HAPPY WOMEN

Plenty of them in Heppner, and
Good Reason for It.

Wouldn't any woman be happy,
after years of backache suffering,
days of misery, nights of unrest,
the distress of urinary troubles,
when she finds freedom. Many
readers will profit by the following:

Mrs. Victor Groshens, Heppner,
Oregon, says: "I first learned of
Doan's Kidney Pills when living in
Pendleton about six years ago. For
a long time my back ached constantly
and I was induced to try Doan's
Kidney Pills by reading of them in
the newspapers. The contents of
two boxes drove the backache away."

"When Your Back is Lame—Remember
the Name." Don't simply
ask for a kidney remedy—ask
distinctly for Doan's Kidney Pills,
the same that Mrs. Groshens had—
the remedy backed by home testi-
mony. 50c. all stores. Foster-
Milburn Co., Props., Buffalo, N.Y.

Seeing eight and ten carloads
of wheat going out from Lexing-
ton every day makes one feel
that right around here is a pretty
good place to live after all.

social Saturday evening, Sept.
21, at the Artisan hall. The eve-
ning will be spent in music and

The Trials of a Traveler.

By the way the wheat is string-
ing into town these days one
would think the farmers were
made of wheat. Begins to look
like we might have a little flour

A NEW INSTRUMENT
An attachment for hoe drills as illustrated here
has two very valuable and important features
which every progressive farmer will appreciate.
One. They are made to fit any hoe, are easily
adjusted and answer the double purpose of regu-
lating the depth of sowing and at the same time
presses the soil firmly around the grain thus insur-
ing immediate germination.
Splendid results are obtained from their use.
