

**Full Details Gladly Given.
A Railroad Official's Experience.**

MR. EDWARD EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS, P. O. Box 53, David City, Nebraska.

MRS. PINKHAM'S VICTORY

Straightforward Declaration by Mrs. Sidney Hamlet.
Ailing Since Junction of Girlhood and Womanhood Cured by Lydia E. Pinkham's Vegetable Compound Physicians Pronounced the Case "Prolapsus Uteri"—Could Not Walk Without Pain—Words Inadequate to Express Her Gratitude for Relief Received.
RED HOUSE, VA.—To Mrs. Pinkham: "My heart goes out in sympathy to all who are suffering with troubles peculiar to the female sex. I would like to express my gratitude for what your Vegetable Compound has done for me. I have been a sufferer since girlhood. I do not then know the cause of dreadful sick headaches and other troubles. I could not take long walks, lift or carry anything heavy, and was very nervous. Last summer I was almost an invalid, could not walk across my room without pain. I sent for your physician. He pronounced my case a bad one of 'Prolapsus Uteri,' congestion and ulceration of the womb, and said I was to lie a-bed. I was so distressed to find myself so helpless and useless to my family, I saw your Compound advertised and thought I would try it. I took fourteen bottles and used the Sensitive Wash and Pills as directed, and now I am as strong as I ever was, and do all my own household work. I can walk more than a mile without any inconvenience. Oh! I am truly grateful. I cannot write the good you have done me. Words are inadequate to express it. May God bless you for the good you are doing. Mrs. Sidney Hamlet, Red House, Va."

This case is a good illustration of perseverance and faith. Mrs. Hamlet's sickness was severe, it took courage and patience to master the disease, but in good time the Compound produced the happy results it will always do. The more difficult the case, however, the longer it will take to cure it—many women lose courage before the medicine has time to thoroughly "take hold" of the system.

STATE NEWS NOTES.

MICHIGAN ITEMS WHICH WILL BE OF GENERAL INTEREST.
Short Review of the Work of the State Solons at Lansing—Other News of Interest from All Over the Great State Reported by Telegraph.

Lansing, Mich., May 7.—The senate railroad committee has recommended a bill which provides for an increase of nearly \$200,000 annually in the specific tax paid by railroad companies. The companies now pay 2 per cent. on the first \$2,000 of the gross earnings of the roads per mile, 2 1/2 per cent. on the second \$2,000, 3 per cent. on the third \$2,000, 3 1/2 per cent. on the fourth \$2,000 and 4 per cent. on all over \$8,000. The bill provides for an increase of 1 per cent. in all classes except the first and last, which are increased one-half of 1 per cent.
Lansing, Mich., May 8.—Three important life insurance bills were put to death through the agency of adverse committee reports in the senate. One required every company doing business in Michigan to have a resident director. Another required that at least 40 per cent. of the gross premiums collected in Michigan be invested in this state, and the third required that 2 per cent. of the guarantee fund be deposited with the treasurer of this state as a guarantee for policy-holders. The senate has also passed the bill increasing the specific tax rate paid by railroad companies so as to increase the annual revenue from this source by nearly \$200,000. The vote was unanimous. The senate has fallen in line with the house and fixed May 31 as the time for final adjournment.
Lansing, Mich., May 12.—Governor Pingree's threat to keep the legislature here all summer unless the members pass some of his railroad bills, has not had the effect evidently desired by the governor when he made it. Most of the members here say they will not be coerced into voting for any bill by the governor or any other power, and the general impression is that the threat has weakened rather than strengthened the bills. The principal fight will be made for the bill making a flat 2-cent passenger fare on roads operating in the lower peninsula, but there is not much hope that it will pass.

RECIPROCITY WITH CANADA.
Erastus Wiman Speaks at a Banquet in Detroit.
Detroit, Mich., May 11.—Exchange hall of the Detroit chamber of commerce presented a brilliant scene Monday night when the 250 members sat down at the second annual dinner of that organization. The special guests of the occasion were Erastus Wiman of New York and William Everett of Quincy, Mass., and the topics of all the speakers were along the lines of commercial enterprise and progress. Erastus Wiman responded to the topic "Better Relations with Canada." Among other things he said: "In the full view on both sides of a border line 4,000 miles long, of a depression unequalled in universality, severity and duration, the government on both sides are intently engaged in building higher than ever the tariff wall. They are thus destroying about the only chance there is of a revival of commerce or an outlet for product and manufactures. That the people of Canada are favorable to the closest relationship to this country is evidenced by the fact that its new government has already shown itself ready to meet overtures by which the two countries can practically be united. Annexation is unnecessary, undesirable and impossible. Canada is today more loyal to Great Britain than ever before. All that is needed now is to have the commercial sentiment of all the great cities express itself in favor of a better relation."

