PEOPLE'S ACADEMY NOTES

The senior play, "Miss Somebody Else," was presented at Jeffersonville last Friday night. The Hawaiian specialty was put on between acts. Several Morrisville citizens were present. Miss Chaffee, Miss Merrill and Mrs. Hosmer accompanied the party. The domestic science department served an excellent supper to about 25 visitors. Nearly \$25 was realized for the senior class.

Last Wednesday afternoon the baseball team, played Craftsbury Academy at Craftsbury and won with the score of 14 to 12.

Rain dampened the ardor of baseball enthusiasm considerably Saturday afternoon when Hardwick Academy played P. A. on the home field. The first three innings, in a drizzling rain, resulted more fortunately for Hardwick than for our boys and the final score was 6 to 2 in Hardwick's favor.

On Monday morning in general assembly the basketball letter was presented to the following: Oscar Mudgett, Americo Bianchi, Raymond Hastings, Hermon Huntley, Wallace Peck, Raymond Gies, Porter Greene, Everett Kelley and Perley Thompson. Curtis Young was not present to receive his letter.

Americo Bianchi has been elected captain of P. A. basketball team for next year.

P. A. lost to Jeffersonville high school Monday afternoon at Morrisville by a margin of but one score, 10 to 11. In the early part of the game the home team did some decidedly ragged fielding, but after the sixth inning when the score was ten to one against them they steadied down and netted nine runs, almost blocking their opponents from scoring. The finish of the game was very exciting, as P. A. had the bases full when the game ended.

Rising Morrow of West Pawlet, superintendent of the Rutland southwest school district, was a visitor at the school building Saturday.

H. Guy Dunbar's orchestra of St. Johnsbury has been engaged for the commencement exercises Wednesday evening, June 14.

MARRIED 50 YEARS

The farm home of Mr. and Mrs. E. E. Hadley on Laporte road was the scene of a very happy event Sunday, the occasion being the golden wedding anniversary of Mr. Hadley's parents, Mr. and Mrs. Elmer Hadley. The couple returned home Saturday night from a two months' stay at the home of their daughter, Mrs. H. E. Hovey, at St. Albans, so the affair was a genuine surprise.

A bountiful dinner, consisting of roast chicken, dressing, mashed potatoes, green peas, sliced cucumbers, fruit salad, ice cream, angel cake, sponge cake and coffee, was prepared and served by Mrs. E. E. Hadley.

During the afternoon and evening friends and neighbors called to extend congratulations and best wishes and to bespeak many more happy years. Besides the family, Rev. and Mrs. George E. Goodliffe and Madam Goodliffe were entertained at dinner.

During the afternoon and evening about 50 friends called to express their good wishes and congratulations and all were most heartily received by Mr. and Mrs. Hadley, who have a wide circle of friends throughout the vicinity. The worthy couple were the recipients of several gold pieces and a profusion of beautiful flowers from relatives and friends. They also received several baskets of fruit.

Mr. and Mrs. Hadley have been highly respected residents of Morrystown for practically their whole lives and lived for many years on the farm now owned by their son, E. E. Hadley. They were united in marriage at the home of the bride's parents, the late Mr. and Mrs. Luther Adams (now the W. R. Beard farm on Randolph road) by the Rev. Mr. Cleveland, pastor of the Advent Christian Church in Morrystown. To them have been born four children: Ernest E. of Morrystown, Fred Hadley of Worthboro, Mass., Mrs. Kate Broadwell, deceased, and Mrs. Sadie Hovey of St. Albans.

Interesting sketches of our work were read by Mrs. Newton, Mrs. Jacobs, Mrs. Farrington, Miss Parsons and Mrs. Best in the following countries: India, East Europe, Africa, South America and Mexico. Mrs. T. B. Ellis gave an interesting biography of Bishop and Mrs. Parker. An excellent paper, "Greetings from 1869," was read by Mrs. P. C. Jones, whose costume corresponded with the date. Several victrola selections were furnished by the hostess, which contributed to the enjoyment of the evening.

Cambridge Says No

Large Attendance at Special Town School Meeting Refuse to Vote Additional Tax.

There was a very large attendance of the voters of the town of Cambridge present at the special town school meeting today.

After some discussion, in which W. H. Parker of Cambridge and Mark Stevens of Cambridge Junction took part, it was voted not to raise the additional tax of 35c on the dollar of the grand list, 87 yes to 193 no.

Not a word was said against the school. It seemed simply a question of raising more money and the voters said No.

