ALBERT E. SLEEPER
of Bad Axe
FOR GOVERNOR

Albert E. Sleeper should get your vote at the primary:

Because He's a Michigan man grown from a New England boy.

He has western vision and strength to do big things; and

Yankee common sense and thrift.

Where he's known he is the trusted friend and financial advisor of the community.

If you want to know about him ask the boys he's helped through school, the people whose homes he's saved from foreclosure, the business men he's started—and those he's carried through financial troubles.

They are as one for "Uncle Bert"—24 hours a day. Ask them.

Also remember he cleaned up the Glazier mess in the State Treasury.

He kept each dollar where it belonged.

He made the depository banks give bonds to secure our money.

He issued public statements so you and I could tell what money we had in Lansing.

The people of the "Thumb Country" are for Sleeper, not because he lives there, but because they know the man, his friendliness, his common sense, his integrity, his ability.

Vote for him Aug. 29.

You will be glad you did when you know him—[Besides, he's a winner.]
