

Hazelton.

Philo Hughes and Miss Carrie McGurur were united in marriage last Wednesday afternoon at the home of the brides parents, Rev. John Kern officiating. The occasion was one well appreciated by the guests present. The ceremony took place at 3 o'clock, after which all partook of a bountiful repast. The evening was spent in visiting, followed by refreshments, after which the guests began their departure, sincerely wishing the newly wedded pair a bright and pleasant future.

The Flint Cycle Races.

The indications are that the cycle races to be held at Flint next Monday and Tuesday, June 14th and 15th, will be the best ever held in this part of the state. The entries are large and many of the best riders in the country will be present and endeavor to smash some records. There will be five races each day, one being restricted to Genesee county riders, besides several side attractions, among them trick riding by Giddings, of Kalamazoo. Joyce M. Slocum will give an exhibition of her 16 inch wheel. The admission will be 25 cents; children 15 cents. Reduced fare will be given on the railroads. No one interested in cycle riding should miss these events. Races commence at 1:30 p. m.

A Pleasant Event.

There was a happy reunion one day last week at the home of J. F. Bihlmer, of Caladonia, when for the first time in 36 years, his father, Joseph Bihlmer, aged 85 years, met his brother David, aged 78 years, of Ruffalo, Pa. The coming of the brother was not known to Mr. J. Bihlmer, having been planned by his sons E. W. and J. F., and when told that a gentleman at the door wished to see him about purchasing his farm, went to the door and talked with the stranger for some time before recognizing him. The pleasure of the meeting of these aged men can better be imagined than told. Suffice it to say that the occasion will long be remembered by those present. Mr. C. F. Bihlmer, of Irwin, Pa., a son of Joseph, was also present and is visiting relatives herabouts this week.

Royal Templars Pay Promptly.

To E. L. Brewer, Secv. of Owosso Council No. 8, R. T. of T.: Dear Sir:—I take this opportunity of thanking you and through you the Supreme Council for the full and in every way satisfactory adjustment of the claim of my late husband, Jethro Shout, as represented by certificate No. 3497.

The draft of \$2,000 was very gratefully received and I shall ever cherish a deep interest in the prosperity of the Royal Templars of Temperance, and also have a strong desire that more young men especially, may become members therein, not alone for the aid it may afford loved ones left behind but for the wholesome influence of its total abstinence principles on health and character.

Very truly yours, MARY E. SHOUT.

Corunna, June 7, 1897.

Allgemeiner Arbeiter Bund of Michigan.

The Arbeiter societies of Michigan were represented in Owosso at the 29th annual convention by about 150 delegates and they were royally entertained by the local society and citizens on Tuesday, Wednesday and Thursday. The society is principally an insurance organization with a good time attached to their meetings. The death benefit is \$500, an attempt to raise it to \$600 being defeated, as was also an attempt to raise the age of admission from 18 to 21 or 25. The officers elected were: President, Chas. H. Werner, Detroit; vice president, Wm. Thielman, Grand Haven; rec. secy., Rudolph Miller, Detroit; cor. secy., Wm. Reichenmann, Lansing; treasurer, Eugene Oesterlin, Ann Arbor; trustee, Fritz Herz, Bay City; trustee, Charles Louth, Port Huron. The next meeting will be held in Saginaw, the city being chosen after three ballots.

G. R. Brandt Secures a Most Desirable Position.

While all good citizens will be pleased to learn of the good situation Mr. Brandt secures in the superintendency of the Wayne schools, unanimous expression of regret is heard on all sides that such an estimable gentleman will, because of this, leave town. Mr. Brandt has been a successful educator, and as a careful business man has few equals. Quiet and unassuming he yet wins the confidence and esteem of all who learn to know him.

The friends of Mrs. Brandt are also legion, and relative and friend alike regret exceedingly the possibility of a separation when Mr. Brandt's duties will call him to Wayne in September. That city may look forward to its educational interests being carefully guarded and its school work vigorously prosecuted by Prof. Brandt.—Perry Journal.

Mr. Brandt will succeed Herbert McEuen, formerly of this county. We are sure Wayne people will be well pleased with Prof. Brandt's service.

Blue Ribbon Meeting of Detroit Driving Club.

