There's not a heart, however rude,
But hath some little flower
To brighten up its solitude,

A Prayer.

Give me one kind, confiding heart,
To cheer me in life's pilgrimage—
To soothe me when my hopes depart,

A Cow Re-tailed and Curtailed.

A Tale of a Tail. A cut and shuffle fellow,
who had been regularly educated to the profession of card-playing, a close student,
who over the midnight taper had spent many a silent hour studying out the mysteries of faro, brag, poker, seven up,
and of 'stocking' and 'putting up' cards,

A capital idea now flashed upon the professor.
He was in momentary dread of the ox's tail dropping off, and a way to remove his alarm and the tail together, occurred to him.

'Look here, neighbor,' said he, calling a flush of blood to his face, and pretending to be highly incensed, 'are you in earnest? I should just like to hear you say that again!'

'Well, now, let's see you swear,' said the professor, and he jerked out his knife whipped off the tail, taking care to hit the old stump and make it bleed, and flinging the evidence of his roguery as far as his strength would send it into the stream, he exclaimed, seemingly in a towering passion, 'Now, stranger, let's see you swear!'

The owner of the cow was fairly beaten. He took another look at her, gave a glance after the tail, stared for a moment at the professor, and then walked ashore and mounted his old horse. He turned again to look at the cow, and as the boat put off he thus soliloquized aloud:—'Well, of all the most extraordinary resemblances I ever did see! That's my cow's head—there's her old broken horn—I'll swear to her fore legs—I'll swear to her hind legs—I'll swear to me, I'll swear to every inch about her but her tail!'—Picayune.

ATTENTION BALD HEADS.
OF all the remedies ever devised for the restoration and preservation of the HAIR, nothing has been found equal to ALBERT'S OLEAGINOUS HAIR TONIC. It seldom fails to restore the hair to health and beauty. Many who were bald three months ago, can now exhibit luxuriant heads of hair.

Copy of a letter from Dr. S. S. FITCH, Philadelphia, May 10, 1830.
Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of Albert's Oleaginous Hair Tonic, sold by you. My hair had been falling off about two years, and had become very thin, threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different preparations of Beal's Oil, Vegetable Hair Oil, &c. &c., without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street.
Haddonfield, N. J. Feb. 12th, 1839.

Dr. J. Jayne.—Sir—I take pleasure in informing you that the bottle of Albert's Hair Tonic, which I obtained of you last October has proved most satisfactory and successful. My hair had for a long time been exceedingly thin. But for two or three years past it had so fallen out, that my head had become almost entirely bald. I was under the necessity of concealing the baldness by combing the hair on the sides over it. But now after using about half a bottle of the "Tonic," I have as luxuriant a growth of hair as I ever had. C. C. PARK.

The Rev. Leonard Fletcher, Pastor of the Baptist Church, at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the HAIR TONIC, and has now a fine growth of new hair over all that part of his head where he was before bald, writes:—
" My hair is growing finely, I assure you."
L. FLETCHER.
West Chester, Pa. March 2, 1839.

Mr. Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all his hair from the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the Public Press in Philadelphia have also had their baldness removed by using this remedy. The Rev. Mr. PARKER, Pastor of the Presbyterian Church in Delaware County, Pa., who was completely bald over all the top of his head, and was also becoming considerably GRAY, has used only two bottles of this Tonic, and has not only a luxuriant growth of new hair upon his head, but all the GRAY HAIRS have disappeared, and their places have been supplied by healthy hair, of a natural color. Finally, many cases of baldness out of every ten may positively be removed by a faithful application of this valuable remedy. There is, therefore, NOW NO EXCUSE FOR A BALD HEAD.

Prepared only by Dr. D. J. JAYNE, sole proprietor, No. 29 South Third Street, Philadelphia. Price \$1.00 a bottle. Sold also, by

DUTTON, CLARK & CO., Agents for Brattleboro; where also may be had Jayne's Expectoant and Camminative Balsam—the most valuable family medicines that have ever been known. 6moep14

A certain Cure for the PILES.

HAYS' LINIMENT has been used by thousands for the above distressing complaint, and in no case has it failed to effect a cure. It was the last death bed bequest of the celebrated Dr. Gridley to his friend and attendant, Solomon Hays. Hundreds can testify to the wonderful effects of this Liniment, who have used it in New York, and who say it works like a charm. The following are some which have been handed to the proprietors, in addition to which many respectable citizens have voluntarily called and left their addresses with permission to refer to them.

SALEM, June 11, 1832.
Mr Hays—Esteemed Friend, I am happy to inform you that my wife has used those two boxes of Liniment which you sent her, and is now entirely well of the Fistule, and it is to the astonishment of all her friends and attendants. I shall be in town in a few days with my wife, and shall amply compensate you, and shall not forget to recommend it to all my friends who may be so unfortunate as to be troubled with so desperate a disease.
JOSHUA DODGE.

This certifies, that I have been many years afflicted with the Piles; and have in vain paid out considerable money for various remedies. Having heard of your Liniment, I purchased a box, and soon after using it according to directions, was entirely cured of the complaint. I recommend it as a safe and effectual remedy.
SAMUEL WIMAN.
New York, Dec. 1, 1832.

