HUNT'S "JAVO" COFFEE!

Price 25c Pound.

Farmers wives know how to make a good cup of coffee, and if you have a first-class article which you offer them at a fair price, they generally appreciate it. I wish to call attention to my new brand of "Javo" Coffee. This is a fine blended coffee which I can offer you at the very low price of 25c a pound. This places it within the reach of all, and we expect for this coffee a large sale among the farmers of this county. The "Javo" coffee at 25c and our "Owosso" Japan Tea at 25c we defy anyone to match, and we will see that they are always kept up to their present high standard of quality. Get sample of this tea, try it, and tell your friends about it, and get them to try it, for it is certainly a great bargain.

To Cover Your Nakedness
IS ONE THING;
To Be Well Dressed
IS QUITE ANOTHER.

How can you be satisfied to wear ordinary, ready-made Clothes, or cheap tailored ones, when you can buy garments bearing this label, made of the very best materials by expert custom tailors, after the most fashionable models, at about the same price of the former and a great deal less than the latter?

Stein-Bloch Clothes don't pay us big profits, because we sell them at prices quite as low as the ordinary Clothes are sold at.

You cannot get as good Clothes except from high-class tailors and then only at about double Stein-Bloch prices.