The Blue Ribbon meeting of the Detroit Driving Club begins this year on Tuesday, July 13th and continues for ten days, ending Friday, July 23d. While there is great interest in the merchants' and manufacturers' \$10,000 stake for 2:24 trotters on the opening day and the Chamber of Commerce \$5,000 stake for 2:24 pacers, on Tuesday, July 20th, each of which have twenty-three nominations, there are other events each day which will prove equally exciting and afford fully as much amusement. The program has been so arranged as to give three contests each day.

The champions of the trotting world will meet in the free-for-all on Wednesday, July 14th, in which have been nominated Alix, the queen, 2:03 1/4, Azote, th king, 2:04 1/4, Fantasy, the coming champion, 2:06, Ottinger 2:09 1/4 and Pilot Boy 2:10 1/4, the latter being by that grand old Michigan sire, Pilot Medium.

The same may be said for the free-for-all pace on Tuesday, July 20th, in which have been nominated Frank Agan 2:03 1/4, Royal Victor 2:08 1/4, Tom Ogden 2:07, and W. W. P. 2:05 1/4. These two purses are dashes of one mile, the winners to be paid \$800. The remainder of the purse \$1,200 to be trotted or paced for not less than three days after the first dash in a two-in-three race and will go \$600 to the first horse, \$400 to the second, and \$200 to the third. As the winner of the dash in the first race will receive \$300 more than the winner of the first money in the two-in-three race, it is probable with good day and good track that the public, in one of the two races, will see the fastest mile ever given in harness. The track has been put in the very best condition and the grounds are as fine as possible more beautiful than they were last year.

Our postmaster, in his prime, was something of an athletic, and was not easily intimidated, but it occurred to him that the gentleman exhibited some familiarity, but on demand of his credentials and his producing them, A. The Last Straw of Hope.

Like a sinking one the sufferer grasps after any seemingly available thing that promises to impart hope to fast falling life.

A promise means so much to the afflicted that there is little wonder they are so easily imposed upon. When hope is well nigh gone, when all that is sweetest and best in life seems fading from view, it is then that the poor starveling, human wreck, snatches at all that comes within their grasp. Here's the field the charlatan, the impostor, the human vulture guided under the cloak of a bogus medical education, works in, and imposes upon the poor misguided mortal. It is then of utmost importance that due inquiry be made as to the qualifications, ability and skill of the one to whom the sufferer contemplates trusting their case. Drs. B. S. and Co., make no claims that cannot be substantiated by proofs irrefutable and unimpeachable. What he has done he can duplicate again. He never fails in any case undertaken, if treatment is persisted in and directions intelligently and faithfully followed.

To sufferers from any or all functional or organic troubles we recommend them to call on Drs. B. S. & Co., when he visits Owosso, Tuesday, June 15, in the private parlor of the Wildermuth Hotel, from 9 a. m. to 6 p. m. One day only. Consultation free and strictly confidential.

National Flag Day.

Mayor Gould has issued the following proclamation urging the people of the city to observe National Flag Day on Monday next:

Every loyal American citizen cannot but feel a thrill of pride whenever and wherever he sees the emblem of our republic displayed, and it should not only be a duty but a pleasure to further the spirit of patriotism by a proper observance of June 14th, the day set apart by congress as the National Flag Day. I, therefore, urge upon the citizens of Owosso wherein they can consistently do so, to display to the breeze on June 14th the stars and stripes, the emblem of the American republic.

E. A. GOULD, Mayor.

Owosso, June 10, 1897.

All Cyclers

Who enjoy the pleasure of a spin on their wheels know that long rides are almost impossible to the rider who indulges freely in coffee. This beverage interferes with the action of the heart and this organ cannot pump the blood fast enough to keep pace with extra exertion, in consequence the lungs are unable to stand the strain without more life (blood) and the rider is obliged to slow up. Seventy per cent of the cyclers who are troubled with short breath will find upon investigation that the difficulty lies with the heart and not the lungs.

IT MAKES RED BLOOD THE RIDER

Who leaves off coffee and drinks Postum Cereal Food Coffee in its stead will find the trouble will gradually disappear. Postum is made entirely of grains and heals the system that is suffering from poisonous alkaloids in coffee.

