BACKACHE IS DISCOURAGING
But Not so Bad if You Know How to Reach the Cause

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Pierre people recommend Doan's Kidney Pills. Read the case: J. A. Hutchison, 4th & Sanborn St., Pierre, says: "My back felt stiff and bothered me at night. It also ached in the morning. The kidney secretions were unnatural and too frequent in passage, especially at night which broke my rest. Doan's Kidney Pills rid me of the pains and lameness in my back and also removed the bladder trouble." (Statement given Sept. 1916)

Over two years later Mr. Hutchison said: "I am glad to again publicly recommend Doan's Kidney Pills and I seldom lose an opportunity of doing so privately."

Price 50c, at all dealers. Don't imply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hutchison has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.—Adv.
