Pneumonia suffocates, because the swollen tubes get solid, and keep air from the lungs. Dr.

Acker's English Remedy reduces the inflammation, so the patient breathes freely, and is soon well.

Euterpe Club Concert at Central Hall.

Hall.

A goodly number greeted the Euterpe Club on their appearance in Central Hall Wednesday evening, and the entertainment was delightful throughout. The Euterpe Club is composed of ten Port Huron young ladies and gentlemen under the able direction of Prof. A. E. Basney. The instruments that they play are the mandolin, banjo and guitar. The solos, duets, septettes and selections by the whole club are simply beyond praise. Loye and Beauty Waltzes, especially, is beautiful and well merited, as did all the numbers, the high praise and applause accorded them. The club was assisted in their program by Mr. Herbert D. Mustard, who has a grand yolve, well trained and fully under control. His selections were encored and were much enjoyed and appreciated. Miss Carrie Louise Rivard also appeared with the club and we have not enough words of praise to bestow upon her. One must hear we have not enough words of praise to bestow upon her. One must hear her droll impersonations. We have all heard of Miss Rivard's fame as an elocutionist but Yale has not had the pleasure of a personal acquaintance before. The evening's entertainment was one to be remembered and we say with all who were present that we trust the Euterpe Club will come to Yale again and we safely promise a crowded house.

Married—On Wednesday morning, June 3, by Rev. Fr. Rose at the R. C. church, Miss Minnie Wall, of Fremont, to Mr. P. Lennon, of Speaker. After the ceremony they returned to the home of the bride's parents for dinner where about 40 of their relatives and where about 40 of their relatives and friends partook of a bountiful repast. They then proceeded to Yale, accompanied by a number of their young friends, and there took the train for Detroit. They received a number of beautiful and costly presents. We wish them much joy.—Croswell Demograf.

At the last shoot of the Carleton Rifle Association, Mrs. H. C. Maloney "beat the hull shootin' match" with a score of 96. Her husband undertook to win first place but Mrs. Maloney easily shot him down to four points below her score and the the best he could do was to get a tie with Richards at 92. Miss Sherwood made a score of 66 and both ladies won cash prizes. If, to the rolling pin and the broomstick, are to be added ballots and bullets as women's weapons, the future is not far distant when men will be forced to vote for prohibition and chop their own wood at the muzzle of the rifle. The outlook for the lords of creation is through a powder-smoked atmosphere.

Nearly a successful attempt was made by three prisoners in the county ail, Ambrose Reed, James Waters and George Shrigley, to escape on Sunday afternoon. By some means they had gotten hold of a file and a piece of an old sleigh shoe with which they were digging through the west wall where VanWagner dug out some years ago. Reed stood guard and the other two took turns in digging and whistling and singing to overcome the noise. Sheriff Dawson discovered the work after they had been at it about three hours. Two hours more they would have finished the job, which they expected to do while the sheriff was at church. But the sheriff didn't go to church that night.—Sanilac Centre Republican.

Mr. and Mrs. Jas. Brown, of Lynn, wish, through the Expositor, to thank the many kind friends, neighbors and the many kind friends, neighbors and Maccabees of May Teut, No. 477, and also the Lady Maccabees of Lynn Hive for their thoughtfulness and kindness to us since Mr. Brown was injured. It is now six weeks since the terrible accident happened to Mr. Brown and although he is getting along nicely under the care of Dr. Clyne, of Yale, it will be three or four weeks yet before he will be able to sit up or be moved at all. During all this time our neighbors and friends have been very kind to us, not only in helping with the farm work but in coming been very kind to us, not only in helping with the farm work but in coming to sit up so long as any one was needed, helping him to pass away the long and lonesome hours he has had to lie in bed. They have all been very thoughtful and we thoroughly appreciate their kindness, remembering that "a friend in need is a friend indeed."
