Lexington School Notes.

We will have vacation from Christmas day till the Monday following New Year.

We feel that a vote of thanks is due the churches in our city for they are working very hard to give the little folks and older people a good and peaceful time at Christmas. The writer wishes to show appreciation by wishing all a Merry Christmas and a Happy New Year.

The High School Boy's Basket Ball team expect a game with the Heppner High School team last Friday evening but the Heppner boys failed to appear. That the audience might not be entirely disappointed, the girl's High School team played a practice game with the town team.

On New Years Eve, the Lexington school will give an evening of entertainment or the benefit of the school. The program will consist of a number of short plays. After the plays, there will be skating until the old year passes out. That the evening may be more fully enjoyed, the Ladies Aid will serve lunch to those awaiting the approach of the New Year.

Harley Adkins came down from Milton last Friday to spend Christmas with his parents in this city. Harley has been a student at Columbia Junior College since last September.

Own Your Own Home.

Every man should own his own home. Rent is a dead horse. You are better contented and will save more money if you own your own home. Paying for a home on terms is the same as putting your money in a savings bank—only better. We are offering some town homes at prices and terms that ought to appeal to you. Come and see us.

Smead & Crawford.

The Federated Church.

The pastor, Dr. T. J. McMurray, will occupy the pulpit of the Federated church next Sunday morning and evening. All who attend these services are extended a cordial welcome. The forenoon service begins at 11 o'clock, and the evening worship at 7:30.

I am introducing the Rumley Cream Separator to the people of Morrow county. The best thing of the kind on the market. Can give full demonstration of how the machine works. Come and see it.

Gets Fine Calf.

Rural Spirit—M. F. Rose of Mayten, Calif., who topped the Minor, Brown & Dunn sale last March by buying Minor's Choice Bud 8th for \$500, reports a fine heifer calf from this great young cow. Some of Mr. Rose's friends and neighbors predicted she would not breed because she was highly fitted but Mr. Rose proved that a Shorthorn cow can be put in very high condition and still be a good, successful mother, just as Mr. Minor did with her dam, which he purchased for \$1700 after she had been junior champion at the International.

I have three year old mules, ready for work in the Spring, good work horses and Jack that I will sell, as I am overstock. This is a bargain. Call at my place in Sand Hollow.

Joseph Herald—F. F. Hufford, residing in the Hill house on Mill street offers for sale all of his household goods at private sale. Call any time. He and his family expect to leave soon for their former home in Ohio to remain.
