### NEIGHBORHOOD NEWS.

**Speaker Letter.**  
Delos Zavitz, of Yale, was in town Tuesday on business.

John D. McKeith, of Yale, was in Speaker on business Tuesday.

Mrs. Joseph Sisco intends to start the last of the week for St. Ignace.

Election was very quiet here this year. Everything went Republican.

Elder Gillam is assisting Rev. Windrem in his revival meetings and meeting with good success.

There was no Christian Endeavor meeting Wednesday evening on account of the revival meetings.

Someone was asking where the Democrats were Tuesday. Well, if every town voted as did Speaker, it would take a bass drum and a tin horn to find one.

An old Democrat was asked since election why he changed his vote. "Well," he said "Cleveland promised us free wool and if he had stopped at that it would not have been a bad bit, he dads, when I came within fifty cents of free sheep, I quit."

**Elliott Letter.**  
Thomas Dudley was at Goodland last Sunday visiting his sister.

Truman Terpening, of Goodland, was in town last week buying hay.

Robert Lothian, of Yale, was in town last Friday buying sheep and hogs.

Minnie and Mina Spafford, of Fargo, are visiting with their cousin Anna Dudley.

Mary Dohrman and Anna Dudley visited at Almont with their friend Mrs. Fred Wilcox and at Romeo with Mrs. Charles Warren last week.

Martin H. Colberg intends to start for New Mexico next week for the special benefit of his health. We all hope he will return home much improved.

The Democrats of Lynn were fairly shocked at the way the election went in this township on Tuesday, in fact they have been paralyzed ever since and it is doubtful if they recover.

This township has always been democratic but this year it has gone over to the Republicans by a very large majority. The farmers are getting the wool pulled from their eyes and can see more plainly. That's right gentlemen, watch out for your own interests.

**Roseburg Letter.**  
Lulu Mitchell, of Yale, visited at John Mitchell's last Sunday.

Wm. McIntyre, of Stratford, returned home after spending a few days with friends here recently.

Mrs. Amelia Bradshaw, who has been visiting friends here, returned to her home in Saginaw last Saturday.

Mrs. Greenwood returned from Canada last Saturday where she had been for some weeks nursing a sick daughter.

John Aitken, who has been in Canada for the last few weeks at the bedside of his dying brother, returned home last Monday.

On Thursday Nov. 1st occurred the marriage of two of our most popular young people, Hawley Badley and Mary Staley. The numerous friends of the happy couple here are rejoiced to know that they are about to settle here in the community where they are so well known and respected. The heartiest congratulations of their many relatives and friends go with them through life.

Last Saturday evening as Mrs. John Bradshaw was peacefully performing her domestic duties she was startled by the appearance of an unusually large number of callers. Suddenly remembering that this was her birthday she recognized the fact that she was the victim of a surprise party. Heartily appreciating the pleasant trick which had been played upon her, she welcomed her guests and all straightway set themselves to work to spend a pleasant hour together. After partaking of a refreshing lunch all repaired to their homes at a late hour, leaving Mrs. Bradshaw several handsome gifts as a token of their esteem and regard.

The ladies of Avis Hive, L.O.T.M., gave Mrs. Chas. Parker a surprise last Saturday evening. As she was sitting quite unconscious of all that was present, a large crowd of ladies came trooping in with well filled baskets, and taking possession, spread the long table for a feast, and then invited Mrs. Parker and the attendant Sir Knight, who had followed in, to be seated and partake of the many dainties offered. Before commencing the feast Mrs. Parker was presented with a silver thimble, as a parting gift from the Hive of which, since its organization she has been an active member. Mr. and Mrs. Parker intend removing to New York State in the near future and will be much missed in this community.

**Golden Wedding.**  
Mr. and Mrs. Samuel Umphrey celebrated a golden wedding at their comfortable residence, 34 miles east of Roseburg last Monday, having spent half a century of married life together. About fifty invited guests were present bringing with them many rich and ornamental as well as useful presents that they might help to brighten the cloudy experience of declining years. Elder Hurburt, of Peck, conducted a short ceremony after which a sumptuous dinner was served.

Mr. and Mrs. Umphrey have raised a family of seven sons, all living and married, five of whom were present, one son, George, having come from Iowa to help celebrate the occasion. Mr. Wixon, the popular photographer of Croswell, was called in and photographed the family and afterwards the family and guests.

Having spent a very pleasant day the best wishes were again tendered to the bride and groom for their future happiness and the guests returned to their respective homes.

# WHY "No. 9" ARE HEELER & WILSON'S

**SEWING MACHINES**  
POPULAR?  
BECAUSE LADIES  
BUY THEM LIKE THEM  
AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair.

We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.
