COUNTY DEMOCRATS NOMINATED TICKET

Discord Over Organization of Wilson and Marshall Club

Verbal Sparring Match an Enlivening Feature of Convention in Brattlebore Tuesday Morning.

An outbreak of dissension marked the latter part of the Democratic county convention in Grange hall, Brattleboro, Convention in Grange hall, Bratheboro, Tuesday forenoon, and for a time it looked as though there would be an open rupture, the question at issue be-ing as to whether the convention would organize a county Wilson and Marshall club. Remarks were bordering on the personal when the question was settled, after a large amount of time had been wasted. A county club finally was organized, with Maj. F. W. Childs of this town as president. Maj. Childs said he was moved to decline the office, but he finally accepted it in a short speech from which one would think the Republicans were in a fair way to tumble

Rollin S. Childs of Brattleboro, chairman of the county committee, presided and he also was optimistic, stating that the Democrats felt that they were in sight of the promised land after many years of wandering in the bulrushes of defeat. He said the tariff was to be a leading issue and paid a tribute to William J. Bryan which was applauded. For secretaries Leonard A. Brown of Wil-mington, J. H. Byrne of Bellows Falls and Arthur P. Carpenter of Brattleboro were elected. These vice presidents were elected and took seats on the stage: G. H. Hall of Brattleboro, George W. Kimball of Rockingham, E. W. Robbins of Athens, Dana M. Canedy of Whitingof Athens, Dana M. Canedy of Whiting-ham, W. J. White of Newfane, John E. Gale of Guliford, Henry D. Al-len of Wilmington, George T. Shanks of South Londonderry, F. H. Johnson of Dover, T. W. Plimpton of Wardsboro, John Conway of Jamaica, John M. Knight of Dummerston, M. H. Powers of Vernon, and W. A. Eddy of Townshend

chairman, consisting of W. S. Allen of
Whitingham, Jerome A. Amidon of Brattleboro and Harry M. Boyd of Wilmington. On motion of Mr. Shanks the chair
appointed a committee on resolutions,
consisting of G. T. Shanks, John E. Gale
and George W. Kimball. On Mr. Allen's
motion a committee was appointed to

Shanks and W. J. White of Newfane.

White of Newfane In reporting for the credentials com-mittee Mr. Amidon moved that all Demo-

crats present be considered members of the convention, and it was so voted. Then Chairman Childs called for suggestions for a county Wilson and Marshall club and Maj. F. W. Childs said an in-formal runtogether of Brattleboro Demformal runtogether of Brattleboro Democrats was held the night before and it was their unanimous sentiment that such a club be organized by the convention. He thought it would help in getting Windham county's share of speakers, among whom he mentioned Harland Howe, candidate for governor, Governor Foss and William J. Bryan, E. R. Cook of Wilmington compilicated the R. Cook of Wilmington complicated the situation by moving that two presidents be elected, but that was not in accord with arrangements so he was sidetracked and the chairman called for the report of the committee on nominations, but no such committee had been ap-pointed and after a little coaching the chairman switched back on the track

For senator from the south district Austin W. Roel of Brattleboro was nom-inated by A. P. Carpenter as a man who in which he had been placed. Chairman Childs said that the voting would be done by ballot as no "steam roller" methods were to be used. D. H. Cray of Bellows Falls thought that would be waste of time and Mr. Butterfield moved that the secretary cast a ballot for Mr. Roel, which was done. For senator from the north district Dr. O. M. George of Bellows Falls was nominated on motion of Mr. Robbins.

Herbert G. Porter of Whitingham and T. W. Davis of Grafton were chosen for assistant judges, being nominated by Major Childs and Mr. Robbins respec-tively. John E. Gale nominated Frank tively. John E. Gale nominated Frank
L. Wellman of Guilford for sheriff, paying him a compliment for his care and
efficiency, and he was a unanimous
choice. For judges of probate John E.
Gale was nominated by Eugene Johnson
of Brattleboro and R. J. Wolfe of Bellows Falls was nominated by Mr. Byrne,
and there was no opposition to either. W.
H. Heywood of Brattleboro was the H. Heywood of Brattleboro was the ninee for high bailiff, on motion of F. Childs, and the choice of Arthur P. Carpenter for state's attorney, named by J. G. Ullery of Brattleboro, complet-ed the list of nominations.

The resolutions committee then reported and their report was adopted, as was also the report of the committee appointed to name a county committee.

The latter committee consists of R. S.

his proposition for two presidents of the county club, one from Brattleboro and one from Bellows Falls. D. H. Cray thought the convention ought not to meddle and said the people of the res-

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. pective towns could elect their own presidents. Mr. Cray, chairman of the town committee of his town, thought such action by the convention would be a reflection on the town committees. R. S. Childs tried to explain that this was to be a club broader than the individual towns, whereupon Mr. Cray exclaimed: "You are trying to mix things up, and you know it. You can do what you want here in Brattleboro, but Rockingham will take care of itself." Mr. Byrne suggested one president and five vice presidents, M. J. Moran of Brattleboro thought that there were officers enought and that the matter ought icers enought and that the matter ought

to be dropped if there was going to be much opposition.

