Many other recitations, dialogues and songs by the school made up an exceptionally fine program.

The basket social at Eight Mile center was pulled off Saturday evening as advertised. The attendance was large and baskets seemed to be plentiful. Everyone tried to outdo her neighbor in making a pretty basket. If prizes had been offered it would have taken good judges to decide between the baskets brought in by Mrs. Laurence Redding, Miss Emma Bergstrom and Mrs. Joyce Hays. There were lots of them that were strong seconds and we believe that thirds were left out because no one could judge fairly and find anything but firsts and seconds among the baskets.

The Washington's birthday program arranged by the teacher, Mrs. Joyce Hays, was excellent. The children were well trained and put on the nicest flag drill that the writer has ever had the pleasure of witnessing. Miss Hannah Bergstrom gave a recitation entitled, "Stealing a W. termelon." But the melon happened to be green and didn't go "punk".

A song, "The Flag We Love" was sung by the Eight Mile Glee Club. They responded to an encore with "America."

The house was beautifully decorated with flags and bachelors arranged by the school under the direction of their teacher.

The proceeds of the sale were \$38.95 and are to be used in paying for the school furniture lately purchased and a framed picture. Oscar Keithley was auctioneer and Miss Hannah Bergstrom served as clerk.
