### Tracy Withdraws

*Editor News and Citizen:*—My name having been filed as a candidate for State's Attorney for Lamoille County as an Independent. I wish to thank my many friends for their confidence, but after a due consideration, I must say to my friends that I am a Republican still. I was defeated at the primaries and being a firm believer in the majority rule, I have directed the clerk of Lamoille county not to place my name upon the ticket. Believing this action on my part is for the best interests of the Republican party in Lamoille County, but will say to my friends that I will be a candidate at the next primary.  
Yours very truly,  
W. E. TRACY.

Mr. Tracy takes a wise step. He may feel aggrieved over defeat in the primary and his friends may have urged him to bolt, but it is always best to abide by the will of the party. Bolting the regular nominee may profit temporarily but it doesn't in the long run. This has always been so and always will be so.

**Ford Cuts Capers**  
The Ford car of Tom P. Johnson of Craftsbury furnished excitement on the Wolcott road, near the Groat place, Sunday afternoon. Something happened to the steering gear and after running from side to side of the road, the car laid down and rolled over, throwing out the occupants, Mr. and Mrs. Johnson and three children. H. A. Smalley took the party home in his car, and with the exception of two injured ribs sustained by Mr. Johnson, who was liable to be in town today, the party escaped injury. The car was quite badly smashed and is in the Lamoille garage for repairs.

### Smugglers' Notch

Graham, Senator Simonds of St. Johnsbury and others, will go over the road from Jeffersonville through Smugglers' Notch. The trip is made for the purpose of showing up the feasibility of a road from Jeffersonville through this splendid scenic part of Mt. Mansfield. The party will leave Jeffersonville at ten o'clock and will be guests of L. S. Morse at a luncheon at his camp which is about six miles from Jeffersonville. Stowe parties will meet the visitors at the Notch.

### A Splendid Masonic Meeting

The annual meeting of the 13th Masonic district, which includes the six lodges in Lamoille county, was held at Stowe Tuesday afternoon and evening. Grand Master Ross, Grand Senior Warden Wells and Grand Lecturer Jones were present, also several visiting brethren from outside the district. Every lodge in the county was represented, making an attendance of 125, which was a good record when weather conditions were considered. W. S. Silloway, of Wolcott, the D.D.G.M., was in charge and he has just reason for being proud of the splendid results of the gathering.

The opening of the afternoon proceedings were in charge of Mt. Norris lodge of Eden, Lovell Whitney, W. M., after which the E. A. degree was conferred by Waterman lodge of Johnson, Lloyd Pearl W. M. This degree was worked in a most impressive manner and reflects great credit upon the lodge in charge, receiving many compliments from the witnesses. After this the E. A. lectures were given by Warner Lodge in its usual excellent manner; C. S. Brush, W. M.

At six o'clock a banquet was served by the ladies of the Eastern Star and a "feast fit for a king" it was, said the 118 Masons who partook of it. Those Eastern Star ladies are "it" when it comes to putting up a chicken pie spread.

At 8 o'clock the M. M. degree was conferred by Mystic Lodge, the home lodge, C. A. Riley, W. M. Stowe lodge has the reputation for doing excellent work in all degrees, but we venture the assertion that never has it performed the work better than it did last evening, the Worshipful Master and all of his assistants had their parts well and impressively rendered the same. The lectures on this degree were given by Mt. Vernon lodge of Morrisville in good form.

The event concluded with remarks by Grand officers, who complimented the lodges on their excellent work. A social hour followed, concluding one of the best of district meetings.

### Styles Pleads Guilty

O. E. Styles of Stowe, who was driving the automobile which figured in an accident near Waterbury two weeks ago, and caused the death of Justin Marshall, pleaded guilty in Montpelier city court to three charges. He paid a fine of \$100 and costs of \$13.25 for operating an automobile without a license; \$5 and no costs for intoxication; and \$100 and no costs for operating an automobile while intoxicated.

### O. E. S. Entertain

The regular monthly meeting of the O. E. S. was held last evening with an extra large attendance. A public supper was served at the usual time and in the evening Coral Chapter entertained Mansfield Chapter of Jeffersonville, over twenty responding to the invitation.

The ritual work was exemplified by Coral Chapter and a short programme rendered followed by remarks and reception of the visitors.

The guests were then served a banquet after which they left by autos for their homes.

### Attend Teachers Convention

The following teachers of the village and rural schools of Morristown attended the Teachers Convention at Burlington last week: Prin. J. T. Sears, C. W. Whipple, May Campbell, Lucile Gilmour, Catherine Wilcox, Nina Sheppardson, Mrs. H. M. Ide, Grace Gates, Dorothy Harris, Rena Merrill, Eugene Call, Mamie weaver, Edna Slayton, Bessie Ryder, Ethel Hoyt, Doris Carpenter, Laura Wright, Ella Sargent, Lois McQueen.

### D. A. R. Opening Meeting

The Captain Jedediah Hyde Chapter, D. A. R. met for the first session of the year, on Wednesday evening, Oct. 11th at the home of Miss Louise Slocum. Although the attendance was small, the meeting was unusually enthusiastic and those who were present received encouragement and inspiration for carrying on the work.

The topic for the evening was "Vacation Notes," and especially interesting talks were given by Mrs. Fisk, Mrs. Vallean, and Mrs. Ide. Mrs. Vallean told of some of the "quaint places she visited in the old historic town of Salem; and also of her stop at the Old Constitution House in Windsor. During the summer, Mrs. Ide had visited some particularly interesting and romantic Revolutionary relics in New York, and she described and explained them most entertainingly.

A discussion of plans for the work to be taken up during the ensuing year brought forth some splendid suggestions for varying the programmes, and thus giving them a broader appeal. The committee will adopt some of these ideas and hope to have the year books out before the next meeting.

Refreshments were served, and a social hour enjoyed, after which the meeting adjourned to convene again on Wednesday evening, Nov. 8th, at the home of Mrs. Augusta Wheeler, on Bridge St.
