### Obituary

#### Isaac L. Pearl

When the shadows fell Friday evening, May 19, 1922, after months of failing health, borne with a christian fortitude, the subject of this sketch passed from earth's sufferings peacefully to Heaven's joys.  
With the passing away of Hon. I. L. Pearl at his home in Johnson, a figure which has been a familiar one on our streets and in the business life of the town and county for nearly seventy years, one of Vermont's grand old men, has disappeared from our sight forever.  
He was born in Milton, Vt., November 17, 1832. In another six months he would have rounded out his ninety years.  
In 1856 he came to Johnson and went into partnership with Stephen Dow in the Johnson Woolen Mill. After a few years he became sole proprietor of the business and for nearly fifty years it was successfully conducted under the name of I. L. Pearl & Company.  
March 11, 1858, he was married to Harriet N. Tracy, who died July 2, 1912. During their long married life a period of fifty-four years, there dwelt in their home peace and joy, love and contentment.  
Four children were born to them, Jed A., Flora A., Morton I. and Mrs. George E. Goodwin. Morton died at the age of four years and Jed A. died December 9, 1908. His son-in-law, Dr. George E. Goodwin of Ardmore, Okla., was loved by him as an own son and his last years were made comfortable by the affectionate attention of the doctor. Two grandsons also survive him, I. Leonard Pearl of Exeter, N. H., and Lloyd M. Pearl of Burlington, Vt.  
For thirty years Mr. Pearl was a director of the Lamoille County National Bank of Hyde Park by whose officers he was always held in the highest esteem.  
Soon after the coming to Johnson he united with the Baptist Church and throughout its corporate existence was one of its most loyal supporters. He never allowed trivial things to keep him from the Lord's house and his place in church was rarely vacant.  
He was a faithful member of the Masonic fraternity, in which he took an active interest for nearly sixty years. It was at his suggestion and largely through his efforts that the Baptist Church building, which had been unused for several years was transformed into the Masonic Temple.  
Mr. Pearl was a man of more than ordinary intellectual ability, of remarkable balance of judgment and marked business capacity. It is the crowning glory of such a life that no act of dishonor or word of discourtesy was ever charged to him.  
"Servant of God, well done, Rest from thy loved enemy;  
The battle fought, the victory won, Enter thy Master's joy."

### JOHNSON CHURCHES

**Methodist Church**  
Pre-Memorial service was held in the opera house Sunday morning. Services next Sunday morning as usual.  
Mid-week prayer service Wednesday evening at 7:30 in the Congregational Church.  
Sunday School convention at Hyde Park Thursday afternoon and evening. It is expected our Sunday School will be well represented.  
Next Sunday evening the baccalaureate sermon before the senior class of the high school will be given by the Rev. W. T. Best, pastor of the Methodist Episcopal Church at Morrisville.  
**Congregational Church**  
Pre-Memorial service was unusually good. Rev. W. D. Stenlake delivered a spirited address abounding with vivid personal experiences in the World War. The large union choir rendered helpful service.  
Wednesday evening prayer service in this church.  
Plan to attend the county Sunday School Association meeting at Hyde Park on Thursday afternoon and night. See program on page 5.  
Remember the meeting of the

### Community League in the Normal hall on Thursday at eight o'clock.

Morning worship at 10:45 with the Christian Endeavor at the close.  
Any suggestions for the betterment of our church ministrations or for the welfare of the community will be gladly welcomed by Mr. Stenlake and Mr. Ross.  
The funeral service of Mrs. Fred Holmes last Saturday afternoon, conducted by Rev. Mr. Pierce and the pastor, was impressive.

### Nazarene Church

The Wednesday night prayer meeting will be held as usual. On Friday night the Woman's Missionary Society will meet with Mrs. G. M. Young at 7:30. All are urged to attend, as the annual business of the society will be transacted at this time.  
On next Sunday, June 4, Children's Day will be observed by a missionary program rendered by the children and young people at the time of the regular morning service. The Sunday School will follow at the usual hour. The evangelistic service in the evening will begin at 7:30.

### JOHNSON SCHOOL NOTES

Pre-Memorial exercises were given by the schools of the village Saturday afternoon at the town hall. A good number of parents and friends were present. The other schools observed the day on Monday.  
Flora, or the May Queen was very successfully given by the pupils of the graded school on Wednesday evening. Much credit is due to Miss Powell and the teachers for their work with the children. Over \$35 was made, which will be divided among the three rooms and used for extras.  
The baseball team won three games the past week: Underhill high school 24 to 6, Essex Junction 29 to 4 and Enosburg Falls 5 to 2. This week's schedule includes People's Academy on Monday; Jeffersonville on Tuesday and Montpelier Seminary on Saturday.  
Roswell Stearns has been absent because of sickness for the past week.  
The baccalaureate services will be held next Sunday evening at 7:30 in the town hall. Rev. W. T. Best of Morrisville will deliver the sermon. The program for Commencement Week includes the school picnic at Lake Eden on Monday; the Class Day exercises on Tuesday at 2:00 p. m.; graduation Friday evening at 8:15; senior reception on Thursday evening; class picnic Friday at Wiloughby Lake.  
The home economics girls entertained the members of the faculty at a very pleasant tea on Wednesday evening.

# BIRD'S ROOFS

## Here's a Beautiful Roof

SO good looking it adds a touch of prosperity to any residence. Colors—natural slate green, red, or black.

So long wearing it will pleasantly remind you of its economy for years to come.

Bird's American Twin Shingles are really two shingles in one, easily picked up and laid with one hand, and self-spacing. 10" in length. They will not catch fire from falling sparks. Made of the same materials as Paroid Roofing.

We know from experience that Bird's American Twin Shingles make good—that's why we sell them.
