some fast home games will be scheduled. Weafer and Raymore will be the regular battery.

### Basket Ball Notes

In one of the fastest and cleanest basket ball games of the season, P. A. defeated Spaulding High School of Barre at the local gymnasium last Friday evening, the score standing 41 to 19. While the visiting team was clearly outclassed, they put up a good, clean fight and gave a good exhibition of the game. Averill, of the visiting team, did the best work in throwing fouls ever seen in the gymnasium, making nine clean baskets out of a possible ten. The local team was not in the best of condition but played a fast and scientific game, the work of Roy Stafford being unusually brilliant.

P. A. S. H. S. Weafer, r f 1 g, Averill r g, Riley r g, Halvosa c, Halvosa l f, Griggs r f, Maiden r f, Maiden

Baskets—R. Stafford 6, Tinker 4, G. Stafford 3, Weafer 2, Raymore; Maiden 2, Griggs 2, Riley. Fouls—Tinker 9, Averill 9. Referee, Worthen; Umpire, Eaton; Timer, Isham; Scorer, Kramer.

The game at the local gymnasium last Saturday night between the K. K. K's of Hardwick and the Alpha Theta Phi boys of Morrisville resulted in a score of 13 to 12 in favor of the latter. The game was fast and clean and much enjoyed by a good sized audience.

The Hardwick Gazette had the following to say about P. A.'s appearance there last week:—Tuesday night before the largest audience of the season the K. K. A's, with the assistance of two K. K. K. boys, (Taylor and Cass of the former being on the sick list), met an overwhelming defeat at the hands of Peoples Academy of Morrisville, one of the very fastest school teams in the state. They certainly have the game down fine in every department, and the boys here felt satisfied to do as well as they did. The game was exceedingly clean, and the crowd saw some splendid passing, blocking and shooting, such as will not be seen here again in a long time.

St. Johnsbury Academy team will play here Friday night, when a fast game may be expected.

Did you ever see the likes of this for a Vermont winter? We don't believe "the oldest inhabitant" can recall anything better than this. No need of going to Palm Beach or California. It is just right, here at home, and the person who finds fault with this sort of winter weather ought certainly go to a warmer place.

Do not miss the Turner Art Exhibit at the school building Thursday, Friday and Saturday of this week. It will be well worth inspecting and is a treat that rarely comes to a small place like this. There was a considerable drop in groceries yesterday afternoon; all brought about by Foss' delivery team taking a sudden start from Lily's house. Edgar Foss was the man in charge and when the horse started Edgar made rapid time and jumped into the rear end of the sleigh, which then took a sudden flop and over it went, throwing driver and contents out. The horse meandered down Commonwealth Avenue, and over the hill, making a revolution or two and then came to a sudden stop. No serious damage, but a whole lot of excitement.

The "Appalachian Snow Shoe Club" held its annual mid-winter tramp and "round up" Monday night. The party, numbering seventeen, chaperoned by Noves Wood and wife, with C. R. Lyon as "Advance Courier," and Orin Jones as "Rear Guard," meandered o'er hill and dale, with the foot-hills of White Face as the objective point. After scaling the mountain a fire was built, coffee cooked, ham broiled and the feast partaken of. The tramp homeward was then resumed, all making good time, but some needing the help of others. It was a grand event for all who participated.

At a little after twelve dinner was announced by the business committee. There being no need for a second invitation, the tables were soon filled. Grace was said by Rev. O. M. Boutwell, and every one did full justice to oysters and the large quantity of good things placed before them. Dinner over, the meeting was called to order by the president and the following business was transacted: Prayer by the Chaplain, Rev. O. M.
