This (Wednesday) afternoon at four o'clock, at the home of the bride's mother in Montpelier occurred the marriage of Lloyd C. Bentley of Morrisville and Miss Fanny Osgood of Montpelier. The ceremony was witnessed only by the immediate relatives of the contracting parties. Mr. Bentley is the well-known pharmacist and has many friends here who wish him and his bride the greatest of joy in their wedded life.

## Base Ball

The local base ball team played Hardwick here at home last Thursday and won out by the remarkable score of 15 to 3.

Tomorrow, Thursday afternoon, a "double header" is promised here. There will be a League game Morrisville vs. Johnson and an additional one, with Waterbury. This looks like two good games, as we know Johnson puts up a "hammer" and Waterbury has a team that is hard to reckon with.

Morrisville has thus far played eleven League games and won all of them.

The price for both games tomorrow will be the price of one—thirty cents. Go to it.

## Correction

It was stated in last week's paper that the Y. W. C. A., Drive came out about ten dollars short. This was thought to be the case at the time, but since then, a little more careful balancing of accounts shows that the campaign resulted in a surplus of about ten dollars. The quota was a hundred and fifty dollars. Much credit is due the young ladies who pushed the campaign for their untiring efforts at making it a success.

## School Directors' Notes

For the accommodation of Mr. Howe, Superintendent of Schools, the district schools will open on Tuesday, September 6, the same date as that of the opening of the village schools.

Willis H. Hosmer, Principal of Peoples Academy has secured the house of Mrs. Harriet B. Ide for the school year. Mr. Hosmer will be in town the latter part of this week, prepared to take up the work of the high school and may be consulted upon any matter of interest.

The faculty of Peoples Academy has been completed by the securing of Mr. Charles F. Portier, A. B. as instructor in French and Sciences. Mr. Portier took three years of his college course at Norwich University. Entering the World War, he was for part of the time of his service, instructor in French and chemistry for the Government. After the war, he completed his college course at Boston University securing the degree of Bachelor of Arts.

Mrs. Greta N. Morse of Jeffersonville has been secured as Director of Vocal music in the village schools. She will also have charge of orchestral work.

The district school building at Morrisville is being placed in complete repair by Mr. G. I. A. Smith. The North Laport school has also been thoroughly renovated. It is probable that these two schools will attempt to gain the model school standard established by the State Board of Education. The South Randolph school should also be a contestant for this honor.

Tuition in Peoples Academy has been placed at \$90. per year and in the Junior High School at \$40.

## Auto Collide

Two Fords got mixed up with each other Sunday morning in front of the Randall, much to the sorrow of one of them. A Ford touring car run by Mr. Laclard of Stowe ran into Miss Mabel Wood's Ford coupe and doubled the front wheel under and bent the mud guard considerably. No one was hurt. This is one of many narrow escapes at this same corner and ought to be a warning to all auto drivers.

Work has been resumed at the F. W. Mould stone sheds.

## James Blondin

James Blondin, who purchased the old Poor Farm of W. H. Hadlock several years ago, died at his home Thursday morning at the age of seventy-two. Death resulted from cancer of the neck and complications. The remains were taken by the family to the old home in Waterbury, Conn., for burial.

Mr. Blondin was born at Three Rivers, Canada. Forty nine years ago he was united in marriage to Odellie Houle. They made their home in Waterbury, Conn., and lived there thirty-one years. Four years ago they came here and settled. The deceased is survived by one daughter, Minnie Blondin, and five sons, Peter and George, who reside at home, and Albert, Archie, and Joseph who live in Waterbury.

## Benefit at the Bijou

The movies last night were for the benefit of the Basket Ball Girls. Constance Talmadge starred in the "The Perfect Woman." The attraction of the evening was a song dance by the Misses Rebecca Briggs and Mertie Sulham, assisted by a chorus of six girls — the Misses Slayton, Eaton, Raymond, Howard and Benson, and Mrs. Elwood Emmons.

Miss Briggs as the charming heroine and Miss Sulham as the dashing hero, quite won their audience with their interpretations of "Drop Me a Line" from the musical comedy "Honeydew." The chorus were very attractively dressed in different colored organdies and carried large baskets of flowers. The popularity of the young ladies was proved by the hearty applause and the repeated call for encores.

J. Jay Riley is the Superintendent in charge of the Chautauqua and a very courteous and gentlemanly fellow he is. Give him the glad hand. He is an Elk. And then there is Mr. Smith, the tent man. See him and he will tell you all about that nice, easy job he has.

Mr. and Mrs. G. H. Ripley and Miss Marion Ripley of Poultney and Dr. Ripley of Philadelphia, who were taking a trip through northern Vermont, were recent visitors at the home of L. H. Lewis.
