

WONDERFUL VALUES IN Men's Made-to-Measure CLOTHES

We say "wonderful" because that is the only adjective to describe the values we are offering this season in our

Department of Men's Tailoring

We have a glorious showing of pure wool fabrics at the most remarkable prices considering the quality and the tailoring we put into the finished product!

Whether you pay \$25 or \$50 or anything in between the ratio of actual value is simply wonderful!

See for yourself and you'll know we're not exaggerating.

MORRISVILLE CHURCHES

Advent Christian Church

The message for last Sunday morning was "The Greatness of the Power of God to Those Who Believe," text Eph. 1:19. Some doubt the Bible narrative of what occurred in the upper room when the disciples of Jesus met there, but whatever happened it has stirred the world as men like Peter, John, Paul and others went out and proclaimed the power of God to save to the uttermost all who would come to Him.

At the Sunday School hour the nominating committee brought in the names of the officers for the coming year. There was an election of officers in some of the organized classes.

The L. W. service at 6:00 p. m. was led by Ruth Putnam. In the evening following, a song service and a special selection by Mrs. Pender. The pastor took for his subject "Serving Jesus in Love," Scripture 1 Cor., 13th chapter, showing the opportunities we have to serve by having eyes to see the needs of those around us, ears to hear and willing hearts to act for Jesus.

Following the Wednesday evening service there will be a monthly business meeting.

The Epworth League service Sunday evening was ably led by Eugene Call, the subject being, "Grenfell, the Prophet of the Hard Trail." The leader gave a splendid talk on the subject, showing that he had studied carefully the work of this modern missionary. The leader was assisted by the pastor, Ray Smalley, Raymond Warren and Miss Alma Bugbee. The organist, Miss Shirley Skinner, was accompanied with violins by Ruth Lawson and Philip King.

The class meeting on Sunday morning is growing in interest and enthusiasm, much credit being due the leader, A. N. Terrill. Mrs. Safrona Cook has charge of the singing and Mrs. Pearl Meade presides at the piano. The leader is greatly helped in his work by B. S. Ward and a number of other loyal workers. The attendance ranges from 15 to 40 and this is one of the best meetings of the week.

Next Sunday morning the pastor will take for his subject, "The Love Slave."
