OWOSSO FRIDAY, AUG. 5, 1898.

LOCAL NEWS.

Rev. W. W. Benson will speak on "The Man of Uz" at the Asbury church Sunday evening.

The Owosso City Mills sold one hundred and thirty-three barrels of flour Monday to the local trade. Pretty good record for one day.

The annual picnic of the old settlers of Saginaw county is to be held at Chesaning, Aug. 17. Hon. W. M. Kilpatrick is to be one of the speakers.

An ice cream social will be held at the home of Geo. Martin, of Maple river, on Friday evening Aug. 12. An Owosso band will be in attendance.

A party of young ladies from Corunna gave a picnic party at the park Monday afternoon. A few Owosso friends were included among their number.

The summer meeting of the Michigan Republican Newspaper Association is to be held at Alma, Sept. 1 and 2. The citizens of that wide awake village are preparing to give the editors a royal welcome.

The roof of the new casket factory building is now on and work is being begun on laying the floor. The new part will be ready for occupancy in about two weeks.

The M. E. church floated a handsome 10x15 foot American flag to the breeze Sunday for the first time, the flag being between the corner of the church and the trees on the corner of the lot.

McDonald's base ball team, of Stewart's addition, will play a game of ball at Henderson with the representative team of that town tomorrow afternoon. Four members of the Owosso Masqueraders will assist the McDonalds in defeating their opponents.

Knapp & Smith received a handsome new funeral car Tuesday. The car is of the latest design and has the plain massive looking top without the uns, a style which is being followed generally by the best makers this year.

An alarm of fire was turned in Monday forenoon and the department responded only to find that the fire was out. It was only some burning tar which had boiled over from a kettle in use by Mr. Holmes to repair the Dimmick store roof.

THE TIMES job department turned out this week a record of 115 pages for Attorney F. F. Bumps, in the case of L. M. Viers vs. the Detroit Paper Package Co., in which J. N. McBride and H. P. Dunbar are interested, Mr. Bumps representing them.

Should you wish to improve the quality of your bread, use the Celebrated Yeast Foam. Nothing like it for producing a light, sweet nutritious loaf of bread. It will retain its moisture and nutty flavor longer than bread raised with any other yeast ever put upon the market. Try it.

Ed Payne has been making various alterations and improvements in the Payne cannery factory which he has practically ready for business again. He has just laid in a large supply of cans and expects to put up a large quantity of tomatoes, the work on which will begin soon.

Miss Lena Keyte and Miss Matie Richardson have shown their appreciation of a picturesque spot and a fine old hall which might well be made a popular one for social gatherings, by choosing Gute's Hill as the place where they will entertain a party to-night. Mrs. Murray and Mrs. P. H. Black are the chaperons.

Miss Helen Shanafelt gave a bicycle party to a few of her friends Tuesday evening. The party rode to Corunna and back without any serious mishaps—in spite of the fact that the moon stayed hidden behind the clouds—and had a full view of the Fish fire on the way back. Refreshments were served after the run.

Mr. and Mrs. Fred Carpenter celebrated their tenth wedding anniversary Monday by helping their little daughter Gail celebrate her fifth birthday anniversary, though the birthday itself was Sunday. About fifty of the little friends of the latter formed a very happy party on the lawn and under the shade of a canopy raised for them. A dainty supper was served them about five o'clock.

After coming out of the Owosso Savings Bank Tuesday and finding that his wheel was no longer where he had left it a short time before C. E. Rigley gave a practical illustration of what should be done under such circumstances. By keeping the wires hot a considerable portion of the afternoon, he notified all the sheriffs and deputy sheriffs within reach; he had roads and trains watched, and a number of postal cards mailed, offering ten dollars reward for the return of the wheel. All this was done before five o'clock, when he received a telephone message saying that C. S. Ensminger had taken the wheel by mistake, leaving his own in its place. Tableau, and disagreement as to where the laugh belongs!

Born, this morning, to Mr. and Mrs. R. E. Travis, a fine daughter. Both mother and daughter doing well.

Owing to continued poor health, W. D. Garrison, of Vernon, has tendered his resignation as president of the Corunna National Bank. Patrick Gallagher has been chosen to succeed him.

Miss Annie and George Thomas gave a trolly party Wed. evening in honor of their cousins, the Misses Cooper, who are visiting them. Following the trolly ride the party spent a very pleasant evening at the Thomas residence, west Main street.

A large number of excursionists from both north and south on the Ann Arbor road were in Owosso Sunday, reaching the city about noon. The most of the crowd spent their time at the park, the crowd upon the street not being very large at any time.

Another addition to the Owosso Manufacturing Company's warehouses will probably be erected within a short time completely filling the vacant triangular space between the north end of the present warehouse, the M. C. roadway and Chipman street.

Rev. W. S. Ament gave a very interesting address at the Y. M. C. A. rooms last Sunday describing a visit made by him to the great wall of China. Those who have attended all the addresses by Mr. Ament have gained a valuable insight into the life of men in that apparently crumbling empire. There will probably not be however many more chances to listen to him as he expects to return to his work as a missionary in China within the next few weeks.

The home of L. C. Fish east of the city on Main street caught fire and burned to the ground Tuesday night while the family were all absent, all except Mr. Fish being away camping and he being at supper time. A very few pieces of furniture were saved but nearly everything was destroyed with the house. Insurance one thousand dollars. Loss three hundred dollars above insurance. The Silsby fire engine was taken out but arrived too late to do more than prevent the fire from spreading further.

Charlie Stone is having considerable fun showing the boys a copy of last Friday's Lansing State Republican which in heavy headlines states that "Stone of Owosso" won the Expert Championship medal at the state shoot held there the day before. The joke of it is that "Stone of Owosso" was not there at all and while it had been a rifle shoot instead of a shot gun contest he might have been heard from, he does not even pretend to do any trap shooting. It was probably a Flint man who was robbed of his just honors though a few years ago he too lived in Owosso for a while and was known among Owosso shooters as a fine shot.
