**BOERS DRIVEN BACK.**

Repulsed by the Yorkshires and New Zealanders.

**TWENTY KILLED, FIFTY WOUNDED.**

The Boers Attempted to Rush a Hill but Were Repulsed at the Point of the Bayonet—Little News of Moment from the Scene of the War—Letter Written by General Wauchoppe Just Previous to His Death—Kruger's Proclamation.

Rensberg, Cape Colony, Jan. 16.—The Boers attempted to rush a hill held by a company of the Yorkshires and the New Zealanders, but they were repulsed at the point of the bayonet. The Boers had twenty men killed and about fifty wounded.

London, Jan. 16.—The complete absence of news from Natal up to this hour proves that the censorship will allow nothing to pass until General Buller's plans are executed or have failed. Even General Roberts, in his last report, refrained from mentioning a word about Natal or General Buller.

Long Range Shelling. From the other columns there is little news of moment. Modder river advice only report daily long range shelling, from which the Boers are supposed to have suffered severely. A dispatch from Sterkstroom, dated Monday, Jan. 15, reports that General Gatacre's troops had made a demonstration beyond Molteno, in the direction of Stormberg, in the belief that

GENERAL WAUCHOPPE. the Boers intended to seize Molteno. The burghers were not sighted and the British remained at Molteno. Arrivals from Stormberg estimate that there are 4,500 Boers at that place, mostly revolted colonists and Free Staters. President Steyn's brother is the landrost. General French continues to shell the Boer positions, but nothing decisive has taken place.

Loss Confidence in Methuen. Evidence accumulates that General Methuen's blunder at Magersfontein has lost him the confidence of his entire force to such an extent that, it is declared, it is doubtful if the troops would follow him in another attack on the Boers. The war office is understood to be in possession of a letter written by General Wauchoppe the night before the battle, saying that would be the last letter he would ever write, as he had been asked to perform an impossible task and he had either to obey or to surrender his sword. An immediate change in the command of the force may, therefore, be expected. It is anticipated in some quarters that Lieutenant General Tucker will succeed General Methuen.

ALL CALLED TO ARMS. President Kruger of the Transvaal Issues a Proclamation.

Lorenzo Marques, Jan. 16.—President Kruger has issued a proclamation calling upon all burghers to take up arms and march to the front. He has also sent out a circular to the Boer generals, commandants, and burghers urging them to trust in the Lord and to show energy in the war against the British. He says:

"Through the blessing of the Lord our great cause has been carried to such a point that with energy we may expect a successful issue. Read psalm xxxiii. The enemy have fixed their faith on psalm lxxxiii. Do not forget the enemy. Create devastation wherever you go in Cape Colony. They seize, sell and destroy the goods of the Africans. In the Free State they lay waste farms."

President Kruger likens the destructiveness of the British to an attack of the devil on Christ's church, and says: "I am searching the entire Bible and find no other way possible than that adopted by us. We must continue to fight in the name of the Lord."

Palm xxxiii is the well-known hymn of praise to the Lord for his goodness, beginning: "Rejoice in the Lord, O ye righteous." Psalm lxxxiii is the song of Asaph, in which occurs the verse: "They have said, 'Come and let us cut them off from being a nation.'"

The Volksstem makes a suggestion that the entire gold-mining industry of the Transvaal should be destroyed beyond the possibility of remedy the instant the British cross the border.

**AFTER THE BATTLE.**

What an Associated Press Man Saw at Ladysmith.

Weenen, Jan. 16.—A representative of the Associated Press visited the battlefield at Ladysmith and saw large numbers of Boers dead. The British guns seem to have worked great havoc. One Boer was completely disemboweled, another had his head clean shot off, and a couple of others were killed by the same shell, evidently while eating their luncheon, as half-eaten hard-boiled eggs lay beside them. Some Natal Dutchmen were recognized among the dead. A number of Boer bodies and carcasses of horses have been washed down Intombi Spruit, which became a raging torrent during a heavy thunderstorm. The British while digging graves were fired on by the Boer artillery and several of them were hit. Soft-nosed bullets and dum-dum cartridges have been found on wounded prisoners. Volunteers carried the Boer dead off the hill and handed the bodies over to their comrades at the bottom. Over ninety were thus carried off Wagon hill alone.

Bombardment of Mafeking. London, Jan. 16.—A dispatch dated Pretoria, Jan. 13, says. As a result of the bombardment of Mafeking yesterday the British fort at Eastward was demolished and the British retired. One Boer was wounded. Advice from the head laager at Ladysmith report that the attack on that place Jan. 6 was disastrous to the British and that Ladysmith appears to be in sore straits.

WHITE-SIDE CROSS-EXAMINED. Faulkner Tries to Break Down Some of His Testimony.

Washington, Jan. 10.—Ex-Senator Faulkner resumed his cross-examination of Mr. Whiteside of Montana in the case of Senator Clark of that state. He began the day's proceedings in an effort to break down the testimony of Whiteside concerning the part taken by State Senator Clark of Madison county in exposing the alleged misconduct of his namesake in connection with the senatorial election.

