Your cooperation and public spirit is urged to assist the ladies who all know work very hard. Come with your tree and do not be a slacker. For further information inquire of Mrs. Lease.

CAMBRIDGE HIGH SCHOOL

On Thursday of this week a night session of the high school will be held. The purpose of this session is to give the public a real chance to visit the school and observe a sample of the daily program of studies and classes. Be sure to attend and observe your own high school in operation and see the sample assembly and the work of your boys and girls. Last year over 40 attended a similar session. Let's come out 100 strong this time. Here is an opportunity to familiarize yourself with the work of your school. Let's show our students that we are interested in their education. The high school is, we believe, Cambridge's greatest asset, so let's not neglect it. The session will begin promptly at 7:30, with an assembly of the musical type carried out by the pupils. Plan to come; every courtesy will be shown you. The Athletic Association will hold a dance Friday evening of this week for the benefit of the baseball team. The U. V. M. orchestra will furnish music. The first home game of the season will be played when the local high school team will cross bats with the Highgate high school team this week Friday. The game will be called at 2:30. Don't miss it. The Cambridge High School announces the following baseball schedule for the season of 1922: April 28, Highgate at Jeffersonville; May 1, Johnson at Jeffersonville; May 4, open; May 6, Highgate at Highgate; May 9, Enosburg at Enosburg; May 13, Underhill at Jeffersonville; May 15, Morrisville at Jeffersonville; May 17, Franklin at Franklin; May 20, Franklin at Jeffersonville; May 22, Morrisville at Morrisville; May 24, Brigham Academy at Bakersfield; May 27, Brigham Academy at Jeffersonville; May 30, Johnson at Johnson; June 5, Underhill at Underhill; June 8, Enosburg at Jeffersonville.

LEGAL NOTICES

NOTICE OF HEARING UPON BANKRUPT'S PETITION FOR DISCHARGE. United States District Court for the District of Vermont. E. Robert Towne, Jr., Bankrupt—DISCHARGE. Notice is hereby given that the above-named bankrupt has filed his petition, praying for his discharge from all his debts in bankruptcy, and that all creditors and other persons objecting to such discharge may attend before the undersigned Referee, at his office, in Lamolite County Court House, Hyde Park, in said district, on Tuesday, June 5, 1922, at 10 o'clock in the forenoon, and then and there present their objections, if any, to such discharge, with their proofs thereon. Dated at Hyde Park, in said district, this 19th day of April, 1922. E. A. AYERS, Referee.

STOWE

There will be a public installation of the officers of Sickle Chapter, O. E. S., at eight o'clock Wednesday evening of this week at Masonic hall. Rev. G. E. Hayward, who motored Tuesday to Barre for a radium tonal treatment, was accompanied to Montpelier by his daughter, Mrs. James Brownlee, and little daughter, who have passed the week here. Be sure and read the warning for the special town meeting May 9 at 10:00 a. m. in another column. There is no question but that the voters should take favorable action upon each article. If not we are liable to lose these industries and some 60 people who were employed in them. Edwin R. Bigelow, who has passed the winter in Springfield, Mass., came to Stowe Monday and is stopping with his nieces, the Misses Bigelow of Maple street this week while superintending the opening of his cottage at "The Ledges," where his family will join him Saturday. A fine collection of stereopticon pictures of Middlebury College and vicinity, arranged by Edwin Lawrence Bigelow, president's assistant at the college, was exhibited at the Community Church Sunday evening. At the close of the exhibition plans for the work on the church were discussed by the directors and others. There will be an open meeting of the Stowe Civic Club at 7:30 o'clock Wednesday evening of this week at the auditorium, at which time several important matters will come up for discussion, among them the rebuilding of the burned industries, with special reference to the violin factory; also the formation of a golf club and the installation of a radio. George C. Slayton of Moscow, who has shipped maple syrup this spring to parties in the states of Washington, California, Michigan, New Hampshire, Connecticut, Massachusetts, New York and Florida and to the Governor of the Island of San Domingo, would like to know if any other small sugar maker has distributed his product to a wider market. Mr. Slayton tapped about 900 trees this year and made the equivalent of 1,800 pounds of sugar, a small crop but of excellent quality. The Governor of San Domingo is Rear Admiral S. S. Robinson, who is a frequent summer visitor at Lake Mansfield.

Death of Mrs. Jessie Fremont Towne

Mrs. Jessie Fremont Towne, wife of George M. Towne, died about ten o'clock Tuesday morning of this week from the effects of a shock on Saturday. Mrs. Towne had been a partial invalid from a shock of 15 years ago and a second shock followed several years ago. She was a daughter of the late Lucius L. and Samantha Munn Sallies' and had always lived in Stowe. She was born September 2, 1863, and married Mr. Towne March 10, 1887. She was for many years a successful teacher in the schools of Stowe. She was formerly an attendant at the Methodist Episcopal Church and had been a member of Mansfield Mountain Grange for many years. She was a woman of earnest Christian character and was much esteemed. Besides her husband she leaves an only child, Miss Agnes Meatrice Towne of the senior class of Stowe High School, and three sisters, Mrs. Rosa Belle Graham of Ashland, N. H., Mrs. E. J. Adams of Stowe and Mrs. E. K. Seaver of Cady's Falls, and two brothers, Josephus M. Sallies and Milo E. Sallies of New Haven, Conn. The funeral will be held at two o'clock Thursday afternoon at the house.

JEFFERSONVILLE

W. S. Scott is laying the cellar walls on the L. E. Tatro residence on Mansfield avenue. Miss Rena Stebbins of Fletcher was a guest one day last week of Mrs. G. R. Westover. Grover Smith has returned from Connecticut, where he had employment through the winter. Work has been begun on the new residence of Lynn Tracy opposite the C. S. Cornell home on Main street. H. A. Smalley of Morrisville was in town last week Thursday and sold a new Studebaker Six to M. C. Leach.

USE WOOD ASHES RIGHT

There is danger in using wood ashes for a dryer in the home mixing of fertilizers, says Dr. E. Van Alstine, extension specialist in agronomy at the University of Vermont and State Agricultural College. Farmers in every county of the state will be mixing their own fertilizers for use this spring. Many of the formulas followed call for the use of some filler of dryer to prevent hardening of the mixture when it is allowed to stand a few days before being spread. Peat and dry dirt may not be readily available in many cases and some may be inclined to use dry wood ashes which are known to be good for the soil. This would be a serious mistake because if mixed with ammonium sulphate, the alkali in the ashes drive off ammonia. Ashes added to stable manure have much the same effect. The same injurious result would follow the use of lime as a filler. When mixed with acid phosphate both ashes and lime neutralize the acid and cause the phosphoric acid to revert to an insoluble form. Wood ashes should be saved and used on the land, but should not be put into a fertilizer mixture.

The "Isle of Man."

The Isle of Man does not derive its name from the sex of its population, but from its position. In Manx "vannin" or "mannin" means middle, and this name was applied to the island because of its location.

Burlington is planning for business carnival and bargain week about May 15.

There seems to be growing suspicion that the bootleggers are not paying their share of the income tax.

It will take more taxes to raise the bonus and the bonus will raise the taxes. And there you are.

Marriage without a bank account is like buying a high-priced car on payments. The darn thing'll likely be busted up fore the obligations are all canceled.