Mr. Ullery thought the town commit-tees could not be depended upon. He said that as one of the state committee said that as one of the state committee he had written to all the town committees in the county and had received replies from only five, one being Mr. Cray. He asked the chairman to put a motion that a county club be organized, but some time elapsed before the motion was put, as Mr. Cray, R. S. Childs and F. W. Childs pulled off a verbal sparring match, in which Mr. Cray said: "If we had a county committee that wanted to work and was ready to work we wouldn't need any more officers." o work and was ready to wo wouldn't need any more officers."

Mr. Ullery then made a suggestion which clarified the air, which was that the chairman the air, which was that the chairman of the town committees be elected vice presidents. This was done as far as possible, and after taking up a collection and receiving subscriptions the convention adjourned.

ie third party state convention held at Burlington Tuesday [July 23] and attended by 57 participants, not chosen as delegates, but acting in an individual capacity, did not indicate, either by its size or by the prominence of those who attended, a formidable movement. The fact that there was a division in this small party and that Wallace Batchelder, the best known Roosevelt man in the state, refused to have anything to do with a third party state ticket indicated a lack of harmony at the outset which does not promise well for a large fol-lowing for the movement.

Not a few of the planks in the plat-form endorse principles already favored by the Taft administration or by the Republican party of Vermont. It is rather amusing that a Roosevelt party should demand publicity of campaign ex-penses in view of Roosevelt's unwilling-ness to make public the enormous amount of money used in his behalf be

fore the Chicago convention,
There is no need of a third party in
Vermont or out of it. There has been
no fraud in the Taft nomination. There
is no good reason why any Republican should support Rev. Frazer Metzger for governor in preference to Hon. Allen M. Fletcher. Mr. Fletcher's experience in public affairs has given him an excel-lent training for larger service. Mr Metzger is without experience in public affairs. The Journel believes that the great majority of Republicans will remain Republicans and it sees no indication of permanency in the new party.

BATCHELDER QUITS ROOSEVELT.

Bethel Man Is Shocked at the Attitude of the Third-Term Candidate and Re-

Wallace Batchelder of Bethel, one of the leading and most active Progres-sives of Vermont, Rough Rider and warm personal friend of Colonel Theodore Roosevelt, has announced that he can no longer support Roosevelt for President. The break came when he received a telegram from Colonel Roose velt confirming the authenticity of a for mer telegram to the effect that the colmer telegram to the effect that the col-onel wished no candidates indorsed who would not support Roosevelt electors. Mr. Batchelder, in his fight against "bossism" in Vermont, had been advo-cating the indorsement by the Progres-sives of the Democratic candidate for governor, H. B. Howe. Upon Colonel Roosevelt's confirming the authenticity of his first telegram, Mr. Batchelder sent him a telegram expressing deep grief at him a telegram expressing deep grief at the shattering of his ideal and renounc-ing the ex-President as his political leader. The telegram follows: "Your telegram received. I am shock-

I have neglected my business, earned no money and am many dollars poorer than I was that evening last March when I dined

Your telegram received this morning stating that the telegram of July 20 supposed to the contract of the contract egram of July 20, purporting to be sign-ed by you, is substantially authentic, makes it plain that you direct me—and men in every state—that we must not vote for any candidate for any office, no matter how honest, able, efficient or progressive he may be, unless that candidate will agree to pay for our votes by supporting Theodore Roosevelt for President of the United States again—by supporting Roosevelt electors.

Consumptives Helped by **Tuberculosis Medicine**

It is folly to believe that Consumption differs from every other disease in not requiring the use of any specific medicing for its cure. The trouble has been that none was known until the many cures effected by Eckman's Alterative began to be realized. Now, for ten years, an enormous mass of voluntary and tnankful testimonials from persons who consider that they owe their lives to this remedy have been accumulating. Surely plenty of time to demonstrate its lasting value. You can write to any of them. Here is one: 5323 Girard Ave., Philadelphia, Pa. "Gentlemen: In the winter of 1903 I had an attack of Grippe, followed by Pneumonia, and later by Consumption. I grew steadily worse. In the winter of 1604 I had cough, night sweats, fever and raised quantities of awful looking stuff and later I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alterative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends."

Build a Home in 1912 and Rejoice

There has never been a better time to build a home in Brattleboro, than at the present. There is a great demand for tenements and most of the articles used in the construction of a home are cheaper now than they have been for several years, especially in the line of Clapboards, Shingles, Pulp Plaster, Cement, etc., which are usually most expensive.

People have come to realize that the best grade of Red Cedar Shingles are far ahead of any slate or prepared roofings to use on a house. 95 per cent of all the houses built in Springfield, Holyoke and other small cities are covered with cedar shingles for the reason that they are much cooler in the summer and warmer in the winter. A nice grade of red cedar shingles makes as good a looking roof as you can possibly have and they are much cheaper than slate and will cost less for repairs. These will last for at least 40 years.

We will furnish you the material for a house on very easy terms, so that almost anyone can build a comfortable home. If you are contemplating building a home, come in and talk it over.
