

WATERVILLE

Death of Mrs. Byron L. Rogers

The people of this community were deeply shocked and grieved when word came Thursday noon, April 13, that Mrs. Byron L. Rogers and infant son had passed to the great beyond.

A little over two years ago, Mrs. Rogers came to this community as wife of the pastor of the Union church and during the time she has been with us, has won a large place in the hearts of the people.

She at once showed her interest in the young people by organizing a Christian Endeavor Society and a Junior League and throughout her stay here has worked industriously and faithfully with them in both religious and social ways.

Not only in gatherings of young people, but also in all religious and social affairs of both Waterville and Belvidere. She has been constant in attendance and has always added interest to the gatherings by the keenness of her intellect and the well chosen bits of entertainment which we learned to expect from her.

Mrs. Byron L. Rogers was born in Massachusetts, September 23, 1883. She graduated from Amherst High School and became a member of the National Women's Preacher's Association of Massachusetts. She also held offices of trust in Christian Endeavor and other societies, both in this state and Massachusetts.

The funeral was held from the Union church at Waterville, Sunday, April 16, at two o'clock. District Superintendent Sharp rendered a beautiful and appropriate eulogy and the large attendance, as well as the floral tributes, among which was a pillow of pink hyacinths from the O. E. S. at Cambridge of which she was a member, a wreath from the K. or P. at Waterville of which Mr. Rogers is a member, a large spray from Belvidere community, Easter lilies from Waterville community spray of carnations from Christian Endeavor Society and sweet peas from the Junior League, besides many other flowers from near relatives and friends testified to the love and esteem in which her memory is held.

The parish and community while they mourn their loss, extend their sincere sympathy to the bereaved and devoted husband and family.

The body was taken to Montague, Mass., her old home, for interment, where Mr. and Mrs. Rogers were married and where they resided before coming to Waterville.

First to establish the \$10.90 price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30x 3 1/2 'Usco' is \$10.90."

The lowest price ever quoted on a tire of quality reputation and standard performance.

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the \$10.90 price range.

Perhaps you are wondering just what there can be either "new" or "special" about these tires.

It can't be the \$10.90 price—"Usco" established that five months ago.

Nor quality reputation and standard performance—for it takes more than one full season for any new tire to demonstrate where it stands in quality and value.

With so many tires rushing into this \$10.90 price

field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its good faith by announcing this price last fall.

The same intent to serve that has made "Usco" a standard value for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, and its price closely figured in tune with the times.

\$10.90
and even better than the price
