A Business Proposition.

THE CIMARRON GOLD MINING and DEVELOPMENT CO.,

of Colorado, owning valuable mining prospects, consisting of 30 acres of mineral land adjoining a shipping mine in Colfax county, New Mexico, begs to call your attention once more to the offer recently made in this paper to sell a portion of its capital stock for development purposes, at the extremely low rate of Five Cents Per Share for \$1.00 shares, stock to be full paid and non-assessable, and guaranteed against over issue by being registered with the International Trust Co. of Colorado Springs.

Until September 20th, subscriptions will be received as follows:
No less amount than 200 Shares will be sold.

10.00 buys	200 Shares, Par Value	\$ 200.00
15.00	300	300.00
20.00	400	400.00
25.00	500	500.00
50.00	1000	1000.00
100.00	2000	2000.00
250.00	5000	5000.00
500.00	10000	10000.00
1000.00	20000	20000.00

In offering this stock for sale, we do so (as the price suggests) as a purely speculative investment. We do not claim that any of the properties are to-day paying mines, but we expect by systematic development to place the Company, in the near future, upon a dividend paying basis. Inquiries or subscriptions may be addressed to any of the following Directors:

JAMES W. HINE, Pres., P. O. Box 414, Detroit, Mich.
R. C. TRAYER, Vice Pres., Colorado Springs, Colorado.
E. A. SUNDERLIN, State Savings Bank, Detroit, Mich.
JOHN A. MAY, Lansing, Mich.
