

### Worth-While Fertilizers

NEW ENGLAND Animal Fertilizers put your soil in a condition which means large production. You'll get the full benefit of present high prices because you'll get better quality and larger crops.

New England Animal Fertilizers are not an experiment. You don't have to figure on undue chances.

These fertilizers consist of Meat, Blood, Bone and essential chemicals—and are made specially for New England farmers. Your soil will grow rich and strong on them. We have a guaranteed 4% water-soluble Potash Fertilizer—invaluable to the farmer.

In harmony with the efforts of the Soil Improvement Committee of the National Ass'n to standardize brands, we offer high grade complete fertilizers containing Potash. And have reduced our prices on many grades \$10 to \$15 per ton as compared to last spring.