A BEAUTIFUL GIRL

Barely Escapes a Life-Long Calamity It happened in this way: The young daughter of Mrs. E. S. Gibson, Greeleyville, South Carolina, was slowly but surely becoming a hopeless invalid. Her mother became anxious and haggard in her frantic efforts to save her daughter. None of her attempts to find a cure seemed of any avail. As stated in her own words:

"My daughter was taken sick some time ago and I tried many medicines in vain. She was weak, appetite poor, bowels constive, and night sweats. She appeared to be cold all the time, being taken with violent chills at times. Her nerves were in a very bad condition. At last I happened to see one of your little books and wrote you. You recommended Pe-ru-na. I gave it to her and she has now completely recovered. I owe all that I am worth in this world to you for saving my daughter's life. I shall always keep a supply of your medicines on hand. May you live long to help those suffering as my daughter was."

Pe-ru-na always cures such cases. Send for free book, written for women only. Address: The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.

DEATH OF P. M. ROWELL.

A Respected Pioneer Who Knew Owosso and Who was Widely Known.

P. M. Rowell died in Windsor, Ont., Wednesday morning, where he had gone for treatment in a private hospital, having left Owosso Monday morning. The cause of his death was apoplexy, he having suffered a stroke in January and a second one Wednesday morning. He appeared to be improving and his physician, Dr. Scott, left him Tuesday in good spirits.

Mr. Rowell was widely known and has been a resident of this city for a great many years, having lived in the present residence on east Oliver street when the city was a small village. He was 74 years of age and leaves a wife, one daughter, Mrs. Francis Labadie, and one son, Frank, besides a host of friends to mourn his loss. The funeral will be held from the family residence this forenoon.

Happily Wedded.

The Northville Record gives the following account of the wedding of M. L. Parker, of this city, and Miss Covert, of that place:

The marriage of Miss Minnie Covert to Miles L. Parker, of Owosso, was solemnized at the home of the bride's mother, Mrs. Isadore Covert, 55 Dunlap street, on Wednesday evening, by Rev. J. H. Herberner, of the Northville Presbyterian church, assisted by Rev. J. M. Belding, of Lapeer. There were about forty relatives and immediate friends of the contracting parties present to witness the pretty affair.

The bride, unattended, was attired in a handsome gown of straw colored silk, trimmed with black lace and jets and carried a bouquet of white roses. The ushers were Messrs. Orr Webster, Edward Merritt, Misses Minnie Smith and Genevieve Babbitt. The ceremony took place in the parlor beneath a huge crepe covered double arch, tastily trimmed with a festooning of smilax. From 7:00 to 8:30 Mr. and Mrs. Parker were tendered a farewell reception at the bride's home by two hundred or more of their Northville friends.

The bride and groom left on the 9:00 o'clock train for their future home in Owosso, where the best wishes of a thousand Northville friends follow them.

In Memoriam

GEORGE M. DEWEY. 'Tis now a faithful work is ended. Life's dear dreams attract no more. For every mortal tie is rendered: Shall we mourn, shall we mourn? Did thought of loved ones dim thy awakening? To heavenly joys transcendent? Far around the loving hearts were aching, That should not mourn, should not mourn. We know that on some glad tomorrow, We shall meet thee, radiant, In that home where comes no grief or sorrow So we will not mourn, will not mourn. We'll see thee in brighter lands and purer. As thou walkest on exultant, With joyous footsteps, ever firmer, surer, Then we will not mourn, will not mourn. We'll ever feel thy blessed presence near us, With loving watch incessant; And as heavenly winds some tender message leaves us, We will not mourn, we will not mourn. Mrs. Z. BURR GORF.

Humphreys' No. 10.

Humphreys' No. 10 promotes digestion by curing dyspepsia; strengthening the weak stomach; stimulating the liver; invigorating the kidneys; renewing the gastric juices; toning up the system; making new blood; quieting the nerves; inducing sleep and thus raising the spirits; dispelling despondency and allowing the dyspeptic to enjoy the pleasures of the table. No. 10 cures smokers' heartburn, the relief being almost instantaneous. It is one of Dr. Humphreys' favorite prescriptions and is just as reliable as his famous "77" for colds. Sold by druggists, or sent on receipt of 25c, 50c or \$1. Dr. Humphreys' manual of diseases at your druggist's or mailed free.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Dizziness, yield to Electric Bitters. 50c and \$1 per bottle at Will E. Collins' drug store.
