**OUR FALLEN HEROES.**  
Graves Decorated with Flowers—Appropriate Exercises on Memorial Day.  
A large number of veterans met at the G. A. R. post on Saturday morning and forming into procession, together with school children and citizens, proceeded to the cemetery, where the graves of the fallen heroes of the late civil war, were decorated with flowers. Returning, dinner was served at Michael's hall to a goodly crowd and at two o'clock an excellent program was carried out. The first number was music by the choir. Prayer was then offered by Elder D. McCall followed by another selection by the choir. An essay by Harvey Tappan on "Sand" was most excellent and enjoyed by all present. More music followed by the choir and then came a well prepared address by E. B. Taylor, of Port Huron. After music by the choir the benediction was pronounced by Rev. Desjardins and all were dismissed.  
The G. A. R. post desire to express their thanks to the choir, to Mrs. P. Chamer for flowers, to the citizens of Yale for the interest taken in the day, to the speakers and to the Expositor for kindly publishing their exercises for the day.

**BIKERS.**  
A Few Items That May Be of Interest to Those Who Ride Wheels.  
Jule Hennessy will enter the two mile handicap race in Port Huron today.  
Riders from Brown City and Peck visited this town Monday to see the races.  
Arthur M. Cooper is the possessor of a brand new bicycle purchased of A. W. Ferguson & Co.  
A goodly number of the drop frame riders were out in force Tuesday evening getting their pictures taken.  
Yale will be well represented at the Port Huron bicycle races today. The boys have turned out in good force.  
Ed Fead and W. H. Newcomer visited Memphis over Sunday. They report the roads in that direction very bad.  
Quite a number of our riders visited Amadore this week. They say the town looks as though the storm had punctured a tire at that place.  
Will and Porter Harris left here Saturday for a wheel trip through the cyclone district south west of here. They returned home on Tuesday.  
Mr. and Mrs. W. B. Saville, Bertha Beecher, Blanch Parker and Thomas Holden visited the ruins of the late cyclone in Sanilac county on their bicycles this week.  
John O'Rourke, of Armada, visited with his brother, the laundryman, Monday and Tuesday of this week. He is making a tour through St. Clair, Sanilac and Tuscola counties on his wheel.  
The local bicycle races held here Monday drew quite a crowd and every one seemed to enjoy the sport. At half past one o'clock Monday many of the boys lined up for parade. The procession headed by Andy Reed on one of the good old ordinarys and the Lung Chung Band started north turning out on Kennebec street, thence out on Main street at the Post Office corner. Here the band turned up and the grand aggregation started on their triumphant march to the Fair Grounds which they succeeded in reaching without accident. At 2 o'clock starter Noble called the boys up for the quarter mile race, the following being the starters: Hennessy, Zavits, Ballentine, Plank and Matzen. This heat was a race from start to finish. Hennessy secured a good lead and held it throughout, finishing about 50 yards ahead of the crowd with Zavits second and Plank third; time 36 1/2 sec. Matzen tumbled at the start, laming him and thereby shutting him out for the day. The second heat was a repetition of the first with the exception that Ballentine traded places with Zavits at the finish; time 37 sec. After the usual rest the mile race was called on with the same starters. The two heats were about the same and run in close to 3 minutes. Hennessy 1st, Zavits 2d, and Plank 3d. A recess was here given during which the band forgot to play and then came the 5-mile handicap. Eleven started in this event but only six made the full ten laps. The race was interesting from the beginning but all the plums were captured by the scratch men. Zavits 1st, Ballentine 2d, Hennessy 3d, Plank 4th, Minnie 4th 5th, and Putney 6th. The other five failed to finish. The heavy wind blowing down the back stretch prevented extra fast time being made. The race was finished in 18 minutes.

**A CHALLENGE.**  
The "Noble Challenge Bicycle Cup" committee having received and accepted a challenge for the second contest for the cup have ordered that a contest shall be held after the races on July 4th, '96. All persons wishing to enter the contest must leave their names with the Sec'y before July 1, 1896 and sign the by-laws governing cup. E. F. Fead, Porter Harris, Chairman. Secretary.

