a fresh supply of seasonable fall and winter goods.-Their reputation for enterprise and honorable dealing has made shelr names famous and their customer antistied. "Nuf ced."

THE WEATHER.—This season the transition from summer and thin dresses to fall and fires and finnels was one of marked celerity. On Tuesday the therometer stood at 90 deg., while in the circus tent fans flaunted as freely as in July. That evening we were visited with a severe thunder shower which was forlowed, on Wednesday by a cold raw wind, rende ing overcosts indispensable, and a night in which a

The Oxygenated Bitters, are recommended by Physicians in their practice. A distinguished elergyman, who had taken six bottles, by direction of his physician, writes us that they have cured him of Dyspesia, of twenty-five years standing. Try this remedy, Dyspepties!

MAINE ELECTION.—Maine has done nobly. The Republicans of that State have covered themselves with honor. They have elected a unanimous delegation of their own political faith to Congress, and chosen their candidate for governor by about 10,000 majority. The Senate will stand 30 Republicans to possibly 1 Democrat, while the House of Representatives will be over 100 Republicans to loss than 50 Democrats. This result secures the re-election of Wm. Pitt Fessenden, to the United States Provise extends and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the Congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been discussed by the congress and the market have been light. For the past Fifty years, DR 8.0. BIGHARDSON'S SHER-RY-WINE BITTERS have been unrivalled as an effective and valuable Spring and Summer medicine. And while almost every one of the thousands of remedies that have been intro-duced within that period has been abandoned, Dr. Richard-son's medicine has been sustained with increased popularity. For sale at the Dector's office, No. 51 Hamover Street, and by declaring the second of the s For sale in Brattleboro by JOSEPH CLARK and I. N For sale in Brattleboro by JOSEPH CLARK and I. N THORN.

Mothers! Mothers! Mothers! Don't fail to procure Mrs. Window's Soothing Syrup for Children Teething. It has no equal on earth. It greatly facilitates the process of teething, by softening the guns, reducing all inflammation—will allay all pain, and is sure to regulate the borets. Depend upon it mothers, it will give rest to yourselves, and relief and health to your infant—Perfectly safe in all cases.

This valuable preparation is the prescription of one of the most experienced and shallful formal Physicians in New England, and has been used with never-failing success in millions of cases.

It is an old and well tried round;

The Oxygenated Bitters.

For the cure of Dynamics on Indication, Liver Complaint, Asthma, Contineness, Lais of Appetite, Fever and Ague, Heart Burn, Water Brash, Acidity, Sea Sickness, Seary, Nousea, Headathe, Emany, and General Decivity, or any aissease having its origin in imperfect digostion.

These Bitters, is all classes of our fellow citizon, including Members of Congress, Lawyers, Physicians, Clergymen, Planters, Farmers and others testily, are the only agis, certain and sourcesion systems for the immediate relief and permanent cure of the many crued complaints which in some phase of other of Physpepria afflict our race.

These Bitters were discovered by Dr. Grosna B. Grass, and in their formula differ entirely from that of any other preservation of melicine. Containing in a dicorder-to-poison—no monious drug,—in their nature tende, not stimulating,—retaining their victures in any climer, they are ra-combination and a form indeed of Medicine which knows to rival in externing their victures in any climer, they are re-ra-combination and a form indeed of Medicine, which knows to rival in externing their victures in any climer, they are ra-ray combination and a form indeed of Medicine, which knows to rival in externing their victures in any climer, they are ra-ray to embedding disease and reastoring the system to its pression victor and health. No matter of how long standing, or however induced or chronois in its character the disease may be—no matter that it has halled the skill of the physician, and revisibed the efforts of Modicine, a surject rial of these littlers will satisfy the audicrer that it his disease is amenable to the proper

THE GREAT ENGLISH REMEDY FOR COLDS, COUGHS, ASTHMA, AND CONSUMPTION:

Remarkable Cure of a young Lady in Hope-less Consumption.

27 Extract of a lotter from Mrs. SARAH J. BAXTER

Poarl street.

Boxrox, Feb. 12, 1545. To Dr. D. F. Bradies—Dear Sire. The Hungarian Baisam has performed a miracis indeed, in the case of my comment daughter, who has been positively cured of seated Consumption, by the use of only three bottles of the investmable Medicine. She lind, been he a decline for ourly three years, and we considered her beyond hope when the Baisam was taken. We had consulted numerous distinguished physicials, and tried all the famous prescriptions for Consumption.—a fouthern journey, the new system of Installen, &c., without any benefit, and had almost consigned her, with a breaking heart, to the grave. But the Hungarian Baisam, under Powelleure, has saved her its, and I cannot r duse to give you my evidence of this assonishing fact, for

OLD BOURBON WHISKEY.

FOR MEDICINAL PURPOSES, WILSON, FAIRBANK & CO.,

To attain the desired object of placing before the public a reliable article, weither time nor expense has been apared, and the basis upon which we place the wirms of our Whiteey, is (for whatever purposes the pursuit quality may be recom-mended,) that this is entirely free from any sciniterations whatever.

windower.

Its purity cannot be questioned, as a theoretic analysis has been made, as will be seen by referring to the certificate at tached to each hottle.

Accompanying each bottle is a copy of a Certificate received from the State Assayer, giving the result of his toventigathose. In order to prevent deception, observe that the fac simile of the signature of the firm, WILSON, FIRMANK & CO., seconomynamics each bottle, and that the commusioner's seal is placed warr each each. Without these protections

er's seal is placed were each cork. Without these protections name is genuine.

STATE ASSATER'S OFFICE. Somerest St.,