I do hereby certify, that for a number of months I was severely afflicted with the Erysipelas, and tried a number of remedies to little purpose, until I purchased a box of your Liniment, from which I found immediate relief and a perfect cure.
JAMES JACKSON.

This will certify, that I have been troubled with the Piles most of the time during several voyages to Europe; I have applied to both European and American physicians without success—have used part of one box of Mr Hays' Liniment, which has effectually cured me.
GEORGE JEMERSON.

Mr Perley Sibley, of Athol, Mass., has been greatly afflicted with the Piles for 50 years past. He stated to one of the proprietors of Hays' Liniment, that he tried almost every thing that had been recommended to him, and had followed the advice of many physicians, but obtained no relief. Having seen Hays' Liniment recommended in one of the papers, he was induced to try it, although he had little faith in advertised nostrums. He has used one bottle, which has given him great relief and almost entirely cured him; he thinks one bottle more will cure his complaint, and he recommends all who may be troubled with the piles to try this remedy. October 4, 1839.

Who wants better Evidence.

I WOULD refer the reading public to the numerous voluntary letters published recently in the Good Samaritan relative to the happy and beneficial effects of the administration of

MOFFAT'S LIFE PILLS & PHENIX BITTERS.
Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In cases of FEVER of every description, and all bilious affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally admitted to be the most speedy and effectual cure extant in all diseases of that class.

The LIFE MEDICINES are also a most excellent relief in affections of the Liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the head, whether accompanied with pain and giddiness, or marked by the grievous calamity of impaired mental energy; in palpitations of the heart, flatulency, loss of appetite and strength, and the multiplied symptoms of disordered digestion, THE LIFE MEDICINES will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of THE LIFE MEDICINES. Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the chill watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of THE LIFE MEDICINES, and all that train of sinking, anxieties, and tremours which so dreadfully affect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefited:
Case of Jacob C. Hunt, New Windsor, Orange County, N.Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced quick relief from the use of the LIFE MEDICINES, and in less than three months was entirely cured. [Case reported with a wood engraving in a new pamphlet now in press.]

Case of Thos. Purcell, sen'r, 84 years of age was afflicted 15 years with swellings in his legs—was entirely cured by taking 43 pills in 5 weeks.

Case of Joan Daulton, Aberdeen, Ohio—rheumatism five years—entirely cured—has used the LIFE MEDICINES for Worms in children, and found them a sovereign remedy.

Case of Lewis Austin—periodical sick headache—always relieved by a small dose—now entirely free from it.

Case of Adon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.

Case of Adah Adams, Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been confined seven years—was raised from her bed by taking one box of pills and a bottle of Bitters—a most extraordinary cure—she is now a very healthy and robust woman—attested by her husband Shubel Adams.

Case of Susan Goodarant, a young unmarried woman—subject to ill-health several years—a small course of the LIFE MEDICINES entirely restored her—is now hale and healthy.

Case of Miss Thomas, daughter of Eli Thomas—cough and symptoms of consumption—cured in four weeks—Her sister cured of a severe attack of inflammatory rheumatism in one week!

Case of S. Colvin—cured of a severe attack of scarlet fever in a few days, by the LIFE MEDICINES.

Case of Harriet Twogood, Salina, N.Y. was in a very low state of health a year and a half—did not expect to recover. Miss T. was now able to walk about and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker—severe case of Fever and Ague—cured in a very short space of time. Directions followed strictly.

Case of Amos Davis—Affection of the Liver—after trying the doctor's remedies in vain for a long time, was cured by the LIFE MEDICINES without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisis 20 years—effected a perfect cure in 24 hours by the use of the LIFE MEDICINES.

Thousands of persons afflicted in like manner, have, by judicious use of Moffat's Life Pills and Phenix Bitters, been restored to the enjoyment of all the comforts of life. The Bitters are pleasant to the taste and smell, gently astringe the fibres of the stomach, and give that proper tenacity which a good digestion requires. As nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastings, loss of appetite, indigestion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs, shortness of breath, or consumptive habits.

The LIFE MEDICINES possess wonderful efficacy in all nervous disorders, fits, headachings, weak ness, heaviness and lowness of spirits, dimness of sight, confused thoughts, wandering of the mind, vapours and melancholy, and all kinds of hysterical complaints are gradually removed by their use. In sickness of the stomach, flatulency, or obstructions, they are safe and powerful, and as a purifier of the blood, they have not their equal in the world!

For additional particulars of the above medicines, see Moffat's "Good Samaritan," a copy of which accompanies the medicine; a copy can always be obtained of the different Agents who have the medicine for sale.

All post paid letters will receive immediate attention.

Prepared and sold by WILLIAM B. MOFFAT, 375 Broadway, New York. A liberal deduction made to those who purchase to sell again.

Ask for Moffat's Life Pills and Phenix Bitters, and be sure that a fac simile of John Moffat's signature is upon the label of each bottle of Bitters or box of Pills.