**Grape and Bark Bitters for Malaria.**  
Every one knows the value of the grape as a luscious and healthy fruit. Aunt Rachael's Malarial Bitters is the ultimate of the Grape Juice; in its properties, mildly deacidic, sudorific and tonic. More than seven-eighths is the pure juice of the grape, simply made bitter by Peruvian Bark, Chamomile Flowers, Snake Root, Etc., and will cure malarial fever if used as directed.  
A stout lady of Pinconning, so says an exchange, has been pestered by book agents for weeks past. She determined that the first one who put his face in the door would get a warm reception. It happened that the good pastor decided to make her a visit, so with bible in hand he knocked at the door. She opened it and thought she saw one of her pesters. She grabbed him by the nape of the neck and cast him forcibly into the street. Great was her surprise when she discovered her mistake.

**Of Interest to Farmers.**  
The other day we noticed a crowd of farmers gathering at the depot and curious to learn the cause we went to see. There was a sharp fellow who had been around the country selling to farmers large bills of groceries at wholesale, principally baking powder, soda and spices, and generally ten or fifteen pounds of tea at 60c to 80c per pound (just such tea as your home grocer sells for 25c, or 5 lbs. for a dollar), and any grocer in town would be very glad to sell you ten pounds of tea at such prices and give you, free, enough spices to last you a whole year.  
Now is this just and fair to your home merchant who, to accommodate you, takes your butter and eggs, nearly always selling them at cost and often at a loss, and in exchange giving you groceries at a bare living profit and oftentimes he carries you until fall? Why not, when you have twenty or thirty dollars in cash to spend for groceries, as you have with this worthless sharper, take your twenty or thirty dollars and say to your home merchant I want to purchase this amount in groceries etc., make me as good prices as you can, and I venture to say in nine cases out of ten he gives you more goods for your money than you get from some sharper, and at the same time benefit your own village. It has been even hinted that some farmers borrowed money from their own merchants to pay for these goods. It is time farmers should stop and think and consult their own best interests.  
We were fortunate enough to secure a copy of a bill of groceries bought by a neighboring farmer which we give below the printed conditions on which we "one price to all," so we take it for granted that these were the prices paid by every one. Parallel to these figures we give a list of prices on the same amount of goods and the quality guaranteed to be equal by one of our village merchants, and the comparison in prices you can make yourself.

Brown City Banner—Prin. E. S. Black of the Yale schools was in town Saturday. He will not remain at Yale another year, but is thinking of taking a course in languages at the Michigan University next year.  
Sanilac Centre Republican—Our harness maker, George Bradshaw, has decided to leave Sanilac Centre. He will leave next week for Frithurst, Ala., provided the climate is more suited to his asthmatic troubles. We'd much rather Mr. and Mrs. Bradshaw would stay with us.  
Brown City Banner—The Yale Expositor passed its 15th milestone on the 8th, and we are pleased to note that Brother Menzies has lost none of his newspaper energy and determination to give Yale readers one of the best papers in St. Clair county. The Expositor loses none of its brightness by the march of years.  
We are heartily in favor of Spain E. Pearce for Register of Deeds. Mr. Pearce is a St. Clair Co. boy, having been born in Yale, living there until head to foot, and noted for fairness, cleanliness and square dealing. To our mind he is the best equipped candidate, mentally, yet put forward for this important position, and his well-known ability and integrity should land him ahead in the nomination. This "neck of the woods" is solid for him, and we hope his friends, (and their name is legion) will put their shoulder to the wheel and see that Mr. Pearce "gets there". This portion of the county is entitled to an office, so far as fairness or justice in politics is concerned. It has been many years since we have had a representative in a county office, and yet we have been the banner republican portion of the county. Elect Mr. Pearce to this position and you will have an officer, polite, capable and honest. He will also add strength to the ticket upon which his name is placed. He is at the present time Village Clerk, of Algonac, which position he has held for three years, and is also recognized here as a leader in his party.—Algonac Courier