MEMORIAL DAY IN MORRISVILLE

The arrangements for the order of exercises for Decoration Day are well along toward completion. It is hoped that the general public will understand that the celebration of this day will begin with a large parade, consisting of the military or patriotic organizations and civic societies and organizations, school children, etc., marshaled by Glenn A. Wilkins, and led by the Morrisville Military Band at 9:30 a. m. The line of the march will be from Pleasant street, where the parade will form to Hutchins street, to Portland to Lower Main, to High, to Union, to Congress, to Main, to the Academy Park, where the exercises will be held, which will include the program as given below.

It is very necessary that all who are to take part in this parade report in the vicinity of Pleasant street as early as 9:00 a. m., that there may be no unnecessary confusion or difficulty in starting on the line of march at 9:30 a. m. sharp. It is hoped that the merchants will close their stores on this day in respect to the day and its great object. This is done in all of the larger places, and it is most appropriate. The person who will not close shop on this day, who is not willing to sacrifice to this extent does not deserve the support of the soldier trade. It is earnestly requested that all show their respect for this legal holiday by displaying flags and decorating their homes and places of business with bunting, etc. Let us endeavor to make our village look the patriotism she ought to look and feel on this occasion. Clean up. Doll up. Trim up. Let us do everything to keep our people at home on that day and attract as many from the outside as possible.

Following is the program of the exercises of the day—Glenn A. Wilkins, master of ceremonies and marshal of parade:

Parade, 9:30 a. m.

Exercises at Park at 10:00 a. m.

At the close of the exercises at the monument the parade will reform and return to the G. A. R. hall, where it will be dismissed.

At 1:00 p. m. the American Legion Post will escort the G. A. R. and other organizations, and the speaker of the day, to the hall, where the exercises of the afternoon will take place, and which will consist of music, exercises by the children, Lincoln's Gettysburg Address, and an address by the Hon. Vernon A. Bullard of Burlington. After the exercises at the hall there will be a baseball game at the ball grounds between the Legion team and some outside team, and a fast and exciting game may be anticipated.

There will be a dance given by the American Legion at the town hall on Monday night, May 29, which the public is most cordially invited to attend.

Home Demonstration Meetings

Thursday, May 25, there will be an all-day millinery "bee" at Elmore.

Wednesday, May 31, the county club leader and the home demonstration agent are planning a conference for local club leaders. This conference is called for two o'clock at the Farm Bureau office. Mr. Ingalls, the state club leader, and Miss Luce, assistant state club leader, will both be present at this conference. It is hoped that every local club leader will be present.

Streets Being Covered

The trustees are having the streets covered with calcium chloride, instead of oil. The state and several villages tried it last year and it proved so much better than oil for preserving the streets and laying the dust that many are using it this year. If you want an ash holder, the big empty cans are free.

Louise M. Slocum Class

Miss Carrie Powers will entertain the members of the Louise M. Slocum Class at her home on Monday evening of next week at 7:30 o'clock. It is hoped that a good number will attend and make use of this opportunity to plan for the coming sale. Let each come prepared to work on some article which she will contribute to the sale.

The Cooperative Marketing Act

What is the cooperative marketing bill recently passed by Congress, known as the Capper-Volstead act? It provides that producers may organize marketing agencies, that such associations shall be operated for the mutual benefit of the members; that no member shall be allowed more than one vote because of the amount of stock or membership capital he may own; and that the association shall not pay dividends on stock or membership capital in excess of eight percent per annum.

Provision is further made that associations shall not deal in products of non-members to an amount greater in value than those handled by it for members.

If the secretary of agriculture believes that any association monopolizes or restrains trade to such an extent that the price of any agricultural product is unduly enhanced, he may order a presentation of the facts and if circumstances justify, may cause it to desist from such practices.

It stands for three things: First, democratic control—one man, one vote; second, service or patronage dividend as opposed to the capital or profit dividend; third, diffusion among many of the ownership of the enterprise.

Lamoille Grange

The Lamoille Grange will hold its next regular meeting Friday evening of this week. The Gihon Valley Grange of North Hyde Park will not be present as was expected. There will be a program with roll call, one of the most interesting and beautiful places you have visited. Question for discussion, Are the farmers of today keeping pace with the rest of the world in general knowledge, methods of business and securing their share of influence in public affairs? Everybody come and talk over this question.

Frost This Morning

Clear and cold last night. The thermometer registered 36-38 this morning and there was a white frost. Weather during days fine, clear and warm.