Whiteside repeated his statement that he had seen Mr. Clark of Madison go alone to the room of Wellesome, one of the managers for Senator Clark, and also that Mr. Clark, the state senator, had asked a day to consider the proposition to enter into the agreement to expose the alleged bribery proceedings. He asserted that the suggestion that this state senator's vote could be secured had not originated with him, but with Wellesome. He said many of these points had not been touched upon at the legislative investigation or before the grand jury, because both these proceedings were comparatively brief.

At Mr. Faulkner's instance Mr. Whiteside went over the details of the transaction with state Senator Myers, who was one of his associates in the alleged exposure, and also told again the circumstances under which money was given to him. Both transactions had been conducted in the bath room of Mr. Wellesome's room at the Helena hotel. Mr. Whiteside also detailed some of the particulars of a visit made to New York and Washington by himself in February of last year. He said he had met here among others Mr. Campbell, counsel in the case, and Mr. Durston. He had not met them by appointment but they had discussed whether they should make their disclosures to congress before the adjournment last March or wait until the beginning of the present session. He and Mr. Campbell had been the most active agents in the present prosecution.

Shafter to Act As Boerist. Washington, Jan. 10.—The war department has ordered Major General Shafter to escort the remains of Major General Henry W. Lawton from San Francisco to this city upon their arrival at the former place from Manila about Feb. 1. One of his aids de camp will accompany General Shafter. The remains will be interred in Arlington cemetery with full military honors, and the services will be attended by the president, the cabinet, representatives of the army and navy and other distinguished public personages.

No Improvement in Greely's Condition. Washington, Jan. 10.—There is no decided improvement in the condition of General A. W. Greely, who was thrown down the steps at his home on Sunday night by James W. Furnace, a drunken expressman. Contusion of the brain is feared. Furnace was released on \$500 bond, but the police authorities rearrested him, and the amount of bail was increased to \$1,000. He was unable to furnish this amount and remains in custody.

Meaning of the Term "United States." Washington, Jan. 10.—The ways and means committee of the house held a meeting at which an important resolution was adopted upon motion of Newlands of Nevada as follows: "Resolved, That a committee of five be appointed by the chair to report the authorities and the law as to the meaning of the term 'United States' in that provision of the constitution which declares that 'all duties, imposts and excises shall be uniform throughout the United States,' viz: whether it includes simply the area actually included within the boundaries of states or whether it covers also the territory belonging to the United States."

Wooded by Threats of Suicide. Toledo, Jan. 10.—Caroline Schmutz, nee Bunde, who was married a year ago to Frederick Schmutz, has filed a petition for divorce. She claims Schmutz threatened to kill himself if he did not win her for his wife, and she felt it was incumbent upon her to prevent his untimely taking off. She now says that she thinks he was lying. She says also Schmutz claimed he was wealthy and temperate, but that he proved to be neither.

A Fiendish Attack. An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bites which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at J. S. Huggart and W. E. Collins & Co. drug stores.

**MICHIGAN'S UNTAXED PROPERTY.**

Millions of It in the Shape of Credits, Notes and Mortgages. Coldwater, Mich., Jan. 9.—Milo Campbell, president of the state tax commission, says that the reports for the last five months show that credits, notes, mortgages, and intangible property of all kinds exist in Michigan to the value of millions untaxed and kept from the knowledge of the assessor. Saginaw has \$4,000,000 of credits, yet only \$62,300 is assessed. Bay county has only \$7,500 and Muskegon none. Jackson county, including Jackson city, with vast corporations, is credited with only \$841,000. Battle Creek, with five big corporations, has personal property sworn to as \$4,012,000, and is assessed for only \$341,000. In St. Joseph county some are assessed as high as 100 per cent., but more at only 10 per cent.

The Wrong Day. The heartless landlord has come to evict the widow with 18 children, many of whom are teething. But at the threshold the woman waves him back imperiously. "Not today!" she cries. "Why not?" asks the landlord, with pardonable curiosity. "Because," the woman replied, "no pitiless storm of rain mingled with icy sleet rages without!"

The landlord grinds his teeth in impotent rage. He may trample under foot the promptings of his better nature, but not the conventionalities established by long usage.—Detroit Journal.

Tom O'Rourke, Dixon's mentor and chief second, performed an act of mercy when he threw up the sponge after the little colored man had been knocked down five times and there was no hope for him. The purse was for \$10,000, and 6,000 persons witnessed the fight.

Demand More Wages. Cleveland, Jan. 10.—The rod mill workers employed by the American Steel company in this city have demanded an increase in wages of 12 1/2 per cent. The company offered to compromise, it is understood, on 7 1/2 per cent. This offer was rejected by the men, who say, that unless their demands are conceded by next Monday, they will go out. Should the men strike, several thousand mill workers would be affected directly and indirectly.
