**BUSY, HARD-WORKED MEN AND WOMEN**

Will find that the sarsaparilla, pepsin, nux and iron treatment comprised in Hood's Sarsaparilla and Pepton will give brain and nerve force, relieve the nervous strain incident to "too much to do in too little time," characteristic of life today.

These blood and nerve medicines seem to lift the nervous and overworked into new life, enabling them to accomplish easily the things that have fretted them and have seemed to bring them to a standstill.

Hood's Sarsaparilla and Pepton are very effectively supplemented by Hood's Pills, in cases where a laxative is needed. These three preparations are all sold by your druggist. Get them today.

her home in Halifax, returning Monday morning.

The telephone company's repairs include the running of a number of new wires. There will be six wires when the work is completed.

Mr. and Mrs. Henry C. Smead will go this week to Springfield, Mass., to spend the winter with their son, Frank C. Smead, and family at 888 State street.

The knitting which has been completed by the Red Cross members has been forwarded to Brattleboro branch. At present there is urgent need for helmets and sweaters and in giving out new work this will be kept in mind.

The "Klonial Soshul" Wednesday evening attracted an attendance of 45. There were solos, choruses, readings and a guessing game called a musical romance. The costumes were interesting, most of them being genuine antiques. After the program sandwiches, both brown and white, pumpkin pie and coffee were served.

Mr. and Mrs. Arthur Ingram of Brattleboro, their son, Richard, and Mrs. Howard Thayer, spent Sunday at Chas. E. Ingram's, Howard Thayer has written to his wife and friends from "somewhere in England" (where he sat under a tree while writing) that they had a pleasant voyage, escaped the dangers which seemed imminent and had no accidents, and that he was well after his ocean trip.

The Woman's Mission circle held its regular monthly meeting Tuesday evening with Mrs. Bishop. The regular topic for the month was The Italians in America, what can we do for them, and what are they doing for us? The first chapter of the mission study book, An African Trail, was taken up and a few moments were spent in the discussion of food conservation. It developed that all present are effecting saving under the new system and that they are devising plans of their own to use in connection with homecard suggestions.
