

# Drive off Disease *and* Drugs OXYPATHY leads the way

Quit the sick habit! Cease your dependence on Dr. Dopem's Drugs. OXYPATHY will make you well and keep you well. Get our

### FREE 72-page Book Revealing the Startling Secrets of Modern Medical Practice

and telling about OXYPATHY. Yes, read this book. Learn what medical practice really is. View it through the clear eye of reason rather than through the time-dimmed eye of belogged tradition. Just see how ridiculous is the system that tries to cure by dosing with nauseating drugs and often deadly poisons. Come out of the Dark Ages—cease your Hero-Worship—use your own brains.

#### Be Your Own Physician. Our FREE Book Tells How

There's only one real medicine, and Nature provides that abundantly—Oxygen—the great life principle. OXYPATHY is the method of using Nature's Oxygen to prevent and cure disease. Get sufficient of this great restorative, purifier, tonic and builder into your system and you will always enjoy sound, vigorous health. Get our book and learn about the OXYPATHOR—the 20th Century

device for attracting sufficient Oxygen into your body. Just say "send your book" and we will send you this 72-page book of intensely interesting information and startling disclosures about "commercialized medicine"—also tells all about Oxygen, OXYPATHY and the OXYPATHOR. Address our local office
