Male Stenographers And Typewriters

In Demand

The United States Civil Service Commission announces that while it has no difficulty in securing sufficient female stenographers and typewriters to meet the needs of the departments at Washington, the supply of male eligibles has not been equal to the demand. Young men who are at least 18 years of age and who are willing to accept the usual entrance salaries, which are \$840 and \$900 a year, have excellent opportunities for appointment. While the entrance salaries are low, advancement is reasonably rapid to those meriting it. The examinations, which any competent stenographer should be able to pass, are held each month in the year, except December, at the principal cities of the United States. Full information in regard to

the examination may be secured by addressing the United States Civil Service Commission, Washington, D. C., or the District Secretary, Post Office, Boston, Mass., Philadelphia, Pa., Atlanta, Ga., Cincinnati, Ohio, Chicago, Ill., St Paul, Minn., Seattle, Wash., San Francisco, Cal.; Customhouse, New York, N. Y., New Orleans, La.; or Old Customhouse, St. Louis, Mo.

Remarkable Cure of Dysent

"I was attacked with dysentary about July 15th, and used the doctor's medicine with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 135 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by Carl Doughlas.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent by circular, free. P. J. CHENEY & CO., Toledo, Ohio. Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "the Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and help build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.
