Lhaas, which is the capital of Tibet, for generations was known as the Forbidden city because of its religious and political exclusiveness. In 1904 a British armed expedition opened the mysterious old city. Previous to that time practically every European traveler had been stopped in his efforts to reach the place. The population of Lhaas is about 25,000.

### Tuberculosis Medicine

#### Saved This Man's Life

Phenomena is a serious disease, and often lays the foundation for chronic lung troubles—sometimes Tuberculosis results. After Pneumonia, or any serious or stubborn cold, it is wise to take Eckman's Alternative.

Don't wait to find out whether the trouble is getting worse, but take Eckman's Alternative in time and avoid the dangers of disease. Head of the recovery in this case:

330 No. 1st St., Philadelphia, Pa.

"(Signed) Alford. I am getting along very nicely and gaining strength all the time. I now weigh 154 pounds, a gain of 25 pounds more than when I first started to take the Alternative. My chest has cleared up and I feel like a new man. I have been suffering from this disease for over three years."

(Signed) Alford. I am getting along very nicely and gaining strength all the time. I now weigh 154 pounds, a gain of 25 pounds more than when I first started to take the Alternative. My chest has cleared up and I feel like a new man. I have been suffering from this disease for over three years."

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poison, opiate or habit-forming drugs. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists and