BIBLE READING IS UNLAWFUL.
Decision That Banishes the Christian Religion from the School.
Detroit, May 10.—There will be no more "Bible readings" in the public schools of Detroit unless the supreme court shall reverse a decision made Saturday by Judge Carpenter in the

Wayne county circuit court. The suit was brought by Conrad Pfeifer to compel the board of education to abandon the "readings." The "readings" were compiled in Chicago and are said to be non-sectarian, in the sense that no particular form of religion is favored. Its advocates claim it is merely a text-book on morality.
Acting Mayor George Beck vetoed a resolution of the board to purchase 4,000 of the "readings," but the veto was not sustained and the books are now in use. Counsel for the board contended that it was the duty of every school board to teach the Christian religion. Judge Carpenter held that if that contention were sound, not only should the Bible be taught, but all other forms of religious instruction should be given in the schools.

FOR THE SIXTH TIME.
Michigan Wins Once More in the Oratorical Contest.
Ann Arbor, Mich., May 10.—Michigan won the seventh annual contest of the Northern Oratorical league Friday night, Wisconsin, Chicago, Oberlin, Iowa, and Northwestern finishing in the order named. The speakers and their orations were as follows: Michigan, Bayard H. Ames, subject, "Castlereagh"; Wisconsin, Robert Wild, subject, "The American Jingo"; University of Chicago, M. A. Gallagher, subject, "The New Social Spirit"; Oberlin, William L. Washington, subject, "Frederick Douglass"; Iowa, Harry W. Hanson, subject, "The Right of Revolution"; Northwestern, Samuel N. Fessler, subject, "Keenan's Charge at Chancellorsville." This is the sixth time Michigan has won. The testimonials for the first and second men were presented by Ferdinand W. Peck of Chicago, \$100 to the first honor man, and \$50 to the second.

TWO DAMS CARRIED OUT.
An Accident Which Retards Work on Pike River Drive.
Menominee, Mich., May 12.—News has reached here that two dams on Pike river have been carried out by the high water and log jams and that the drive on that stream will be greatly retarded in consequence. The firm of Ludington, Wells & Van Schaick of this city, which has charge of the log driving, set a crew of men to work to repair one which was partly destroyed and also to rebuild the one which was carried away bodily. The damage is about \$6,000. These are very essential to the successful driving of the stream, and the work will be pushed through to completion as soon as possible. At Stephenson, logging superintendent for the company, has left for the scene of operations.

Attempt to Wreck a Building.
Tecumseh, Mich., May 10.—An attempt was made to wreck the office of Dr. F. P. Felt with dynamite at about 8 o'clock Friday evening. Dr. Felt and Captain William H. Hayden were at work when both were startled by the sound of falling glass. They rushed to the laboratory of the doctor and found upon the floor a bomb with a spluttering fuse. The doctor, with rare courage, extinguished the fuse and hurled the bomb out of an open window. The bomb was composed of a piece of gas pipe fifteen inches long filled with dynamite, shot and pieces of scrap iron.

Brutal Prize Fight.
Allegan, Mich., May 8.—The most brutal prize fight ever fought in western Michigan was pulled off early Friday morning in a barn east of this city. Eddy Shannon of Detroit and Lew Agnew of Jersey City were the pugilists. There were 500 spectators. Three times the referee tried to stop the fight, fearing that Shannon's punishment would prove fatal, but the men, who were dripping with blood, kept at it to the forty-fifth round, when both fell from exhaustion. Shannon sprained his wrist in the twenty-sixth, but continued to fight like a fend.

Angell Returns to Ann Arbor.
Ann Arbor, Mich., May 12.—President Angell arrived from Washington Tuesday. He declined to say anything about his instructions as minister to Turkey, or as to the situation there. Said he: "My appointment is for four years and if I return here I shall have to resign the mission at the end of one year. The state department wishes me to go to Turkey as soon as possible."
