

# THE AUGUST ODDS AND ENDS SALE

Opens Monday Morning, August 12, at 8 o'clock

Ever a prodigy—among notable sales—and always a harvest of bargains—this occasion—at every occurrence—adds still more to the reputation of this store—as a doer of things—in a manner characterized by tremendous action.

Rare values—in every section—on every floor.

The reason is found in the closely adhered-to policy of this store, to keep all stocks free from incomplete assortments and close out all lines before the end of the season for which they were purchased. The bargain items are so numerous, that this page does not suffice for their enumeration, but all will be displayed plainly ticketed.

**POSITIVELY NOTHING SOLD AT THESE PRICES UNTIL MONDAY MORNING**

Mail Orders Filled  
After Monday as
