Owens 50 Claims at Cape Nome.

Cyrus O. Lovell, Jr., of Cavendish, a graduate of St. Johnsbury Academy in 1892, is visiting in this state before going to London, where he expects to sell the stock of the mining concern controlled by himself and partner. Lovell spent five years in the mining camps of the Rockies and then went to Alaska. He endured hardships there two years without success, but was fortunate in finding the ninth man to stake out a claim at Cape Nome. He and his partner now control about 50 claims at Cape Nome, where the yield of gold is much greater than in the Klondike.

MASSACHUSETTS NOTES.

John N. Tarbox of Greenfield has received a cash offer of \$25,000 for a half interest in his water-meter invention as soon as the patents are issued. Mr. Tarbox is an old inventor, and he has been granted patents on 35 to 40 inventions.

After descending about 25 feet the Berkshire mining and milling company of Heath have begun drifting their shaft laterally in a southeast by east direction, the vein of graphite apparently trending that way. The prospects of striking "pay dirt" are encouraging. Large quantities of graphite are visible in the vein a few rods above where the company have begun to cut through the "vein."

After Shaving

Comfort Powder leaves the skin soft and prevents soreness. Dr. C. H. Bullock, of Hartford, Conn., says:—"For use after shaving, it is the best thing in the world."

"It is an Ill Wind That Blows Nobody Good."

That small ache or pain or weakness is the "ill wind" that directs your attention to the necessity of purifying your blood by taking Hood's Sarsaparilla. Then your whole body receives good, for the purified blood goes tingling to every organ. It is the great remedy for all ages and both sexes.

Dyspepsia — "Complicated with liver and kidney trouble, I suffered for years from dyspepsia, with severe pains. Hood's Sarsaparilla made me strong and hearty." J. B. Emerson, Auburn, Me.

Hood's Sarsaparilla
