HORRIBLE BUTCHERY

Crazed By Jealousy, Husband Shoots Wife, Children and Two Men.

THEN TAKES HIS OWN LIFE

One Child Dies—Frightful Domestic Tragedy Enacted in Polish Family Near Grand Haven—Two Are Mortally Wounded.

Grand Haven, Mich., Nov. 28.—Two dead, two dying, one seriously injured and another but slightly shot, sums up the butchery which occurred in Robinson township, 12 miles from this city, Monday.

Carl Kokosinski, an enraged Pole, was the slayer. His little son, Eddie, is dead, his wife, Hattie Kokosinski, is shot through her face and one arm, but it is believed will live; Frank Dubrowski, who was looked upon as Mrs. Kokosinski's paramour, is dying at a neighboring farm house with a 32-calibre bullet in his lungs and another in his side.

Innocent little Max Kokosinski, aged 5, is lying with a bullet in his head in the very room where his crazed father shot him; Joseph Smith, who happened to be stopping at the house, has a bullet wound across his abdomen, but the injury is only a flesh wound.

Carl Kokosinski, after completing his deadly work, put a bullet in his own brain and died instantly.

The tragedy occurred in the farm home of Frank Dubrowski, an unmarried Pole, aged 25. Dubrowski and Kokosinski were supposed to be friends, and the latter's family lived at his place since last August. The two men had for three years been shopmates in the big Pullman works, Chicago. When Dubrowski bought a farm here two years ago, he urged Kokosinski and his wife to come and live with him.

This August they came, and some weeks ago both men returned to Chicago to work, leaving the woman and children at home. Dubrowski, after a time returned. Neighbors gossiped and declared that Mrs. Kokosinski thought more of Dubrowski than of her husband.

Monday morning, Kokosinski arrived from Chicago. He hired a rig at a local livery and had the young man drive him out to Robinson.

Reaching a spot a quarter of a mile from where the butchery later occurred, Kokosinski got out of the rig and walked the remainder of the mile.

Mrs. Kokosinski says that while she and Dubrowski and Smith were eating, the door suddenly opened. She turned around and saw her husband.

Wife Is Shot.

He shot her flush in the face. She jumped up, the blood spurting from the wound, to receive another bullet in the arm.

Then Kokosinski turned the gun upon Dubrowski and shot twice. Smith, who is an old man, was next shot, but he begged for his life and the murderer allowed him to run from the house. Kokosinski did not pursue his wife and Dubrowski, who ran to neighbor's across the road.

Dubrowski fell once from weakness, but Mrs. Kokosinski pulled him into the house, fearful that the murderer would pursue.

Alone in the house with his two little sons, Kokosinski put a bullet into the head of each, and then applied the gun to his own brain.

KILLED SON-IN-LAW.

Quarrel Near Niles Has a Tragical Ending.

Niles, Mich., Nov. 28.—Albert Hinkley, aged 51, shot and killed his son-in-law, William Tuttle, aged 42, at the home of the former, at 3:20 o'clock Monday morning, about six miles north of here. Hinkley claims Tuttle was trying to separate him and his wife.

Last Thursday Tuttle went to Hinkley's house and induced Mrs. Hinkley to go home with him. She is his mother-in-law, and he claimed that she was being abused by her husband. At 2 o'clock Monday morning, Mrs. Hinkley left Tuttle's house and went back home. Tuttle followed her at 3:20, and when he arrived at Hinkley's house, Hinkley ordered him off the place.

"Damned if I'll go," is what Tuttle is alleged to have said.

Hinkley then fired with a shotgun, tearing away the right side of Tuttle's head. Hinkley telephoned the police and gave himself up. The police found Tuttle's body lying over the threshold.

Hinkley says that he didn't intend to kill Tuttle; that he had his gun ready to scare him, and seized the muzzle of the gun, which exploded with fatal results.
