COLLEGE LADS TOMORROW NIGHT

Star Aggregation Will Be
Greeted By Large Crowd
—Advance Sale Surprises

The tickets are selling fast for the
big concert to-morrow night. The
fact that this is to be one of the big-
gest attractions to come to Heppner
in recent years has created widespread
interest and the people are taking ad-
vantage of it. And well they might
for the word comes along the line
where the Club has visited that they
proved to be everything claimed for
them and even more. Their enter-
tainment is not only a delight but a
surprise, as well. The capable
manner in which they handle difficult
selections is bringing forth favorable
comment from people who are inclined
to be critical.

The Club is a representative body
of students from the "farmers' school"
and are being royally entertained
along the line. Last Thursday at
Portland, where the boys gave a concert
at the Heilig theater, the Port-
land Progressive Business Men's
League gave a dinner in their honor,
at which many notable men were
present. Their concert in the leading
theater of Portland was well received
by a large audience and some of the
numbers were recalled as often as
four times and each one was encored
heartily.

At Hood River, a very successful
concert was given, following which
the Alumni Association gave the boys
a luncheon and reception.

The Dalles was visited on Sunday,
and the Superintendent of Schools
there, Mr. A. O. Strange entertained
the Club at his home. The concert
given in that city was reported to
be very successful.

These instances are only given to
prove our statement at the beginning
that the boys are being well received
all along the line and are giving a fine
entertainment.

A packed house will greet them at
Heppner on tomorrow evening.

pletely cured me." Best for stom-
ach, liver and kidney troubles, con-
stipation, headache or debility. 25c.
