Visit picturesque Mackinac Island. It will only cost you about \$12.50 from Detroit; \$15 from Toledo; \$18 from Cleveland, for the round trip, including meals and berth. Avoid the heat and dust by traveling on the D. & C. floating palaces. The attractions of a trip to the Mackinac region are unsurpassed. They are equipped with every modern convenience, annunciators, bath-rooms, etc., illuminated throughout by electricity, and are guaranteed to be the grandest, largest and safest steamers on fresh water. These steamers favorably compare with the great ocean liners in construction and speed. The cabins, parlors and staterooms of these steamers are designed for the complete entertainment of humanity under home conditions; the palatial equipment, the luxury of the appointments, makes traveling on these steamers thoroughly enjoyable. ADULTERATED WINE

is injurious, but nothing gives strength and tones up the stomach like a pure old port wine. "Royal Ruby Port," so called for its royal taste and ruby color, is on account of its purity and age, and strength, particularly adapted for invalids, convalescents and the aged. Sold only in bottles (never in bulk) while cheap wine is sold by the gallon and gives a larger profit to the seller but less to the user. This wine is absolutely pure, and has the use without which no wine is fit to use. Be sure you get "Royal Ruby"; quart bottles \$1, pints 60 cts. Sold by Grant Hollen & Bros.

The Republicans in this town held quite a breezy caucus at the town hall last Friday evening for the purpose of electing delegates to the conventions to be held at Peck and Sanilac Centre.

On Monday afternoon a man answering the description of the person who attacked Mrs. Badley, was seen in the vicinity of Peck running wildly toward Sanilac Centre. Conjectures north of Roseburg on Sunday, Sept. 30th, at 2 o'clock P. M. Following are the questions for discussion: "Shall unconverted persons be taken as teachers?" "Should temperance be taught in the Sabbath School?" "How shall we increase adult attendance?" It is hoped all who can will attend.

This community has been quite agitated this week over the unwarrantable attacks made on Mrs. Frank Badley by a strange man who seems to have been prowling round the vicinity of Mr. Badley's home. Not satisfied with having frightened Mrs. Badley from her home on last Friday by drawing a knife and threatening to kill her, this mysterious individual returned again on Tuesday, while she was alone and again threatened her life, she escaping him on each occasion by instant flight. When the alarm was given searching parties went out in every direction to try and capture him. All efforts have failed as yet though the searchers have got a clue which they think if followed up may result in his capture.

WHY "No. 9" ARE HEELER & WILSON'S No. 9 SEWING MACHINES

POPULAR? BECAUSE LADIES BUY THEM LIKE THEM AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair. We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.
