## THREE MEN KILLED.

Thrashing Machine Boiler Explosion Near Sanilac Centre.

While a crew of men were thrashing Tuesday afternoon on the farm of Herbert Lossing, near Sanilac Centre, the boiler exploded throwing it and the engine complete nearly 200 feet, instantly killing three men, and severely but not fatally injuring two others.

The dead are:  
LANSON LOSSING, the engineer and owner.

DARIUS LOSSING, a brother.

GEORGE CASTERLION, a brother-in-law.

The injured are:  
JAMES DAVIS.

GEORGE TILLMAN.

Casterlion and the two injured men were standing on the stack, fully 100 feet from the boiler, when it exploded.

The boiler and engine were supposed to be in good condition. Some attribute the cause of the explosion to a defective flue. It was carrying 100 pounds of steam when the explosion occurred. An official examination will be made.

All three of the unfortunate men were married and leave widows and children.

**The Discovery Saved His Life.**

Mr. G. Caillonette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken down with La Grippe and tried all the physicians for miles about but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We don't keep store or house without it." Get a free trial bottle at Grant Holden's Drug Store, Yale.
