**Mistake in  
The Tribune**

Referring to Riverside Avenue and the work that has been done on same. We understand that the present Industrial Teacher is the first man in that position who ever undertook to grade this road and probably will be the last. It is also true that he needs no criticism nor dictation in as much as he already had dug the road long before the Riverside contributor composed her notes, and furthermore the letter containing the Tribune news was carried over the road some time after its completion.

The McAlester state prison has confined behind its bars 1216 prisoners, 1179 men and 37 women. There are 250 men serving life sentences. Everything is conducted like stock work. Mrs. A. J. Blankenship, who visited the prison a few days ago took a few notes long to be remembered. She says the prisoners do the bread baking, the cooking, house cleaning and farming. The prison has its hospital, where the prisoners are treated and cared for with the best of nurses. Each prisoner keeps his cell in order and it is inspected by an officer every day. If the sheriff who accompanies the prisoners, recommends them for good behavior, he is put out as trusty and given work with more liberty just so long as he proves faithful to the trust. Sheriff Blankenship recommended Otto Dishon to the officers for a trusty.

Mr. and Mrs. Charlie Neal who are now living in Pendleton, Oregon, reports a fine baby girl born to them June 1st. Charlie writes his mother-in-law, Mrs. Lee N. Wallis that it is the brightest girl in many states. Mrs. Neal was one of Anadarko's best educated school teachers. Their many friends here send congratulations.
